—SCHOOL EXAMINATION.—The semi-annual examination was held in Fernwood school on the afternoon of Dec. 22nd 1915 with a goodly number of ratepayers and visitors present. The school was artistically decorated with evergreen and Christmas Bells. The pupils were thoroughly examined by their teacher Miss Ada Murphy. The prompt and correct answers of the pupils testify to the care with which they had been taught. The exercises were enlivened by recitations and singing of songs by the pupils. The pupils were treated to candy by the teacher and they presented her with a nice gift as a token of their respect for her. The ratepayers present expressed themselves as well pleased with the work being done in the school. The examination came to a close by singing God Save the King.

—SCHOOL EXAMINATION.—The semi-annual examination of Maple Leaf School was held on Dec. 22nd, 1915, with a good attendance of ratepayers and visitors. The school was tastefully decorated with evergreen, green and holly, and Christmas decorations. The teacher Miss Hazel Sherry was assisted by Misses Gavin, Noonan and Kilbride. The pupils showed by their ready answers that they had been carefully trained in the different branches. A carefully selected program of recitations, readings, recitations and dialogues was carried out between the classes. The teacher treated the visitors and pupils to candy. The pupils presented their teacher with an appropriate Christmas Gift. The ratepayers present expressed themselves as pleased with the progress being made in the school and complimented the teacher on her success and painstaking efforts. The proceedings were brought to a close by all singing God Save the King.

—A SUCCESSFUL EXAMINATION.—The semi-annual examination of Foxley River School, which was held on Dec. 20th, 1915, was a splendid success. The examination opened at 6.30 p. m., with a large attendance of ratepayers and visitors. The school was very appropriately decorated for the occasion. The pupils rendered very cleverly a delightful program of songs, dialogues and recitations and showed by their ready and intelligent answers that their teacher Miss Annie Gavin is deserving of the reputation she has won of being one of P. E. Island's leading teachers. The people of Foxley River are very fortunate in securing the services of such a capable and painstaking teacher as Miss Gavin. The teacher was assisted by Dr. McDougall of O'Leary and the Misses Noonan and Kilbride, Sherry and Monaghan. In one corner of the school was a well laden Christmas tree, from which Santa Claus, who appeared at the close of the exercise, distributed gifts to the delighted pupils. The visitors were treated to candy by the teacher. The pupils presented their teacher with a purse accompanied by the following address:—Dear Teacher, We the pupils of Foxley River School, desirous of expressing our gratitude for your painstaking efforts on our behalf, present you with this purse as a slight token of the regard in which we hold you. Since you have come among our labors have been faithful and energetic and deserving of much better appreciation than we are capable of giving. By your kindly rule and firm though cheerful discipline you have made our school life a pleasure rather than a burden and have guided our footsteps along the flowery path of knowledge. In conclusion we hope you may spend a pleasant holiday and we all join in wishing you a Merry Christmas and a Happy New Year. The proceedings were brought to a close by singing the National Anthem.

—CATARRHAL DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by Catarrh, which is an inflamed condition of the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All Drug stores, 75c. F. J. CHENEY & CO., Toledo, O.

LORD MONTAGU SAVED FROM THE PERSIA. LONDON, January 5.—The Peninsular and Oriental Steamship company has received a dispatch from Malta saying that eleven more survivors of the steamer Persia have been landed, including Lord Montagu. The management of the Peninsular and Oriental Steamship company say they have authorized no statement regarding a gun on board the steamer Persia. There is, however, no reason to doubt that the vessel carried one 4.7 inch gun astern for defensive purposes.
