THE HARLAND—At an adjourned meeting of the shareholders of the Charlottetown Steamship Co. Ltd., held yesterday afternoon, it was resolved as follows: "Whereas the Harland has for the past two years been operated at an actual loss, and during that time only about three thousand dollars has been set aside for depreciation; and whereas, to continue under present conditions seems to this meeting to be impossible. Therefore, resolved that the unanimous decision of the shareholders assembled be that the boat shall not be placed in commission this year unless sufficient additional subsidy be provided."

### MARKET REVIEW

An outstanding development during the past week was the lowering of the Bank of England rates from 4 and a half percent to 4 percent. This was followed by reduction in the rates at three European Capitals; the Reichsbank reduced its rate from 6 percent to 5 1-2 percent; the Bank of the Netherlands from 4 percent to 3 1-2 percent; and the National Bank of Copenhagen from 5 percent to 4 1-2 percent. The ease in money rates is thus universal. It was reflected in New York by a fall in the call loan rate to 3 1-2 percent, the lowest level since January, 1928. In Canada the official rate was in effect at 6 percent as against 6 1-2 percent prior to the reduction a week ago, and it was found that outside funds could be obtained at 5 1-2 percent. The ease in money should stimulate stock market activity, but the market can hardly give a boyant display unless business shows more definite signs of recovery. Should business definitely improve there will be an increased demand for funds for business purposes. There are thus two opposing influences. Somewhere between the two extremes the opposing forces will adjust themselves to each other.

For the week ending March 1st, 1930, there was a continuation of the seasonal increase in freight car loadings. The gain of 2,400 was much larger than the one shown in the preceding week of 310. However the gain over the preceding week was not quite as large as that in the corresponding 1929 period on the same basis. The result was that as compared with the like period of 1929 there was a decrease of 9,000 cars as against a decrease of 8,000 cars in the preceding week. It is interesting to note that loadings for the first two months amounted to 500,815 a decrease of 45,000 cars as compared with 1929. It is evident that the decreased grain movement accounted for over 80 percent of the decrease.

In the Market today Canadian Famous Players moved up sensationally to close at 54 7-8 for a net gain of almost 4 points over the opening. This was in line with expectations based on the large earnings reported by the company.

Noranda, Nickel and Brazilian remained practically unchanged. The New York Stock Exchange closed today at 12.30 in memory of former Chief Justice William Howard Taft.

The calf market was fully 50 cents lower, the lots sold up to \$14 with one lot fairly good average quality veal \$13.50. The balance of the veal lots ranged from \$10 to \$13.25. Gas calves were from \$5.75 to \$6.50, the bulk between \$5 to \$6.25. Quotations, good veal \$13 to \$14, medium \$12 to \$13, common \$10 to \$12, grass \$5.75 to \$6.50. He will be greatly missed in the community and loving sympathy will go out to his widow, in her sorrow and bereavement and to his son Robert who will sadly miss his counsel and companionship; also to his sisters Mrs. Robert MacNutt, Darnley, Mrs. Acorn and Miss Matie of Colville, Wash., and to his brothers Messrs. John S. Cousins, Park Corner, and James Cousins, Baltic. The funeral service which was held at the home, was attended by a widely extended circle of relatives and friends. The service was conducted by the Rev. Frederick Williamson, of Keir Memorial Church, assisted by the Rev. D. M. Grant, of Princetown United Church. The service was beautifully impressive, the address being based on the words of Rev. 4-1. A very sweetly rendered duet "Face to Face," was given by Mrs. George Profit and Mr. Charles Woodside. The flowers were many and beautiful and were silent tributes of love and friendship. The pall bearers were nephews of the deceased and were as follows: James Cousins, Frank MacNutt, John Riley, William C. Donald, Ansel Bernard, Elmer Paynter.

### ANNUAL MEETING

Annual Meeting of Central United Church, Marshfield-Dunstaffnage

The annual meeting of Central United Church, Marshfield-Dunstaffnage, reported many facts of particular interest. This church, beautiful in its appointments and so well situated, costing \$5,000, is nearly paid for. Since its construction two years ago, the building has supplied effectively the needs of the congregation for worship, church school, choir and young people's purposes.

Reports were given at the annual meeting from the session, the Stewards' trustees, the choir, the Ladies' Aid, the Women's Missionary Society, and the Church School. The session reported the reception into the membership of the church of ten, nine by profession of faith and one by
