Although receiving a severe shock, and serious and very painful injury, Mr. Fidele Gaudet, of St. Louis, on Saturday night miraculously escaped instant death at Summerside. Mr. Gaudet who is a skilled bricklayer and mason, has been working recently at Summerside and on Saturday evening planned to return to his home at St. Louis for the week end. As the Number 43 was leaving for the west at 6 p. m. he ran down the alleyway to the west of the station and was endeavoring to jump on board when he slipped and fell under the car. No one witnessed the accident and the train crew being ignorant of any mishap. Men across the street heard Mr. Gaudet cry out and found him sitting on the west end of the station platform with blood flowing from the sleeve of his heavy overcoat. Mr. Percy Bowness was called and immediately removed the injured man in his car to the Prince County Hospital. There it was found that Mr. Gaudet was suffering from severe shock, that his left arm was terribly crushed above the elbow and that amputation just below the shoulder was necessary. This was skillfully performed and the sufferer who fortunately was not otherwise injured was at a late hour last night reported to be resting comfortably.

Island's most gifted sons who was at all times faithful to his duty in the service of his country.

The deceased was well known and highly respected in the community in which he was born and lived during his entire lifetime. Being of an agreeable and sociable disposition and a kind neighbor and friend it may be said truthfully that he was never known to have an enemy. He was the last of the large and respected family of Donald McDonald, an early pioneer who settled in the flourishing settlement of Springfield upwards of ninety years ago. He leaves a sorrowful widow, seven sons and one daughter to mourn the loss of a kind husband and father. In the death of Mrs. Joseph Younker on the evening of Feb. 1st, North Winsloe and the community in general have lost another very highly respected resident. The late Mrs. Younker was in her 65th year. She had had a slight stroke of paralysis about two years ago, and this was followed by another and more serious one last fall. From this she never rallied and gradually grew weaker and more helpless till she passed quietly away on Friday evening last. She was a devoted wife and mother, a patient and untiring worker in the home, a kind and sympathetic friend and neighbor, loyal to her Christian convictions and in her interest in the religious life of the place. She was a consistent member of the Methodist, no w the United Church of North Wiltshire and impressed all those who visited her with her unwavering faith and kindly Christian spirit.

She is survived by her husband, who had been a great sufferer for many years, two sons, Bruce and Elmer Younker, and by one daughter Mrs. Henry Ford of Brackley Point Road. Mr. Albert J. Cudmore and Mr. John C. Cudmore of Winsloe are brothers and Mrs. Frederick Roberts of Charlottetown a sister of the deceased. A very large number attended the funeral services which were held from her late residence on Monday last to the North Winsloe cemetery. Rev. G. A. Grant and the choir of the church she attended conducted the services. Mr. Neil D. McLean, funeral director of Charlottetown, efficiently supervised all the arrangements. The pall bearers were four grand-children of the deceased, Everett, Vernon and Roy Ford, and Lionel Younker; and two of her nephews, Leonard and E. Milford Cudmore.

A life of more than average length and usefulness came to a close when Charles Rose of Lakeville passed peacefully to his eternal reward on the night of January 26th, 1929.

Mr. Rose had almost reached his 84th birthday and, although in feeble health, more because of accidental falls which he sustained on two different occasions, than from the infirmities of age, he was able to move around most of the time, till he contracted the "flu" and, as in the case of so many other elderly people, the attack proved fatal. A sad feature in his death was the absence of his wife who was called to the bedside of her brother, who was seriously ill with pneumonia. He retained his faculties to the end, and took a keen interest in everything that pertained to the community and the welfare of the country in general. A man who possessed a high sense of honour, his word was his bond, and though active and industrious, he always took time to entertain a friend, or a stranger. His hospitality was unbounded, with no thought of class or creed his home and generous board were open to all.

Mr. Rose was thrice married, first to Miss Martha Rose of East Baltic who died a year later. Afterwards he married Miss Eliza Robins of Morell. To this union was born two daughters and one son. The daughters are Ethel, Mrs. J. E. Dingwell, North Lake; Ruby, Mrs. Robert Currie of Green Bay and the son Frank C. of Lakeville. Mr. Rose' second wife died in 1896 and some years later he married Miss Fannie Currie who survives. The funeral service was conducted in the South Lake Church by the pastor, Rev. R. L. Morton who spoke words of hope and comfort to the large number who came to pay a last tribute of respect to the deceased friend and neighbor. Afterwards interment was made in the adjoining cemetery. The pall bearers were Geo. Rose, Joseph McEachern, Charles McEachern, William Fraser, R. D. McLaren and L. D. Rose.

—OUT AGAIN AFTER LONG ILLNESS—His numerous friends are pleased to see Mr. H. H. Muttart, of Messrs. Holman's Ltd., Summerside, able to be about again and looking almost his old self, after ten weeks spent in the Prince County Hospital. It is also a treat to hear the way Mr. Muttart speaks of the treatment he received in Prince County's banner institution. He describes the matron and nurses as ladies with the highest sense of duty, possessing a high efficiency in their professional duties and treating their patients with every kindness and consideration. He advises anyone in sickness to enter the Prince County Hospital with every confidence and leave all the rest to the doctors and staff. S

At the home of her daughter Agnes Mrs. J. Wallace Aitken, Lower Montague, on Dec. 26th, 1928, in the 83rd year of her age, Christina Harvey, wife of the late William Meggat, passed to her eternal reward. Mrs. Meggat, the youngest of a family of eight and the last survivor of same, was born in Dumfrieshire, Scotland, where she lived, marrying William Meggat in 1876, and emigrating to Prince Edward Island in 1888, settling in Lower Montague a few years afterwards on the Phillips farm, where her husband died after two years residence. Of the family of four children, Agnes, Mrs. J. Wallace Aitken, and Mary, Mrs. James Hewitt, both of Lower Montague survive, two sons dying in infancy. Mrs. Meggat was a life long member of the Presbyterian Church and by her exemplary life the practice of the highest ideals of Christianity, set a standard of life that was always the admiration of the older generation and a safe and worthy example for the younger generation to follow.

