SHE GAMBLLED WITH LIFE... AND LAUGHED AT DEATH!

WINNER TAKE ALL

A grand mystery... with a brilliant cast in support, the picture opened a three day engagement at the Prince Edward Theatre last night.

The distinctive direction which Cukor demonstrated in his recent work on "Romeo and Juliet" has been equalled in "Camille." Added to this, the characterization of Marguerite affords Garbo the most perfect role of her striking career and Taylor, as Armand, the lover, is superb.

The brilliant cast includes Lionel Barrymore, Elizabeth Allen, Jessie Ralph, Henry Daniell, Lenora Ulric, Laura Hope Crews, Rex O'Malley, Russel Hardie and E. E. Olive, all of whom give performances of stellar calibre.

Garbo, as Dumas' immortal "Lady of the Camille," performs her finest role perhaps because she is so essentially lovely and mysterious that her own personality blends with that of the exotic Parisian woman who sacrificed luxury and even life itself for love.

An audience which taxed the Prince Edward Theatre to capacity last night gave eager demonstration of its hearty approval.

Scout News and Notices

A few lines about the Scout camp at Camp Orwell on Sunday the boys spent a very quiet day in camp. Service was held in the morning for the Roman Catholics by Father McCarville, and for the Protestants by the assistant leaders, Niall Burnett, Rupert McNeill and Percy Cameron.

In the evening a very touching Council Fire was held, and such old hymns as Rock of Ages, and Nearer My God to Thee were sung. Special selections were given by Doug Henderson, Niall Burnett, Rupert McNeill and Percy Cameron, singing The End of a Boy Scout Day, Oh Dad of Mine, Abide With Me, and Carry Me Back to Old Virginia.

Talks were given by the Camp Chief, and one by the Assistant Camp Chief Niall Burnett, on the courage and patience of Glen Cunningham in his fight to become the best mile runner in the world. Another talk on the Good Turn, its origin, why we have it in Scouting, and also on courtesy in Scouting, especially to be shown to the Camp Chief during the Council Fire, was given by the supervisor, Doug Henderson.

At present the boys are working toward the climax of their camp, Field Day, during which such events as signalling, first aid, tower building, racing, swimming and other Scout activities will be featured. We are asking you to note the date, Wednesday, July 21st, starting at two o'clock. All interested are asked to attend and see the Scouts at work and play. Also on Field Day there will be a special Council Fire, which will be worth seeing. So plan to stay for the evening.

The boys seem very happy down there, working and playing together. Many badges are being passed and the camp routine is running smoothly, although the Quartermaster seems to have a hard time in feeding them.

Hoping to see all the parents and any others who are interested in the Scout camp, on Wednesday, July 21st.

ROTARY

"Canadian Foreign Policy" was the subject of an interesting address given by E. Benjamin Rogers, M.A., at the Rotary luncheon yesterday afternoon. Mr. Rogers, who is a graduate of Dalhousie University and received his M.A. degree from London University, is at present assisting Prof. McKay, of Dalhousie in preparing a book on Canadian Foreign Policy.

He stated that the foreign policy of the present Canadian Government is rooted in the past. It doesn't change with governments, and it has been evolved slowly. The seven principles are:

1. It must be controlled and formulated by Canada, in the interests and welfare of the whole Canadian people.
2. Freedom of action. There cannot be any commitments in advance to participate in any kind of war. This is in accord with Sir Wilfrid Laurier's statement in 1900: "Whist! I cannot say that Canada should take part in all the wars of Great Britain, neither am I prepared to say that she should not take part in any war at all. I am prepared to look upon each case upon its merits as it arises. I claim for Canada that in the future Canada shall be at liberty to act or not to act, to interfere or not to interfere, to do just as she pleases, and that she shall reserve to herself the right to judge whether or not there is cause for her to act."
3. Friendly relations with the United States must be maintained. Canada has hesitated to apply military sanctions, as it might imperil relations with the United States. At the same time, we do not want to be in a position of having to choose between that country and Great Britain.
4. A desire to maintain British connection. This is the desire of the great majority of the people in Canada, based partly on sentiment, partly on material advantages, such as our preferential position in the British market.
5. We should retain our membership in the League of Nations so long as the obligations are not too strict.
6. Canada assumes full responsibility for local defence. At the same time, she feels she should take advantage of her peculiar geographical and political situation.
7. The commercial policy, Mr. King feels that one of the best contributions that Canada can make to world peace is to facilitate international trade.

The present policy, is less likely than any other to arouse opposition of a considerable section of the Canadian people.

It may be that some time in the future, Canada will have to decide in a moment of crisis whether or not she will participate actively in war and that issue will split the country. A positive policy offers some guidance to the Government.

Mystery Hit At Capitol

A capacity audience at the Capitol Theatre yesterday expressed enthusiastic approval of the picture, "Smiler Take All," a new and thrilling mystery story.

With Brian Cabot, Margaret Lindsay and Joseph Calleia in the leading roles, the story is a dramatic account of murder and mystery in Manhattan. The supporting cast include Stanley Ridges, Vivienne Osborne, Ingeborg von Eltz, George Zucco, Raymond Hatton, George Lynn, Edward Pawley, Louis Natheaux, and Robert Emmet O'Connor.

The story deals with a millionaire newspaper publisher whose life is threatened by a mysterious murderer who also promises to murder the entire family. Before the publisher can act to protect himself and his loved ones, he and two sons are killed under mysterious circumstances. It is then that a former reporter, now a lawyer, returns to his old profession to solve the murder and apprehend the criminal, also to save the life of the publisher's daughter with whom he is in love.

