

In the Kitchen

A great help in Cooking

One of the most remarkable features of OXO CUBES is the economy they effect in cooking. They are an excellent substitute for meat in soups and savouries. They prevent waste and oddments can be served in many appetising ways by their use.

Then contrast the old-fashioned cumbersome way of cooking with the quick, convenient OXO CUBE way. Think of the time saved—the material saved—the fuel saved—and then reckon up that in dollars and cents. But that is not all. OXO increases nutrition—it makes every dish more wholesome and digestible.

10 cent and 25 cent Tins.

TUESDAY

Die at Charlottetown on March 25th Neil MacLean aged 45 years, leaving a wife and two daughters, Ethel and Anne of South Boston, Mass.; also the following brothers and sisters namely: Duncan in Nome, Alaska; Richard Tanton in Belgium; Mrs. Angus Livingstone, Churchill; and Mrs. Belle Stewart, New York. U. S. papers please copy.

NOT A DEAD 'UN.—A man apparently under the influence of liquor fell out of a carriage near the corner of Euston and Pownall Street on Saturday evening and seemed to be badly hurt about the head. The ambulance was summoned and the injured one with the aid of several bystanders was lifted into it. Then it suddenly seemed to dawn upon him that a ghastly mistake was being made by someone—that he had been taken for a dead man and was being put into a hearse. With a shout of "Let me out! You're not going to bury me alive," he scrambled out of the ambulance and beat a hasty retreat beyond the reach of the supposed burying party.

THE BANK AT GEORGETOWN.—The work on the interior of the Canadian Bank of Commerce in Georgetown is rapidly nearing completion, under the competent and efficient management of Mr. Richard Kehoe assisted by Mr. Jenkins. The safe has already been installed and the accountant and teller's cages erected and it only needs the completion of the manager's office to make it ready for opening. Needless to say it promises to be a splendid piece of work and the carpenters are to be congratulated on their efficient workmanship. The Bank is an institution that has long been needed in the Eastern Capital, and the citizens are eagerly looking forward to the time when it will commence work. We're sure that this institution will meet with the success it deserves. G.

The Guardian records with sincere sorrow the death of Mr. George Godkin, Collector of Customs at Summerside, which occurred about 10:30 last night after an illness of a few weeks, at the age of 57. The late Mr. Godkin was one of Summerside's best known and most respected citizens, and his death leaves a blank which will not soon be filled. He had been Collector of Customs for the Port of Summerside for about twelve years, and his courteous and kindly manner endeared him to all with whom he did business. He represented the Fifth District of Prince in the Provincial Legislature from 1893 till 1905 and was for a number of years a member of the Arthur Peters Ministry. He leaves to mourn his wife formerly Miss Sadie Brown, also one brother, John in Charlottetown and three sisters, Mrs. Pickard, Charlottetown, Mrs. Silver and Mrs. Wilson in the United States to all of whom the Guardian tenderers heartfelt sympathy.

WEDDING BELLS.—A very pretty but quiet wedding took place at the Manse, Cape Traverse on Wednesday evening April 9th at eight o'clock when Florence Annie Bell, one of Albany's fairest young ladies, was united in wedlock to John Roy MacDonall of the same place. After the ceremony which was performed by the Rev. James MacDonnell, Minister of the Church of Scotland, the young couple drove to the home of the bride's parents Mr. and Mrs. Archibald Bell, where a bountiful wedding supper awaited them. Soon the sound of horns was heard in the distance and a large but well behaved crowd of serenaders gathered around, but after being treated they soon dispersed to their several homes after giving three rousing cheers for the bride and groom. Mr. and Mrs. MacDonall received many useful and beautiful gifts which showed the high esteem in which the young couple are held in the community.

At her home in Newton on April 11th there departed this life at the ripe age of 80 years, one of the oldest and most respected citizens of the community in the person of Mrs. James Duffy. She was the daughter of Mr. and Mrs. James Gruhan who emigrated from Ireland in the year 1849 and settled down in Newton, P. E. I. Her husband Mr. James Duffy predeceased her sixteen years ago. She was a woman of sterling character, a good and kind neighbour ever ready to help the poor and needy. She bore her trials and sufferings with Christian resignation leaving everything to the divine will of God. She leaves to mourn two brothers namely James and Francis in Newton. She was attended by Rev. Father McIntyre who administered the last rites of the Catholic Church. The services at the grave were performed by her pastor Rev. J. J. McDonald. She left nothing undone in connection with matters consequent upon her departure even naming her pallbearers who were John Murlugh, Francis Greenan, Michael Mulligan, Patrick Edward McCabe. May her soul rest in peace.

