BOXERS ARE TO BATTLE ON MAY 16

Maurice McDonald And Johnny Nemis To Meet In Glace Bay Bout

GLACE BAY, April 23—On May 16, the Cape Breton fight fans are due to witness what looks like a splendid boxing bout. Johnny Nemis, of New Waterford, has been matched to fight Maurice McDonald, of Glace Bay, and in order to make a fight of it all the way through, the boxers are to fight on a winner and loser basis. The contract, which is now signed, provides that the winner shall get thirty per cent, of the gate and the loser twenty. This should make both fighters strive to win as the extra ten per cent will mean considerable.

MANAGER OF CRICKET TEAM KNIGHTED

Frederick Charles Toone Has Been Secretary Of Yorkshire Club Since 1903

LONDON, April 23—Frederick Charles Toone, manager of the Marylebone Cricket Club team that toured Australia recently and won four out of the five test matches, thereby recapturing the mythical "Ashes" for England, has received the honor of knighthood. Sir Frederick, as he now is, has been secretary of the Yorkshire Cricket Club since 1903, and is 61 years of age. He also managed the English teams in Australia in 1920-21 and 1924-25.

MCGILL WILL CONFER DEGREE ON CANADA'S PRIME MINISTER

MONTREAL, April 23—Right Hon. W. L. Mackenzie King will be granted the honorary degree of LL.D. by McGill University, Dr. C. F. Martin, Acting Principal of the University, announced today. The presentation will be made on May 29, Convocation Day, when it is expected the Prime Minister will address the students.

BRITISH LABOR IS PLEDGED TO FRIENDSHIP WITH SOVIET

LONDON, April 23.—John R. Clynes, Labor leader and Lord Privy Seal in the Macdonald Government, announced today of his party's general election campaign plan on the issue of unemployment. The program includes all national enterprises, such as road-building, drainage and reclamation mentioned in the Liberal Party plan, but does not include the Lloyd George pledge to do the whole thing in a year, or his proposal to borrow a billion dollars to finance the scheme.

In addition to these national undertakings and public works, the Labor Party plan includes various other features. Renewal of relations with Russia as a step towards restoring trade with that country is put at the head of the list. The party demands a seven-hour day in coal mines, instead of the present eight hours, as fixed by laws under the present Government.

The Labor Party, if elected, will push legislation for Government control of coal mines, and meantime levy on royalties of present owners to help provide a pension fund for old miners.

"I can't get any speed out of this car you sold me. You told me you had been summoned three times while driving it."

"When I was your age I thought nothing of a ten-mile walk."

"What is your son taking at the University?"

"All we can send him."

One of the Mighty, Indeed!

Al looks like poison to th' A.L. pitchers again this summer.'

By QUIN HALL When the first averages are let loose in the American League you will likely find the name of Al Simmons, of the Philadelphia Athletics, very near the top, if he's not really doing the leading.

Simmons did a great job of hitting last year. He finished with a mark of .351. When the team was conditioning at Fort Myers—between busying hither and thither to play exhibition games—Al was parking the apple in the four corners of the lot and doing it consistently.

The form displayed by Simmons early in the Spring grind brought a lot of joy to the heart of Connie Mack, who still has visions of grabbing another yard or two of bunting before he gives up the business of managing the Athletics.

strong again with the stick, but he is fast on his pins and covers plenty of territory. Mack, as has been stated, entered this year's gallop with practically the same club which overtook the Yankees last year, and then failed to hold their lead, and dropped again into the second hole while they eventually finished the career. Now Mack has dropped some of the expensive old timers whom he tried to win with in 1928.

The only "old man" who is still on Mack's payroll is "Big Jack" Quinn, the spit ball twirler, and there is no reason to believe that he will not be as effective as he was last season when he won 18 against 7. Naturally Lefty turned in 24 victories against 8 losses. Mack is still retaining Walberg, Rommel, Ehmke and Earnshaw as first string flingers. There are a lot of fellows who will tell you that the last named is due for a big year.

George Earnshaw, the former Swarthmore College twirler, toiled for years at Baltimore before he finally got his chance to fling his offerings to major league hitters. He

was pretty well worn down from his work in the International League and, in his first few starts at Philadelphia he was wild. But in spots he showed brilliantly and the sharpshooters are predicting that this year will find him taking his place among the strikeout kings of the country. They base their prediction on the fact that, in the 26 games Earnshaw worked on the mound last season, he fanned 117 batsmen. In all, the big fellow toiled 158 innings, or 17 5-9 complete games. This would make his average per game better than Grove's as Lefty whiffed an average of six men per game. This summer, the Earnshaw rooters are already tabbing "Big George" as a strikeout king with a least 200 fanners to his credit by the end of the season. If this happens and Grove continues to whiff 'em, it looks like a tough summer for the American League batters who hope to pad up their hitting averages at the expense of the Athletic flingers.

Mack seems to have a well-balanced ball club, but it looks no stronger on paper than it was last season and it will have to be stronger, if it hopes to come home at the end of the year with the bacon.

