FOR SKIN DISEASES

A Treatment that Costs Nothing Unless it Provides Satisfactory Relief.

We have a grayish-white ointment with a pleasant odor that is clean to use, which we believe is the best known remedy for the relief of skin diseases.

We are so positive this ointment is unequalled that we offer it with the distinct understanding that if after having given it a reasonable trial, you are not satisfied with the results, you have only got to tell us and we will, without quibbling, return every cent paid for it.

We want you to try Rexall Eczema Ointment. The first application gives a refreshing sense of relief, and because of its germ destroying power, it eradicates the germ or parasite which causes eczema and many other eruptions.

The Department of Agriculture has arranged with C. M. MacRae of the Live Stock Branch, Ottawa, and Prof. Klink of the Macdonald College, St. Anne de Bellevue, to address institute meetings in this Province this summer. Mr. MacRae will begin work in the western end of the Island on June 12th and continue till July 20th. He will speak on sheep raising and on the hog industry. Mr. MacRae has been in the Province several times and needs no introduction to the farmers. Prof. Klink will hold classes in seed judging. He will begin in the eastern end of the Island about the end of June or the first of July and will continue until about the middle of the month. Prof. Klink was in this Province some years ago for a few meetings. He shares with Prof. Zavitz the honor of being the greatest authority on field crops in Canada and perhaps in America. He is an excellent teacher and his meetings should be well attended. Everyone, whether members of Institutes or not, are invited to be present.

E. Ira and Mrs. Purdy, City, will have the heartfelt sympathy of their many friends on the death of their little son Wallace Ira which sad event occurred at his home, Highland Avenue, on Saturday. The little chap had been ill for some time but death was not expected to take place so soon, in fact hopes for his recovery were entertained until the day of his death. He was only fourteen years of age and had been considered a strong and healthy chap, was very bright and intelligent for his years and a generous share of the parental affection was bestowed on him as their only son. This fact makes their loss the more keen to the father and mother, the former of whom is as present in Western Canada. Besides his parents, the deceased leaves three sisters, Ida, married in Dawson City, Bertha in Vancouver, and May, at home. The funeral took place yesterday afternoon from his late residence to the Peoples Cemetery and the following were pallbearers: Forest Stewart, Temple Stewart, Vernon Worth, Percy Worth, Walter Smith and Leroy Proctor. Services at the house and grave were conducted by Revs. H. E. Thomas and Z. L. Pash. The Guardian joins with the many friends of the deceased's family in extending sincere sympathy.
