Mr. Bob Ferris, local golf pro. Cecil "Bobby" Dowling, pro at Green Gables, Maurice "Mouze" Dowling, Bob Holman, Douglas Saunders, and Ted Strain are the golfers.

## Second Junior Baseball Title Game Tonight

The second game of the seven-game series for the City Junior title will be played tonight at the Memorial Field diamond at 5:30. Players are asked to note the new time.

The league-winning Knights of Columbus crew are a game up on the Vics as a result of their win Sunday over the Vics. The Knights, held to two hits by Ev Began Sunday, combined their slim total with four errors and general poor fielding on the part of the Vics for their win. The Vics on the other hand were able to gain four hits off the slants of Donnie MacLean but could not make them count for runs.

Expected pitchers are Phil Murphy for the Knights and Clifford Ready for the Vics. Both pitchers have defeated each other's team this year and it will be interesting to see how they fare out tonight when they are pitted against each other in the second game of the series.

Another large crowd of fans is likely to witness the contest which will start at 5:30 sharp. League officials in a recent meeting declared that evening games had to reach the seven inning stage or they would be ruled "no contest."

## Well Filled, Evenly Matched Classes For Montague Race Meet

WESTBURY, N. Y., Aug. 22—(CP)—Mud Puddle tonight won the Keene Pace at Roosevelt Raceway when driver Joe O'Brien of New Glasgow, N. S., and Alberton, P. E. I., moved the five-year-old to the front in the stretch.

Mud Puddle paced the 1 1/16 miles in 2:09.

## Joe O'Brien Wins With Mud Puddle

Racing resumes on the Island circuit Wednesday afternoon when four well-filled, evenly-matched classes will be run off at Montague race track, the scene of many thrilling racing battles in the past, and which is expected to add to its reputation tomorrow in the close competition and blanket finishes that are being expected.

The rabid Island fans certainly had a full load of racing during the Old Home Week racing program but notwithstanding are expected to be on hand in record numbers for the third meeting to be held at Montague this season. If tomorrow's program comes near equalling the previous two then the fans will be well paid for their attendance.

The Old Home Week program, now history, lived up to all expectations and although the weatherman stepped into the picture towards the end, nevertheless he failed to dampen the spirit of the huge crowds that took in both afternoon and evening programs. The enthusiasm which reaches its highest peak here during the annual event was just as keen on closing night as it had been on opening night and, taken all in all, the fans were well satisfied with the 1949 show.

As is often the case in a show the size of the Old Home Week program, some of the classes failed to furnish the stiff competition expected but more than making up for these setbacks were the many other thrilling duels witnessed with some of them coming from unexpected quarters as "outsiders" came through with blazing bursts of speed to upset the "favorites" and at the same time earn about an even break on the entire program.

The officials conducting the racing came through with up-to-the-minute performances in each an every instance. There were no long delays; the fields were gotten away in good order and presiding judge Dr. C. Dougan, who ruled strictly but fairly all the way in enhancing his reputation as being one of the best presiding judges in the Dominion.

The "Doctor" is an equally capable starter also, and he certainly proved his worth Saturday afternoon when he started the race which had been damaged he took over and from that point on ran off the remainder of the classes without a hitch, invariably getting his fields away straight in a straight line across the track.

Saturday also marked the first time in this writer's memory that a horse had been ordered out of a race. It happened to Elsie R. when, after acting up and throwing her driver, Dr. Dougan, the presiding judge, ordered her from the track. Following this incident the capable official took over in his dual capacity as presiding judge and starter and performed his double duties very efficiently.

The Thunder Bay branch of the Amateur Athletic Union of Canada announced recently that British Empire Games trials and the Dominion of Canada Amateur Boxing Championships are being held in Port Arthur, Ontario, on October 6, 7 and 8th.

There will be eight classes open for competition including flyweight (118 lbs.), featherweight (126 lbs.), lightweight (135 lbs.), welterweight (147 lbs.), middleweight (160 lbs.), light heavyweight (175 lbs.), heavyweight (any weight).

In view of the fact that there may be possible entries from this Province, a limited number of entry forms have been forwarded to the sports department of this paper, and anyone wishing to make entry may receive said form by applying to this paper. Dates of entry are now open, with all entries closing at noon, October 3rd. All entries must be mailed to Nels Scaverville, Secretary, 738 Ernestine Ave., Fort William, Ont.

With the Charlottetown Abbies coming through with their second straight win at Summerside Sunday over the R.C.A.F. to walk off with the semi-final series, the first game of the finals will get underway at the Western Capital on Wednesday between the Abbies and Curran and Briggs nine for the Island Physical Fitness Baseball League championship.

The game is scheduled to get underway at four o'clock and the local squad will be leaving for Summerside at two o'clock by private cars. The second game of the series will be played at Memorial Field this Sunday.

## Sport Echoes From Prince County

Latest report has it that Gordie MacKay's back injury will keep him out of the Island finals and this is pretty grim news for Summerside fans. MacKay's big bat will certainly be missed by the Curran and Briggs team. He finished the season with the second highest batting average, Glen Matheson of the Abegweits being the only batter ahead of him.

The R.C.A.F. All Stars are out of competition for the Island championship. Like Charles I at the time of his execution, in going into oblivion they added to, rather than subtracted from their fame. The Flyers never played better ball than they did on Sunday against the Abegweits. They waged a stirring battle all the way and made the powerful Charlottetown team know they were in a ball game.

