Mrs. Creelman McArthur

Citizens of Summerside were shocked and deeply grieved yesterday morning to learn that Mrs. Creelman McArthur had passed away that morning at five o'clock in the Civic Hospital at Ottawa.

According to a telegram received by her sister, Mrs. M. F. Schurman of Summerside yesterday morning, Mrs. McArthur had been taken ill with the flu on Sunday. She was taken to the Civic hospital on Tuesday evening and took a turn for the worse at three o'clock Wednesday morning and passed peacefully away two hours later.

Senator Creelman McArthur and his two daughters, Miss Constance and Miss Mollie, left on Wednesday with the remains and will arrive in Summerside on the late train tonight.

Mrs. McArthur with her two daughters left on May 2nd for Ottawa for the closing session of the House and was in perfect health and spirits, looking forward to the pleasant social activities at Ottawa. Her sudden and untimely death at the comparatively early age of 57 when in the midst of life is a distinct shock to her family and many friends both on the Island and at Ottawa.

Mrs. Hannah Lois McArthur was born in Summerside and was the daughter of the late Mr. and Mrs. Thomas Beattie of Summerside. For many years she taught at the Summerside High School. Except for visits made to other parts of Canada, United States and Europe, she lived her life in her home town where she was very highly esteemed.

She was a woman of charming personality and was a delightful hostess. The many social functions given by her at Ottawa as wife of a member of the Upper House were always looked forward to with pleasure by all.

In her duties as hostess she met many notable personages and made many lasting friendships.

In Summerside she was always willing to help in every good cause. She was a member of the Christian Church and prominent in the different societies in connection with church work. She was prominent in the work of the Daughters of the Empire and was Regent of the Summerside branch a few years ago. She also was a member of the Ladies Aid of the Prince County Hospital and furnished a room at her own expense.

She will be very much missed by a wide circle of friends throughout the Island. The deepest sympathy is extended to Senator McArthur and his family in their sudden bereavement. There are left to mourn besides her husband, four daughters, Mrs. G. R. Pope of Summerside; Mrs. Benj. Rogers, (Jr.) of Charlottetown and Miss Constance and Miss Mollie at home; also three grandchildren, Master George and Miss Mary Pope, and Miss Valorie Rogers; also two sisters, Mrs. M. F. Schurman of Summerside, and Miss Grace Beattie of Sommerville, Mass.; and one brother, John K. Beattie fo Sommerville.

The funeral will be held from her late residence on Spring Street, Summerside, on Saturday at 2 p.m.

Shocking Conditions Revealed In Report Of Sanitary Officers

Need Of Civic Action In Closing Unsanitary Dwellings Stressed By Chief Health Officer.

Unsanitary conditions of a shocking nature were revealed in the report of an inspection of houses by Dr. Keeping and Officer Bradley, read at the last regular meeting of the City Council by Chief Health Officer, Dr. Creelman.

In the report, which is being investigated by a committee of the City Council, reference is first made to a row of tenaments on Rochford Street, for which rentals of from $8 to $10 are charged. "All these tenaments," says the report, "are in a disgraceful condition." None have connection with the city sewer. They have outdoor toilets for washing purposes and a common backyard described as "most filthy." The tenaments are described as being "alive with bedbugs," the cellar under the building being just a hole in the ground, unwalled and frequently containing water." "This building," the inspectors report, "is not fit to house human beings and should be condemned and taken down."

A tenament on Grafton street, housing two families, is also declared to be unfit for habitation. Each side contains two small rooms, with no sewerage; "floor level below ground surface; toilet disgraceful outside; cellar cannot be used; just rafters upstairs; very dirty."

A house on Cumberland Street is described as containing "one wretched room downstairs and one as bad upstairs connected by ladder." The house has neither toilet nor water; "slops thrown out on the street; very dirty and unsanitary. Rental $4. per month. No cellar of any kind."

An adjoining tenament is described as having "filthy outside toilet, doubly full." Inside the rooms were found to be "full of bedbugs." As this house was in fair condition outside the inspectors recommended sewerage connection and a general cleanup.

A slaughter house on Hillsboro Street was described as being "most urisanitary," hogs, hens and at times cattle, being kept under one roof. It is recommended that the premises should be frequently visited and pressure brought to bear on the occupier to better the conditions. Dr. Keeping adds to this report his opinion that no hogs should be allowed to be kept in the city, especially during the summer months when flies are prevalent.

The above references are to an inspection made on March 24 last. A subsequent inspection of houses was made by the same officials on April 20, the first mentioned in the report being a five tenament building for which rentals of from $6 to $7 were charged for each tenant.

The house is described as being in "a deplorable condition, plaster down, paper hanging from walls, alive with bedbugs, generally filthy throughout." The house has a common backyard for all "which is filthy." The toilets were found to be "filled to overflowing and most unsanitary." The inspectors suggest that this building should be closed and the owner forced to make improvements.

A four tenament house on King Street is described as having leaking roof, no sinks or sewerage, with common backyard "dirty with ashes, cans, etc.," and some toilets needing emptying.

Another house on King Street, unoccupied and in a dilapidated condition, the inspectors were informed would shortly be torn down.

Dr. Creelman accompanied the reading of the report, (of which the above is an outline with names and specific addresses omitted), with strong protest at the danger of these conditions from a public health standpoint. He emphasized the need of the City taking action.

A school teacher tells of a little boy whose coat was so hard to unfasten that she went to his assistance. As she tugged at the hook she asked—"Did your mother hook the coat for you?"

"No," was the astonishing reply, "she bought it."

CAR FERRY SOON READY — Captain John Read, master of the Canadian National railways car ferry "Charlottetown", operating between Cape Tormentine and Borden, P. E. I., passed through the city on the Maritime Express Tuesday morning. Captain Read was returning to Cape Tormentine after having taken the Charlottetown to the shipyards of her builders at Lauzon, Quebec, for the annual spring re-conditioning. The ferry would be back in the service again about the last of this month, he said, and in the meantime the old car ferry, the Prince Edward Island is maintaining the service between Prince Edward Island and the mainland. — Moncton Transcript.

PERSONALS

Mr. G. C. Oland, St. John, arrived in the city last night and is registered at the Canadian National Hotel.

Mr. H. R. McDonald, Watertown, Mass., arrived last evening on a visit to his brother, Mr. A. A. McDonald, Upper Hillsboro St.

Mrs. P. A. White (Florence) of Needham, Mass., is visiting her parents, Mr. and Mrs. W. H. Townshend, Longworth Ave.

Those things in our life which seem mechanical, indifferent, or contemptible, depend for their perfection upon the acknowledgement of the sacred principles of faith, truth, and obedience.

Virtue of mind as well as strength of body, is to be acquired by exercise and habit.

Wolves resembles dogs; flatters resemble friends; but the conduct of each is exactly opposite.

C.M.B.A. Honors Rev. Joseph D. McNeill

The officers and members of Branch 215 of the C. M. B. A., gave a reception on Tuesday evening in their hall in honour of their fellow member, Bro. Rev. Joseph Douglas McNeill, who was ordained to the Holy Priesthood on Sunday last at the parish church, by His Excellency Rt. Rev. Joseph A. O'Sullivan, Bishop of Charlottetown.

Rev. Father McNeill is the first member of the branch to be elevated to the Priesthood.

The president, Mr. Urban Gillis, ocupied the chair. Besides the guest of honour there were present his parents, Mr. and Mrs. W. B. McNeill and members of his family; Grand Deputy M. F. Smith of Kinkora; Rev. Theodore Gallant of Mont Carmel; Rev. Dr. G. J. McLellan; Rev. Bennett McDonald and Hon. Adrian F. Arsenault, M. P. P.

A short musical programme preceded the address and presentations to the young priest, and opened with O Canada, vocal solo, Bro. Philip Gallant; Organ selections by Rev. Theodore Gallant, encored; "Allouette, Gentil Allouette," by chorus of young men; French Song by Bros. Philip Gallant and Joseph Gallant.

Address and Presentation

The Provincial Grand Deputy of the Order, Rev. M. J. Smith, D. D., then read an address to the young priest in which were embodied the congratulations, not only of the Summerside members, but of the other branches throughout the Dominion, on the high honour which had just been bestowed upon their fellow member. Rev. Father McNeill was then presented with an appropriate gift as a remembrance of the happy event. The president then presented him with a cheque as an ordination gift from F. J. Curran, Grand President, and the Grand Trustees. In presenting it Mr. Gillis said that this occasion was a Red Letter day in the C. M. B. A., as the vocation which our brother has chosen is the highest service that one can give and the members of the Order are proud that they have given one of their members to the Catholic priesthood.

Rev. J. D. McNeill in his reply expressed his sincere thanks to the officers and members for their appreciative remarks. He was proud to belong to the Order and sincerely hoped that it would continue to flourish in the future as it has done in the past. He hoped that with God's help he would be a credit to the Church and to his home parish. His remarks were received with applause.

Rev. Dr. McLellan welcomed the young priest and said, he was assured that he would be a great success in his chosen calling, as he had heard nothing but praise on all sides in regard to him. He will be an honour to the Brotherhood to which he belongs and to his Church. It is also an honour that he should be the first member from this branch to be elevated to the Holy Priesthood and he felt sure that this was only a beginning and that there were others who would follow his example. He congratulated the parents on having given their son the opportunity of being fitted for this high office and encouraged other parents to let nothing hinder their sons and daughters should they have the desire and ambition to answer the call of God, and thus make their life worth while. He concluded by saying he was proud to belong to the C. M. B. A. and trusted that it would continue to flourish.

Rev. Father Smith, Grand Deputy congratulated the young priest on behalf of the Grand President of the C. M. B. A. of Canada, F. J. Curran, who expressed himself as well pleased with the Summerside branch, which had always been a banner branch. He expressed the wish that other young members would follow the example of Father McNeill. Rev. Theodore Gallant added his congratulations and said that the young priest had shown great promise from his youth.

Hon A. F. Arsenault also congratulated Father McNeill and his parents on the signal honour which they have conferred upon Summerside and he was sure all the members of the local branch of the C. M. B. A. are proud of Rev. Father McNeil.. He referred to the service the young priest had given to his home church as instructor to the altar boys who loved and respected him at all times. He hoped that he would enjoy good health so that he could devote his whole life to his noble calling.

Other speakers to offer congratulations were: Messrs Edward Gillis and Fidele Perry, officers of the local branch. Refreshments and a pleasant social time brought the notable occasion to a close.—S
