FORTUNE'S FOOL

BY RAFAEL SABATINI

ILLUSTRATED BY RALPH WATKINS

RAFAEL SABATINI HAS RELEASED BY SEA BOTTLES HIS

Colonel Holles pushed away his platter, his appetite suddenly dead. He was in a trap, it seemed, and it had needed those words overheard by chance to make him realize it. To attempt flight was but to court discovery. True, it might be possible to obtain a certificate of health in a false name. But, on the other hand, it might not. There must be immediate antecedents if only to verify that he was clean of infection, and his inquisition must speedily bring to light any perversion or assumption of false identity.

And so he was on the horns of a dilemma. If he remained in London, sooner or later he would be run to earth by those who sought him, more relentlessly than ever now, after his man-handling of those messengers of the law last night. If he attempted to go, he delivered himself up to justice by the very act.

He determined, after much gloomy cogitation, to seek the protection of Albemarle in this desperate pass, and with that intent went forth. He persisted in it until he reached Charing Cross when a doubt assailed him. What if

Albemarle should refuse to take the risk of believing his innocency, considering the nature of the alleged offense? He finally determined that first he would make one last attempt to move the Duke of Buckingham.

CHAPTER XV
THE SHADOW OF THE GALLIES
HIS GRACE OF BUCKINGHAM had not accompanied the Court in its flight to Salisbury. His duties, indeed, recalled him to his lordly lieutenantcy in York. But he was as dead to the voice of duty as to that of caution. He was held fast in London, in the thrall of his passion for Miss Farquharson, and

Cocanut Oil Makes A Shampoo

Do not use prepared shampoos or anything else that contains too much free alkali, for this is very injurious, as it dries the scalp and makes the hair brittle.
The best thing to use is Mulstified cocconut oil shampoo, for it is pure and entirely greaseless. It is inexpensive and beats anything else all to pieces. You can get Mulstified at any drug store, and a few ounces will last the whole family for months.
Two or three teaspoonfuls of Mulstified is all that is required. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to manage. Besides it loosens and takes out every particle of dust, dirt and dandruff. Be sure your druggist gives you Mulstified. Beware of imitations. Look for the name Watkins on the package.

FRY'S PURE BREAKFAST COCOA
MANUFACTURED BY FRY & SONS, LTD. BRISTOL & MONTREAL

DR. Andrew Wilson, the eminent British authority, once said of the cocoa bean—"It is a kind of vegetable egg which contains all that is needed to build up a living body." Tea and coffee are mere infusions—but cocoa is an actual food in itself. Business men should remember that.

Cocoa, made the FRY way, from the world's choicest beans, is pure, extremely soluble and of most delicious flavour. Nearly two hundred years' knowledge of the cocoa business stands back of FRY'S. Of course, remember

The Verdict of a Capable, Unbiased Jury

Tire Repairmen who see tires at their worst give overwhelming endorsement of Goodyear Cords

NO man knows tires better than the tire repairman. He sees them at their worst. He hears them down—rips off the tread—examines the carcass. He talks about tires to tire users continually. He finds what service each tire has given. To 126 tire repairmen—from Halifax to Vancouver—we submitted this question:
"By what percentage do you think the mileage of Goodyear All-Weather Cords exceeds the mileage of the next best tire?"

80% Say Goodyear Cord Best Tire on Market
The average percentage by which Goodyear Cord Tires excel any other cord tires sold on the Canadian market is 25.81%, as given by exactly 100 of the 126 tire experts. Nineteen of the 126 say Goodyear Cords are equal to any other tire, and only 7 place any other tire ahead of the Goodyear Cord.
An overwhelming endorsement of Goodyear Tires by those who know.
