To the Electors of Ward One:

LADIES AND GENTLEMEN:—

At the solicitation of a largely representative delegation of voters of the Ward, I have consented to their request and offer myself as a candidate for Councillor at the forthcoming civic election.

I am of the belief, with the great majority of the Ward that the Councilman-elect should be a resident of the Ward he represents and thereby in touch with its requirements.

I am for economy in the various civic departments, whilst not neglecting civic improvements, but am opposed to any innovation that will unnecessarily increase the taxes of citizens without first consulting my supporters.

I am in favor of cheaper water and more light along the approaches to the city which I claim has been neglected in the past, and that some of the taxes collected in the Ward be spent therein; also of better protection.

Ladies and gentlemen electors, I may say the time is too short to call on you all personally, so I take this means of soliciting your support; and if you do me the honor of electing me to the Council, I will endeavor to serve the best interests of the Ward and City.

I remain, ladies and gentlemen, Yours truly, P. A. SMITH, Charlottetown, Jan. 28, 1914. 4174-1-27M1.

FOR SCOTT ACT

(Canadian Press.) TORONTO, Jan. 28.—In the counties of Huron, Peel and Welland the Scott Act is to be voted on tomorrow.

It was formerly in force in 26 counties but was repealed as not successful. It is now contended that the difficulties of former times have been removed and the public sentiment against the Home Traffic is much stronger.

NO DEMURRAGE

(Canadian Press.) WASHINGTON, Jan. 27—Great manufacturing concerns having so called industrial railroads connecting their plants with their trunk lines may no longer receive demurrage or per diem, and various allowances according to the interstate commerce commission today.

It is held that such practices are nothing more than unlawful rebates which accrue to the benefit of the industries themselves and give them undue, unlawful and unreasonable advantages over their competitors. The decision means millions.

(Canadian Press.) LONDON, Jan. 28.—The North Atlantic rate war is now in full swing and promises to be a fight to the finish. Rates are tumbling all around and on Feb. 7, Hamburg-American will cut the steerage rate to New York to \$35 and to other ports \$22.50.

North German Lloyds will meet this and every other cut of the Hamburg-American may make. The British lines are now coming in and Cunard, White Star, C. P. R. and Allan and probably Donaldson's and Royal will reduce their westbound rates by \$2.50 and eastbound \$5.00.

The prices of shares of the Cunard and White Star Companies on Liverpool market have already fallen because of cutting.

To the Civic Electors of Ward 5:

LADIES AND GENTLEMEN:—

At the request of a large delegation I have consented to nominate as the Civic Electors are by ballots I hold in unnecessary to make a personal canvass, but as I stated at the meeting my endeavours will be to have a thorough inspection of all meats and milk, and also to have a reduction of the water rates especially for domestic purposes, as the finances of the City are in a healthy condition, I deem this an opportune time for a reduction in our water rates. I am also in favor of encouraging industries and everything pertaining to the welfare of the City and if elected my best endeavours will be to carry out the above.

Yours Respectfully, GEO. WHEATLEY, Ward 5 Central, 4149-1-26Mtd.