The method of his operations and the adventures he encounters go to provide one of the most intriguing screen stories of its kind that has been filmed.

Economic Phase Of Disarmament

When economic disarmament is quite as essential to peace as military disarmament, says Dr. Charles G. Dawkins, professor of political science at Bryn Mawr.

A later distinction of the world's resources, a lowering of the barriers to commerce and trade and an open-door policy in the markets of the world, "is what the doctor means by economic disarmament."

"The frame of the Covenant of the League of Nations," he said, "put too much stress upon the prevention of violence, upon a maintenance of territorial boundaries and the existing status quo. They did not sufficiently realize that they must give equal attention to removing the causes of war."

GENERAL CONDITIONS (ALL RACES MILE HEATS)

The Charlottetown Race Track is now one of the fastest, best laid out and cared for tracks, and surely the most beautifully situated of any in the Maritime Provinces. A great deal of effort will be made to keep it in apple pie order, all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.

Horsemen (providing they are racing exclusively at our meeting) by wiring at our expense notifying us of their arrival will be met at the train and their baggage transferred to the ground without cost to them, also taken away without cost to them. Every effort will be made to make the horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on three heat plan: 10% of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat. In the event of there being three heat winners they shall have a fourth heat to determine the winner.

All purses divided 50, 25, 15 and 10. Entry fee 5%. Five per cent of the money raced for each heat will be deducted from the first and second horses; 3% will be deducted from the third horse and 2% from the fourth horse. Entrance fees and deductions do not apply to Futurities.

Six horses to enter and four to start.

Right reserved to change program, reject any entry, or if entry appears to lay over field to the extent that there is not, in the opinion of the management, sufficient competition, then the said entry may be transferred to a faster class or entry fee refunded, but any driver and to declare race off on account of bad weather, or failing to obtain satisfactory number of entries or starters to trans-

fer horses to another class to which they are eligible, or open or substitute another without advertising, or alter or extend racing dates.

Additional entries of an individual ownership may be made in any class by the payment of 1% on closing date, but entries of separate ownership, although in the same stable must pay installment in full.

Two entries of the same ownership may start in the same race, providing the full 5% is paid on each starter, the drivers having the approval of the judges.

All horses with names of drivers must be declared by 11 o'clock a.m. the day prior to the race, when positions will be drawn to enable us to print score cards with actual starters.

Eligibility based on N. T. A. money winning classification.

The Exhibition Association assumes no responsibility for any accident or damage to any person or property during this meeting, and this understanding is part of this contract.

Hay, Straw and Stabling Free.

N. T. A. rules to govern, except where they conflict with these conditions. Be sure and bring your eligibility certificates.

THE OFFICIALS

The officials will be selected for their experience and reliability and will be instructed to carry out the rules fairly and fairly to all. All purse money will be paid immediately after the races and horsemen are asked to get same from Secretary before leaving.

PRESENTATION OF PRIZE MONEY

Friday evening the President will award special ribbons, prizes, to the winning owners, drivers, and caretakers.

Entries Close August 2nd. Horses eligible as on July 15th. Earnings or records made after that date will not affect classes or conditions.

EXHIBITION RACE CLASSES

For PROVINCIAL EXHIBITION

AUGUST 17th. to 20th.

With the publication of its race program by the Provincial Exhibition today interest will soon be centering on the great racing events which will be held the week of August 16th to 20th. For years Maritime horsemen—and in fact those farther afield—have looked forward to the Charlottetown races as one of the bright test meets in the entire racing firmament.

Here a fast track, beautiful sun, outings, a glad hand from the management, good treatment, purses paid at the wire four days racing with classes that fit any horse is assured.

This year there has been a few changes made in the program such as the introduction of the Two, Three and Four-Year-Old Futurities, open to colts entered in these events. Interest has been steadily growing in these juvenile racing affairs which have entries from all over the Maritime Provinces, although known as the Prince Edward Island Futurities. It is felt that in staging them at the Provincial Exhibition a great many more people will have an opportunity to look at the colts and become interested in colt raising which is now so popular in the United States and Europe. The other classes have been planned so as to bring the best available racing talent together. They have been changed but slightly from last year when the contests were voted among the best of all time.

A notable feature this year is the donation of a beautiful sterling Silver Trophy by the Macdonald Tobacco Company of Montreal, known as the British Consols Trophy, to be presented to the driver who scores the most points during the four days racing. A cut appears elsewhere on this page. This gift from the popular Tobacco Company is much appreciated and everywhere among horsemen spoken of with interest. It will no doubt be the means of further increasing the rivalry among the great teamsters who will attend the meet in mid-August.

Special prizes for owners, drivers and grooms will be continued as usual, with the \$50 for breaking the track record both trotting and pacing.

R. M. Webber, of Milltown, N.B., who was engaged at the conclusion of last year's races, will again act as starter and a capable stand of officials will judge and time the events.

The track, which is even now in excellent condition, will be further improved so as to make it faster than ever in its history. All horses must be declared in at eleven o'clock on the day prior to the race. This will permit the management to have score cards printed with the actual starters and thus prevent confusion due to a number of horses being on the score card which have been drawn.

In addition to the race program of the four days, August 17th to 20th, a magnificent line of Vaudeville and other entertainment has been secured. Here are the race events:
