60 Years

We thoroughly believe in our remedies. We want you to believe in them, too. Suppose you let your doctor decide.

Sixty years of experience with Ayer's Cherry Pectoral make us have great confidence in it for coughs, colds on the chest, bronchitis, hoarseness, weak throats, weak lungs. Ask your doctor to tell you his experience with it. If satisfactory, then you will certainly have every confidence in it.

Say "Stanley's Underwear"

It is really surprising many otherwise shrewd and careful people treat the matter of their undervear with indifference—yet it is a matter bearing seriously on their physical comfort—on their health possibly indeed, on their life.

We earnestly recommend this little message to all who realize that, after all, health and comfort are no mean companions, and we wish to prove also, that when underwear is to be selected there is no quicker, safer, surer way to obtain the utmost value than to go to "Stanley's".

From a sanitary standpoint, we have decided to allow no underwear to go out on approbation to be tried on.
