**A BAD HEART**

Newfoundland Man Has to Quit Work—Palpitation the Cause.

CAPE LA HUNE, Nfld., May 27.—(Special).—Mr. Thomas Barter of this place has been in a bad way for some years. He had palpitation of the heart, and had to quit work altogether. His friends feared the worst, but Mr. Barter himself never quite gave up. His suffering was great, and he became discouraged, but when a likely remedy was suggested he at once gave it a fair trial. However, nothing did him any good, till he noticed a testimonial for Dodd's Kidney Pills, as a Cure for Heart Trouble. He resolved to try once more. He did so, and is a well man to-day. He says: "For over six years I suffered intensely I could do no work. I used five boxes of Dodd's Kidney Pills, and I am cured completely. I believe Dodd's Kidney Pills will cure any case of Heart Trouble."
