THE DUKELET. "Who are those people on the shore?" implored the duke's fair bride; "My creditors, my creditors," the little duke replied. "What makes you look so sad, so sad?" implored the duke's fair bride; "I'm dreading what I've got to face" the little duke replied. "For my tailor's there among 'em, and he'll clamor for his pay; My hatter weighs two hundred and his fist is hard, they say; I wish your pa had settled things before we sailed away. For they'll all be jumpin' on me at the landin'!"

"What makes them have that hungry look?" implored the duke's fair bride; "They've waited long, they've waited long," the little duke replied. "What makes that tall man shake his fist?" implored the duke's fair bride; "He wants his cash, he wants his cash," the little duke replied; "He's the man from whom I purchased the engagement ring you wear. For I told him that your father was a multi-millionaire; He's as strong, they say, as Samson was before he lost his hair. And I'm dreading what'll happen when we're landin'!"

"What makes the crowd increase so fast?" implored the duke's sweet bride; "More creditors, more creditors," the trembling duke replied. "Why do they seem so rude, so rude, implored the duke's fair bride; "Because, alas, they are canaille," the trembling duke replied. "Your pa was cruel hard to make the dot he gave so small, If I should settle with them we'd have nothin' left at all; Address 'em from the gangway—try to stand 'em off till fall— Or they'll do things that may shock us at the landin'!" —Chicago Record Herald.

After Dinner To assist digestion, relieve distress after eating or drinking too heartily, to prevent constipation, take Hood's Pills Sold everywhere. 25 cents. THE FISHER'S FORTUNE. (A Sonnet). There is a mystic something in the sea— A supberb sunset and a sweet breeze fling The throbs of life athwart the new-born Spring— Countless the nets which hang along the sea; Cold, and cast down, as yet no message bring The changing tide, the gulls upon the wing To Fishers' hopes completest jeopard. "Let down the nets," we hear the Master cry; On barren waters of the Galilee, "In MY WORD let them down" and presently On their own vessels they must not rely, For nets were never fuller nor could be— Again hath Christ revealed incredulity.

SAVE THE CHILDREN Insure Them Good Health. Ninety per cent of children, under twelve years of age, are being poisoned and parents don't realize it. Irregular bowels are the chief cause. You parents know that your bowels should move every day. You know you must be as regular as clock-work, or the bowels will become tainted. Don't you realize that the children must be as orderly in getting rid of the waste matter of their system? Then, if you find that any of the little ones go two or three days without action of the bowels, don't run to castor oil, senna tea, calomel, cascara or harsh "liver pills." These simply purge the child—strain the bowels. "Fruit-a-tives" are the ideal medicine for children. They are fruit juices and tonics in the form of a pleasant tasting tablet. "Fruit-a-tives" stimulate the liver, causing more bile to flow. It is the bile, given up by the liver, which moves the bowels. "Fruit-a-tives" regulate the liver and bowels, and thus completely cure constipation. They sweeten the stomach, and are the finest tonic in the world to build up the system and make children plump and rosy. 50c a box—six for \$2.50. Sent on receipt of price if your dealer does not handle them. "Fruit-a-tives" Limited, Ottawa, Ont.

PATON'S Sterling Quality INLAID LINOLEUM The Name Paton is a Linoleum Guaranty Sterling Quality is Paton's Scotch Linoleum THE name Paton's is a linoleum guaranty. Imprinted on the back of the linoleum you buy, Paton's stands for quality and value. People look for Paton's on linoleum as they do for Sterling on silver. Paton's guarantees wear-ability. Ability to wear is the most important linoleum quality. Nothing else, except possibly your shoes, gets as hard, continuous, grinding wear as the floor under your feet. Linoleum, when down, is the floor. You want the best linoleum—you want Paton's. In attractiveness of design Paton's is as much superior to the other kind as its wear-ability. Many new and handsome patterns—tile and parquetry effects; rug-like designs for rooms where a bright and artistic effect is desired. We guarantee our goods to be in perfect condition when shipped from the store and cannot be responsible for damage in transportation or improper handling. Don't let the roll fall or the goods may crack. Don't unroll in cold weather. Linoleum should be thoroughly warmed before being opened up. If the goods begin to crack when unrolling STOP AT ONCE and put the roll in a warm room until it becomes thoroughly pliable. In buying linoleum be sure that the name Paton's is printed on the back. PATON'S LINOLEUM Price 98c, \$1.25, and \$1.45 JAMES PATON & CO.