WEDDING BELLS.—The Baptist Parsonage at Kingsboro was the scene of a very happy event, when on Wednesday evening, April 9th, Miss Marjorie E. Fraser, daughter of Mr. and Mrs. Harding Fraser, of Elmira, was united in marriage with Walter E. Robertson of Kingsboro. The ceremony was performed by Rev. W. P. Mac Walker in the presence of a few assembled friends and relatives. The bride was becomingly attired in a dress of old rose taffeta. The couple were unattended. During the evening refreshments were served by Mrs. Mac Walker. The many valuable presents of which the bride and groom were the recipients bear testimony to the esteem in which they are held by their numerous friends. Special mention has been previously made in the "Guardian" of the gift presented to them by the Elmira Women's Institute. After the ceremony Mr. and Mrs. Robertson drove to their future home at Kingsboro, followed by all good wishes for a long and happy wedded life.

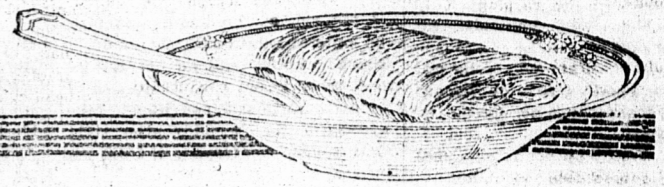

Rev. Austin McNnis, pastor of the Catholic Church at Trail, B. C., who died in Tucson, March 20, was buried from St. Andrew's Church, Pasadena, California, on April 2. Interment was in the Priests Plot at Calvary Cemetery, Los Angeles.

Very Rev. T. J. Fitzgerald, of Redlands, California, sang a solemn high requiem mass. He was assisted by Rev. C. Molony and Rev. Joseph Craxaw as deacon and sub-deacon. Rev. D. J. Keenan acted as master of ceremonies; Rev. M. O'Gorman as hurfior; Rev. J. Morris and Rev. J. O'Donnell, P. S. A. as acolytes.

Immediately preceding the requiem mass the office for the dead was chanted by a choir of 15 priests presided over by Right Rev. Monsignor McCarthy and led by the Rev. Victor

CHILDREN ARE QUICK TO LEARN

if fed on proper food. Many youngsters are dull in school because of parental ignorance regarding food. **Shredded Wheat** is the ideal food for growing children because it contains every element needed for building healthy tissue. It is 100 per cent. whole wheat—ready-cooked and ready-to-eat. Delicious with milk or fresh fruit.

MADE IN CANADA

J. Follen and Rev. Edward J. Kirk as cantors.

Services at the graveside were conducted by the Rev. James A. Grant of Burlington, a native of P. E. Island.

Besides the priests already mentioned there were present in the sanctuary the Rev. Fathers J. Woodcutter, Stephen Cain, D. Nunan, J. Bradley,

Thomas Nealon and J. De Jon.

Rev. Austin McNnis was born at Earnsciff, Prince Edward Island, and studied at St. Dunstan's College, Charlottetown, and at St. Patrick's Seminary, Menlo-Park, California, and was ordained in Vancouver, B. C., five years ago, and entered upon his pastorate at Trail, B. C. with much promise.

But ill health compelled him to give up his plans, and for the last few years he has been engaged in an uphill battle against disease.

Father McNnis is survived by a brother, Mr. McNnis, of Earnsciff, Prince Edward Island, and a sister, Miss Elizabeth McNnis, of Coronado, California, who was present at the funeral. (Pat. and Exam. please copy).

Don't Experiment—Use this Dependable All-Purposes Flour

IT'S far too expensive altogether to experiment with your baking in these times of food scarcity! Failure means loss of valuable ingredients and loss of precious nourishment. You can always have good baking by using

QUEEN CITY FLOUR

It makes with equal goodness fine large high-rising loaves of delicious bread, flaky pie-crust, appetizing biscuits and light, delicate cake. That is so because it is a proper blend of two of the best wheats the world produces—Western hard wheat, with a wealth of gluten that enables the yeast to make the bread rise high, and Ontario wheat, famous for pastry.

We maintain Queen City in uniform strength and blend by testing every shipment of wheat received. Thus you are sure that no changes in your flour will upset your baking. For this good reason it always comes out right. Why not use the always dependable flour—give Queen City a good trial.
