SAFETY FOR CHILDREN.

Baby's Own Tablets contain no opiate, no narcotic, no poisonous drug. The mother who uses these Tablets for her children has the guarantee of a government analyst as to the truth of these statements. This medicine can therefore be used with absolute safety, and always cures such troubles as indigestion, sour stomach, colic, flatulency, diarrhoea and colic. The Tablets cure simple fevers, break up colds, destroy worms and make teething easy. Mrs. W. H. Young, Rosyth, Ont., says: "I have used Baby's Own Tablets as needed for more than a year and would not be without them in the house. They are just the thing for teething babies and other ailments." The Tablets cost only 25 cents a box and may be had from medicine dealers or by mail from The Dr. Williams Medicine Co., Brockville, Ont.