The R.C.A.F. has picked up three men recently that has improved the club a lot. This trio is Frank St. John at first base, DeLong at third base and Leo Dombroski in the outfield. St. John and Dombroski are dangerous hitters as well as smooth fielders, and DeLong thought not quite so potent with the weapon tongue is as smooth a third baseman as there is in the league. He has a peg to first that is a delight to the eye and we liked the way he played the Charlottetown runner sliding into his base in Sunday's game. He held his glove at the edge of the sack and let the runner slide into it in true Big League fashion. The base judge called the runner safe, but that didn't stop us from admiring the professional way DeLong went about his job.

Although Glen Matheson showed the spectators a convincing display of his batting prowess in Sunday's game and clinched the league batting championship, it was really Eddie Stanky, once the popular brat of Brooklyn fandom, belted his first homer of the season to tie the score 6-6 as Boston's lead-off batter in the ninth.

With Al Dark on first and two out, Jeff Heath, hitless all day, drove a 3-2 pitch to deepest center field. Duke Snider, Dodger centrefielder, chased back and leaped against the fence.

The ball banged off his glove for a double and the winning run. Snider fell in a heap but was able to leave the field under his own power.

The loss dropped the Dodgers two full games behind the leading St. Louis Cardinals, with whom they begin an important series tomorrow at Brooklyn. The Dodgers came to Boston tied for the top but the Braves won three of four games.

The Dodgers put on a rally of the sort you go ahead in the ninth inning.

Trailing 5-4, they chased reliever Nels Potter, who was found for two runs on a walk, a soft liner, a sacrifice bunt on which he threw late to third base, a long fly out and Spider Jorgensen's line single.

Bob Hope finally got the Brooks out without further damage.

Bill Salkeld banged a homer for the Braves to start a two-run attack in the fourth, and the Dodgers' Roy Campanella blasted his 15th in the fifth.

## Ted Williams Continues To Top A. L. Batters

(By The Associated Press) CHICAGO, Aug. 22—Ted Williams of Boston led American League batters again last week.

Williams, a carry-over leader from the two preceding weeks, took a long stride to better Detroit's George Kell by 11 points. Williams' average was .356 and Kell's was .345. Williams and Kell were neck and neck last week with the Boston slugger only two points ahead.

Kell, who dropped five percentage points during the week, remained relatively safe in second place when St. Louis' Bob Dillinger, in third place for the second week in a row, sank below him.

Dillinger's average was .337.

Les Gaudet is beginning to show signs of his former greatness. All year he has been hitting the ball hard and he has been getting the distance that featured his play last year. Sunday against the Detroit Tigers he was robbed of a home run in the eighth inning when the ball after clearing the fence, hit a car and bounded back into the playing field.

F. Taylor went the route in a winning effort for the Parkdale crew while the loss was charged to Willie Dunn, who was relieved by "Wimpy" Martin in the fourth frame. Taylor was in complete control of the game throughout.

The next game will likely be played at the Park on Wednesday evening at 5:30.

## Parkdale Midgets Win Opening Game

## Mouseie Dowling Wins Medal In Qualifying Round At Golf Meet

MONCTON, N. B., Aug. 22—(CP)—High-Crowell won the qualifying round today of the 1949 Maritime amateur golf championship on the fairways and greens of the Moncton Golf and Country Club.

The qualifying round medal was won by Maurice (Mouseie) Dowling, of Charlottetown, after a three-hole playoff with E.W. Innes of the Moncton Club. Both Innes and Dowling parted 7 1/2 in the 18-hole qualifying round.

Pete C. Kelly, of the Fredericton Club, showed that he will be a strong contender for championship honors by putting together 39-37 for a 76, second lowest score of the tournament to date.

P.D. MacNighting, seven handicap player of the Moncton Golf and Country Club, upon some of the pre-tournament predictions by carding a neat 77 to place fourth, well ahead of many tournament favorites.

Only two other players succeeded in breaking 80 on the wind-swept, par-70 course yesterday.

Ralph H. Harley and Ralph W. Lister, both of Moncton, scored 79's for the fifth and sixth qualifying round places. All the other tournament favorites found the 20-mile wind and fast greens difficult to handle and finished up with above 80 figures.

Nip Ross, of Sydney, defending champion had to settle for 80-81. E.H. Crowell, Moncton, 1947 champion and the Marlinton' no. 1 golfer, ran into a string of bogies and finished 81-82.

Big Bill Crawford, 1948 runner-up, had a disastrous 12 on the par 5 fourth and finished up with 87.

The team prize was won by Moncton No. 1 team of Harley, Jokinen, Lister and Innes, with 294. The runner-up team was of Wostenholme, Willmott, MacNaughton and Morrison, with 331.

In third place was Halifax 1st team of Crowell, Bainbridge, Church and Pike, with 334.

Play tomorrow will consist of first and second rounds in championship and first day consolation play of both divisions.

## Boston Braves Down Brooklyn Dodgers 7-6

(By The Canadian Press) In a thrilling ninth-inning finish, Boston Braves Monday downed the stumbling Dodgers 7-6, knocking Brooklyn a little farther off the road toward the National League pennant.

All other National League clubs were idle Monday. American League clubs also took a rest.

Eddie Stanky, once the popular brat of Brooklyn fandom, belted his first homer of the season to tie the score 6-6 as Boston's lead-off batter in the ninth.

With Al Dark on first and two out, Jeff Heath, hitless all day, drove a 3-2 pitch to deepest center field. Duke Snider, Dodger centrefielder, chased back and leaped against the fence.