The funeral services were conducted in the United Church, Lower Montague by the Rev. J. C. Martin, whose very eloquent and appropriate discourse was much appreciated by his audience.

During the services the choir rendered the familar hymns, One Sweetly Solemn Thought, Abide With Me, and Forever with the Lord.

—DEATH OF FORMER ISLAND LADY.—The sad news has just been received by her brother, Mr. Samuel Caseley, of Kensington, of the death by blood poisoning of Mrs. George Kenney, (nee Barbara Caseley) of Tacoma, Washington, on January 8th at the age of 80 years after only five days illness. Mrs. Kenney was born in Kensington and her sudden death will be learned with regret by many old friends and acquaintances. The deceased left her native home many years ago, spending all her married life in the United States; but frequently visited her old home, her last visit being fifteen years ago. There are left to mourn one daughter and two sons all of Tacoma, also one brother, Mr. Samuel Caseley, of Kensington, who is the last of a very large family. Interment took place in the cemetery at Tacoma.—S.

OVER THE BIG ICE.—For the first time in history a motor car was driven by its own power over the Big Ice from Charlottetown to Belfast and back again. This was on the occasion of the funeral of the late Donald Nicholson of Charlottetown. The driver and owner of the car was Mr. N. D. MacLean, undertaker who was accompanied by Mrs. John MacLeod, daughter of the late Mr. Nicholson, and her husband, Mr. John MacLeod. Mrs. William MacLeod of Euston St., and Mr. Charles S. MacDonald of Wood Island. The return trip was entirely by ice from Halliday's wharf to the western end of Richmond St., through the harbor's mouth between Rocky Point and the opposite shore. The ice for the most part was in good condition, smooth and level except along the flats where it had been broken into ridges by tidal action.

A sad fatality occurred at Cable Head Saturday when Victor McLaren aged twenty, youngest son of Mr. and Mrs. Wm. McLaren, met death in a gunning accident. Mr. McLaren left his home about five o'clock whistling happily with his gun under his arm, to attend his fox traps in a nearby lot, remarking to his people that he would finish his chores when he returned. Another brother, who was also absent from home returned about 11:30 p. m. and when he discovered from his anxious parents that Victor had not returned immediately became alarmed. He quickly called for help and after much anxious searching with lanterns and flashlights they discovered the body about 3.30 a. m., life being extinct for sometime. It is thought that the young man while attending his traps, must have tripped over a hillock accidentally exploding his gun, as the bullet had entered his leg, completely severing the main artery causing almost instant death.

The community is deeply shocked over the sad affair as Mr. McLaren was one of its finest young men and the family have the sincere sympathy of their many friends. The funeral takes place on the arrival of his brother and sister from the States.

The congregation showed an increase in numbers from 750 for 1927 to 850 for 1928. All the departments of the Church's work reflected this increase, both in their numbers and in the work they performed. Reports were read from the Church School, C. G. I. T. with its three groups, Young Men's Guild which was organized last year, the W. M. S., the Young Women's Auxiliary, the Mission Band, the Baby Band, the Ladies Social Club, and the Session Fund The amounts of money given by the various organizations to Missions indicates an increasing interest in the general work of the Church. The United Church is primarily a missionary church. The W. M. S. raised $638.00, the Young Women's Auxiliary raised their allocation of $125, and also sent $90 direct for special work in Korea. There passed away at his home in Farmington, on January 15th., an esteemed inhabitant in the person of John Flynn, at the age of 77 years.

Although the deceased had been in impaired health for some years, it was not until a few days prior to his death that his condition became serious. But he bore his suffering with meekness and resignation. And when the final summons came, his soul, strengthened and fortified by the last Sacraments of the Catholic Church, went forth to meet its Maker.

The deceased was a man of sterling character and by his kind and genial manner endeared himself to many, possessing a large circle of friends who were pained to learn of his death and who will ever keep his memory sacred and untarnished as the "Shining Gems in the Crown of Glory."

Those left to mourn the loss of a devoted husband, a kind and loving father, are his grief stricken widow, (nee Mary Larkin), two daughters, and three sons, namely: Mary, Margaret and James R. of Roxbury, Mass. Richard in Ontario, and Justin at home, and one sister, Mrs. Wilson of Selkirk.

Mr. Morrison had a wide circle of friends in Summerside, having resided there for the last twenty years. He was a man of strong convictions, a staunch adherent of the Liberal Party and kept himself well informed on all the leading political discussions of the day. His intellect was keen even at the advanced age of 86 years, he having died within a few days of his 87th birthday. Mr. Morrison was a member of the United Church and very upright in all his dealings with his fellow men. He was a native of Eldon and removed when a young man to Carleton, where for many years he was one of the most progressive farmers. After quitting the sea he worked at the carpenter trade in the Western States, afterwards coming back to Massachusetts where he remained for a number of years.