GOVERNMENT GOES IN FOR TAGGING OF FISH ON WHOLESALE SCALE

TORONTO, April 23.—A fish-tagging policy has been adopted by the Department of Game and Fisheries in the interests, particularly, of Lake Erie commercial fishermen, and will be put into effect immediately. With it the department hopes to trace the migration of fish in this lake, and by doing so to devise ways and means of improving the decreasing catches which, in recent years, have drawn so much complaint from the fishing industry in general.

SPECIAL STATION AT DOVER

Actual tagging will be done by departmental officials, and a special station is to be established at Port Dover for the purpose. Tagging will be carried on all summer, although the bulk of the work will come in the fall months when the fish are spawning. Some tagging of whitefish and blue pickerel was done last year, but what the department will attempt this season will be on a wholesale scale.

Selected fish from pound-net catches at Port Dover will be tagged and then liberated. The department in enlisting the co-operation of all fishermen in the scheme is prepared to pay 25 cents apiece for every tag returned. The tag to be used is of a

SWEET TO SEND PALEFACE TO GLACE BAY

Tries Out New Purchase Before Paying Big Money — Has Fine Record

GLACE BAY, April 23—Glace Bay now has a community horse. A. D. MacNeill, President of the Glace Bay Racing Club, was informed by telegram yesterday morning from Hanover, Mass., that Charlie Sweet had purchased the well known performer "Pale Face" with a track record of slightly over two minutes for the mile.

"Pale Face" has been one of the most interesting performers on the Maine and New England circuits. His racing, last year, was quite creditable and he was not to be purchased until Sweet had tried him out on the New England tracks, so the members of the local club can feel assured that Pale Face must be racing in good form else Sweet would not have paid out the cash.

Pale Face is leaving Hanover on Tuesday and will likely be stabled a few days in Sydney until plans are ready for the Glace Bay celebration. John A. McRae is chairman of the committee planning the celebration, so it is assured that nothing will be left undone to make the day a gala one.

A strong committee is acting in conjunction with McRae. Paleface is a picturesque horse and will make friends quickly.

Livestock Market

MONTREAL, Que., April 23—There were 141 cattle, 700 calves, 1339 hogs and 42 sheep and lambs for sale on the two markets.

The cattle market was steady. A couple of loads of medium to good steers were offered and were not sold at time of writing. Common to medium cows were sold for \$5.50 to \$8.25 and common bulls from \$6.50 to \$8.

Receipts were estimated at 3,760 as compared with 2,115 the corresponding day last week and prices steady. Veals were sold for \$8.50 to \$11.00, with the bulk of sales between \$9.25 and \$9.50 per fed calves brought \$8.50 to \$9.00.

Common lambs were sold for \$8.00 to \$9.00 and sheep from \$7.00 to \$8.00. The hog market was unsettled. Hogs were sold for \$13.25 to \$13.75 and about some 500 hogs were not sold at time of writing. Sows were from \$10.50 to \$11.50.

non-corrosive material, has the letters O. D. G. F. (Ontario Department of Game and Fisheries) stamped on one side, and a serial number on the other, and will be fastened to the underside of the fish at the base of the tail.

INSTRUCTIONS GIVEN Special instructions as to how returns of tags are to be made to the department are now being mailed to all commercial fishermen, not only on Lake Erie, but throughout all the Province.

Since the first of the year the department has had 860 applications for fry and fingerlings of various varieties for restocking purposes. To date, these appeals have been met with the distribution by the department over the Great Lakes and Lake Nipigon of 227,500,000 whitefish fry and 22,685,000 herring fry. Figures on game fish fry and fingerling distribution are not available at the present time.

SPRINGHILL, April 21—At a regular meeting of the local lodge of the United Mine Workers of America held on Saturday night, a motion was passed whereby a levy of fifty cent per man will be imposed upon at the Besco employees here, this money to be used to outfit the local baseball team with all necessary equipment to begin the season. As there are over 1,200 men affected the sum to be raised will put the Maritime champions away to a good start this season.

HORNBY LEADS BIG SIX IN THE BATTING

Rogers Hornsby, batting champion of the National League, turned in the outstanding offensive performance of the season at Wrigley Field Sunday and as a result ousted Lou Gehrig from the top of the big six column. Hornsby's two double and two singles in four official times at bat not only helped the Cubs defeat the champion Cardinals by four to nothing, but lifted the Rajah's personal batting figure to .583. Jim Bottomley, a big six rival, went hitless.

Babe Ruth and Lou Gehrig, the only American League big six entries active through yesterday's rain, got one safe drive each.

WOLGAST IS VICTOR AT TORONTO

TORONTO, April 22—Midget Wolgast of New York won a ten-round decision over Phil Tobias, Brooklyn, N. Y., in the main bout at the Coliseum here last night. Wolgast's speed and lightning punches as he hopped about Tobias presented an elusive target for the Brooklyn boy, and Wolgast took the fight by a comfortable margin. Tobias weighed 112, holding a pound and a half advantage over Wolgast.
