WARTS ARE UNSIGHTLY.

If Mr. John Anderson chooses to make public, as he threatens to do, the good advice tendered him privately by the editor of THE GUARDIAN, we beg to remind him to be accurate. His letter to THE GUARDIAN, which he thanked us for not publishing, but which he claims to have published in yesterday's Examiner, contains many verbal changes, and there are omissions also of some entire sentences as compared with the copy which we have on file.
