THIS beautiful warm weather together with the great amount of moisture stored in the soil is making the hearts of the farmers glad. Growth of all crops during the last week has been very rapid and so far we do not hear of any damage from the cut worms that caused so much loss last season.—Cor.

Mr. GILLAN for a Montreal firm is buying live hogs from the farmers and intends making a shipment to Montreal from Hunter River about the first of July. This is a new market opening to the farmers for live hogs and will give them a chance to get clear of their stock in the warm weather when the packers can't handle them.

On Thursday evening June 8th. in the First United Presbyterian Church, Boston in the presence of a few friends, Margaret Beaton and William MacKinnon were married by the Rev. A. K. MacLennan. Mr. and Mrs. MacKinnon formerly belonged to Prince Edward Island and have the best wishes of their many friends in Boston.

BEFORE the altar of the First Methodist church which was banked with snow ball blossoms and under an arch of daisies and ferns, Miss Janie Almira Millner was married Wednesday evening, June 7th to Hugh John Gordon, North Sydney, C. B. Rev. Geo. Skene officiated. The bridal procession entered the church to the "Lohengrin" wedding march played by the organist. First came the flower girl little Ruth Millner, the eight year old sister of the bride who was dainty in white muslin. She carried a basket of roses and sweet peas. The ushers who came next were A. C. Williams, Boston; Horace T. Muzzey, George A. Wood and George I. Canfield all of Summersville. There were eight bridesmaids, all members of the bride's Sunday School class. They were attired in white muslin and shower bouquets of pink sweet peas were fastened from the shoulder. The maid of honor Miss Claire Millner wore white muslin with bouquet white sweet peas. The bride's gown was of white Swiss muslin with lace trimmings and veil. She carried a snower bouquet of lilies of the valley. At the altar they were met by the groom and best man, James Montgomery, of Boston, a cousin of the groom. The bride was given away by her father Samuel W. Millner. As the large bridal party was grouped before the beautiful display of flowers a charming scene was presented. Each pew was ornamented with daisies the whole effect being that of a "white flower" wedding. From 8.30 to 10 o'clock a reception was held at the home of the bride's parents. Daisies and snowballs with greenery were used for the house decorations. Mr. and Mrs. Gordon left on a wedding trip to Montreal and will reside in North Sydney.—Somerville Journal. (The bride Miss Millner is a niece of Mrs. B. C. Prowse, city and her parents formerly resided here. Mr. Gordon, the groom, is a native of Alberton, and was in the bank of N. S. here for a number of years.)

THE weekly crop report issued by the Canadian Pacific Railway, indicates that throughout the wheat belt traversed by the railway, and branches, conditions continue as favorable as during the past month. Wheat is growing with record thruply. Saskatchewan reports wheat 24 inches high, and a number of points in the West say 20 inches. The average is much less. A large number of agents report a growth of 9 to 10 inches. The C. P. R. estimates the wheat yield of Canada at one hundred and twenty five million bushels.

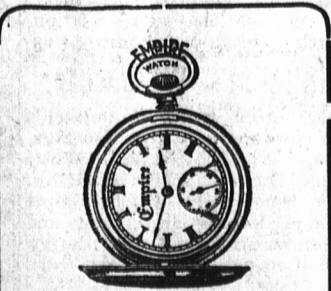

THE time for holding the annual school meetings is getting near and every rate payer in the different districts ought to be sure to attend and see that plenty of money is voted to make the schools what they ought to be. Every district should have their school lot cleared up and made as beautiful as possible with shade trees, flower beds and school gardens, so as to bring the children in close touch with nature during their school days. The children should have a chance to study nature at first hand as well as in text books. These newer and more interesting and useful ideas in education are rapidly coming to the front all over the civilized world and P. E. Island should keep right up with the pace. It would be pleasing to hear of the question of consolidation of the country schools being discussed at the coming annual meeting.
