IT PAYS to by in this Province.

**ST. JAMES S.S. PICNIC.**—St. James Sunday School Picnic will be held on Thursday 29th inst. at Carleton Point.

**CATTLE SHIPMENT.**—The Car Ferry steamer's outward cargo yesterday morning included some fifty cattle en route to St. John's Newfoundland.

**BUILDING LOTS FOR SALE.**—Attention is directed to the sale of valuable building lots on northern Pownal street, the Mackelson property opposite St. James Church. See advertisement and posters. 206-6-6M1d.

**CHARLOTTETOWN MAN WOUNDED.**—Mrs. (Dr) H. D. Johnson, received word yesterday from Dr. Johnson now in England, that their son, Mr. Hammond Johnson of the First Brigade of Artillery, had been slightly wounded in the recent fighting. Mr. Johnson enlisted in the McGill Corps and was later transferred to the Artillery.

**GUARDING AGAINST THE ENEMY.**—Some police and military officers took a hurried trip by auto to the waterworks on Monday evening, to make enquiry of a couple of individuals who by their numerous questions raised suspicion that they had designs on the water system of Charlottetown. Investigation showed that the fears were groundless, the curious questioners being local men, who had no thought that their questions would raise such suspicion.

**AMHERST HORSEMAN ON A VISIT HERE.**—Mr. J. A. Simpson of Amherst, N. S., has returned from a visit to this city, where he had been making arrangements for the campaigning of his race horses. Mr. Simpson is the owner of Rex light, 2,174, and past owner of The Abegweit 3,24. Both horses are training well, and he reports the latter horse as very fast and working well, while Rex light has completely recovered from his accident which put him out of training for 1915.

**5th SIEGE BATTERY DANCE.**—A most enjoyable dance was given last evening in the hall formerly occupied by the Knights of Columbus on Queen St. where the boys of No. 5 Siege Battery entertained a number of their friends to a dance. The hall was beautifully decorated for the occasion which reflects much credit on the part of the committee in charge, Messrs. Joe. Doyle, Louis Coyle and Frank Dingwell. The chaperons for the evening were Mrs. (Capt.) Bagnall, and Mrs. (Lieut.) Hooper, while Mrs. McDonald furnished the music for the dancing. Daily refreshments were served and the evening was brought to a close by singing God Save The King.

**THE S.S. SABLE.**—The steamer Sable arrived in port on Monday night and sails this morning at six o'clock for Sydney and St. John's Newfoundland with a large general cargo.

**CAB SERVICE.**—Mr. Frank Martin has started a thoroughly up-to-date Cab Service. Will stand at Reddin's Drug Store. Phone 56. 216-6-7M11.

**UNIFORMS FOR BATTERY.**—The uniforms for the members of No. 5 Siege Battery are now here and it is expected that the men will in a few days don their plain clothes to don the popular color.

**JOINED SIEGE BATTERY.**—The following have signed the service roll of No. 5 Siege Battery:—A. J. McDonald, Souris West; Wilbert Adams, Montague; Harold J. Leslie, Charnwood; Frank C. Major, Margate.

**OF LOCAL INTERESTS.**—Rev. H. W. McCutcheon was ordained at the Range, N. B. in 1912; was pastor later at Murray Harbor, P. E. I., and later removed to the United States. He died at Saratoga Springs, N.Y., recently.

**FAREWELL "SMOKER."**—The A. O. H. will hold a "smoker" at their hall on Thursday, June 8th, at 8.30 p.m. at which their fellow members belonging to the 10th Battalion will be the guests of honor. All members of the A. O. H. are requested to attend.

**TO ARRANGE SERVICES.**—A meeting of the Charlottetown Canadian Branch of the British and Foreign Sailor's Society was held on Friday. Hon. Justice Hazard, presided. The matter of obtaining a hall or room suitable for meetings and reading matter was discussed and referred to a Committee. The Ministerial Association is to consider the arrangement for Sunday afternoon services.

**ENJOYABLE BAND CONCERT.**—The 10th Battalion Band, under the direction of their capable leader, Mr. John McFarlane, gave a musical concert in Queen Square Gardens last evening—the first of the season which proved a source of delight to the many citizens who assembled on the Square and vicinity. Since their departure for overseas service the members of this band by their continual practices have made themselves very proficient and it is safe to say that it will be hard to find a better band leaving Canada when they take their departure. Good luck to the 10th band boys!

**JUNE WEDDING.**—The marriage of Miss Katharine Emery R. N. and Mr. Robert W. Stewart will take place at high noon to-day at the Hotel Victoria. The ceremony will be performed by Rev. A. S. Stewart, (a former and favorite pastor of the bride) in the presence of a few immediate friends. The bride will be charmingly gowned in champagne satin and carry bouquets of lilies and bridal roses and will be given away by her brother, her youngest sister Miss Louise being bridesmaid and Mr. Dewar will support the groom. After luncheon being served in the Victoria's best style, the bride will don a smart traveling suit of eclipse blue gaberdine, with hat to match and amid congratulations and best wishes Mr. and Mrs. Stewart will leave by the western train for an extended wedding tour. There will be no company owing to recent bereavements. The presents are numerous and costly among them being a beautiful silver tea service presented by the faculty of the Victoria Hospital, New York, the groom's gift to the bride is a substantial cheque, and to the bridesmaid a gold pin set with pearls and to the best man a scarf pin. Mrs. Stewart takes this opportunity of thanking her many friends who have so kindly remembered her here and abroad.

**HOG BUYING.**—Owing to the fact that receipts of hogs are now too limited for regular packing operations, Davis & Fraser have notified their buyers throughout the province that no shipments can be received here for this season after June 10th. This means that hogs should be delivered to shippers at country points not later than Friday morning 9th inst.

Any farmers whose hogs are not in proper condition for killing at present would hardly make any mistake in holding them for early September market, when this firm recommences packing as usual. The outlook is for good prices then, and as it has always been a handicap to the local industry that sufficient supplies of hogs are not available at the beginning of the season, meaning the loss of trade, it would be a matter of mutual benefit if farmers would co-operate and have them ready early in September. They would thus assure themselves of high prices, and at the same time provide Davis & Fraser with material to compete for business which otherwise goes to firms—and incidentally benefits farmers—in the western provinces or elsewhere. This certainly seems to be an instance where Island farmers have it well within their power to "Encourage Home Industry," and at the same time reap special advantages for themselves—by having hogs ready for the early September market. 228-6-7M3L.

The Woman's Medicine, Good for All Ages. Mrs. Harold Smith's Experience.

Clarksburg, W. Va.—"I am writing to tell you the good your medicine has always done me and I hope my letter may be the means of helping some other suffering woman. When I was 16 years old I caught cold and had suppression for two months. I got so weak I could scarcely drag myself up the stairs. I went to two doctors, then my mother got a bottle of Lydia E. Pinkham's Vegetable Compound and I took it. I never had any more trouble and got strong fast. Then I took it again before my little girl was born and it helped me a good deal and I give the Compound the credit for it. Then this spring I felt very badly again, but I took the Compound and have been well all summer. I cannot be grateful enough for your medicine."—Mrs. HAROLD M. SMITH, 470 Water Street, Clarksburg, W. Va.
