The Mystery is Easily Solved.

When some women see their friends on the streets well and stylishly dressed, it quickly sets them thinking how Mrs. Jones, Mrs. Green or Mrs. Brown can appear so often with new dresses or costumes, while they, with quite as large an income, can only afford two new dresses each year.

The seeming mystery is easily solved. Mrs. Jones, Mrs. Green and Mrs. Brown know how to make the best of life. They dress better than the majority of women in their station of society and save money besides, because they use the Diamond Dyes from year to year. When their dresses become faded or unsightly looking for street or church wear, they simply re-color them with Diamond Dyes at an expense of from ten to twenty cents.

This kind of neat and stylish dressing is to be commended; it is true economy, and women should not think their friends extravagant in change of dresses till they get at the facts of the case. Women with small incomes can, if they use Diamond Dyes, dress well at all times at small cost. Diamond Dyes are blessings to thrifty and smart women.

THE snow plow has taken the place of the watering cart and from the beginning it made yesterday morning its sins of omission, like those of its predecessor, are likely to be more conspicuous than its sins of commission. It is said the sidewalks of one or two streets were partially cleared off. Central street—probably the most travelled of all our streets—was omitted. So also were all the streets leading to the east side of the town. Some citizens who complained of neglect last winter have announced their intention of this season protesting early and often against any injustice or favoritism along these lines.

TO TURN IN BED CAUSED AGONY

Bad Case of Backache and Urinary Trouble Cured by Doan's Kidney Pills

The kidneys cannot talk, and the only way they have of letting us know they are sick is by making our backs ache. If it is only a little ache, the kidneys are only a little sick. If it is a big, peace destroying, nerve-racking ache, the kidneys are more than a little sick. In every case it must be attended to at once.

Doan's Kidney Pills act directly on the kidneys, make them strong and healthy, and stop aching backs in every case. Here is a sample case: Mr B. H. DeGroat, 76 Alfred Street, Brantford, Ont., says: "For more than a year I have had severe pains accross my back and between my shoulders. The pain and soreness was so great that even the act of turning in bed caused me great agony.

"The urine was very dark-colored, I could not sleep well and had disagreeable headache almost all the time. I felt weak, run-down and spiritless, and was daily getting worse. I have taken Doan's Kidney Pills, and am thankful to say that the result has been most surprising. The first two doses seemed to increase the pain in my back, but thereafter improvement was steady and rapid. Now I have no pain in the back or neuralgia trouble. The urine is clear and natural. I sleep well, am stronger, and the tired, wornout feeling is all gone. To-day I am a well man, thanks to taking this most effectual remedy. They did me so much good that I got a box of pills for a dear friend of mine who was troubled in the same manner that I was before taking Doan's Kidney Pills, and I have every faith they will do the same in this case as in mine—make a complete cure!

Doan's Kidney Pills are sold by all dealers at 50c a box, or three boxes for $1.25 or sent by mail on receipt of price The Doan Kidney Pill Co., Toronto, Ont

SHEDSKIN 20 TIMES

My little boy broke out with an itching rash. I tried three doctors and medical college but he kept getting worse. *There was not one square inch of skin on his whole body unaffected.* He was one mass of sores, and the stench was frightful. In removing the bandages they would take the skin with them, and the poor child's screams were heart-breaking. After the second application of CUTICURA (ointment) *I saw signs of improvement*, and the sores to dry up. His skin peeled off twenty times, but now *he is entirely cured.*

Catarrh Can be Cured.

By eradicating from the blood the scrofulous taints which cause it. Hood's Sarsaparilla cures catarrh, promptly and permanently, because it strikes at the root of the trouble.

The rich, pure blood which it makes, circulating through the delicate passages of the mucous membrane, soothes and rebuilds the tissues, giving them a tendency to health instead of disease, and ultimately curing the affection.

At the same time Hood's Sarsaparilla strengthens, invigorates and energizes the whole system and makes the debilitated victim of catarrh feel that new life has been imparted.

Do not dally with snuffs, inhalants or other local applications, but take Hood's Sarsaparilla and cure catarrh absolutely and surely by removing the causes which produce it.
