WATCH THE STOMACH.

IF YOU HAVE EITHER variable appetite, a faint growing feeling at the pit of the stomach, unsatisfied hunger, a loathing of food, rising and souring of food, a painful load at the pit of the stomach, choking sensations in the throat, headache and dullness of spirits, constipated bowels with alternate diarrhoea, are you gloomy and miserable? THEN YOU ARE A DYSPEPTIC.

The cure is careful diet, slow eating, thoroughly chewing the food; avoiding drinking at meals.

Keep regular habits, shun stimulants, tone the digestive powers and regulate the stomach and bowels with Barkock Blood Bitters. It has cured the worst forms of dyspepsia, even of twenty-five years duration.

Mrs. Geo. Parks, Cooper, Ont., writes: "I have used Barkock Blood Bitters and find that few medicines can give such great relief in dyspepsia and stomach troubles. I was troubled for a number of years with dyspepsia and could get no relief until I tried B.B.B. It helped me right away and I think it a wonderful remedy. I would recommend it to all sufferers from dyspepsia."
