THE railway telegraph operators in this province, have been notified that a gang of baggage and express robbers have left the United States for the Maritime Provinces. Agents are warned not to leave any cash in the stations. These baggage robbers get possession of other people's luggage by changing the checks for which they hold duplicates. Recently a number of arrests were made in New York and a gang partially broken up. It is probably the remnant of this gang that have transferred their attention to Canada.

ENTERED into rest on July the 19th ult John Alexander Morrow a highly respected resident of North Lake, aged 72 years. The deceased had been ailing for several months, and on April 19th underwent an operation in the P. E. Island Hospital for cancer of the bowels, but all that medical skill could do proved of no avail. After he returned home he slowly but steadily weakened, but still was able to be about until three days before his death, when he took a severe chill which proved to be the beginning of the end, and on the morning of the 19th he passed peacefully away surrounded by sorrowing friends. For him death was a happy release; during his long and painful illness he often longed for the hour to come when Christ in His mercy might take him to Himself. Although ailing still death came as severe shock to his loved ones, who hoped that he might still be spared for a while longer to them. But God's ways are not our ways. He leaves to mourn a sorrowing widow, one son Livingston at home, and three daughters. Mrs. James Wallace, Portland Maine, Mrs. Benjamin Ching Kingsboro, and Mrs. Alfred F. Rose, Lakeville, and also two sisters, Mrs. Elisha J. Baker, North Lake, and Mrs. S. R Campbell, Pictou, also eleven grandchildren, besides many friends. He was kind hearted and charitable, always ready to lend a helping hand to the needy, a faithful member of the Christian Church of East Point. The funeral services were conducted by the Rev. Henry McDonald assisted by the Rev. G. H. Beaman, resident Pastor of Baptist and Christian Churches of East Point. His remains were followed to their last resting place by a large number of people, there to await a glorious resurrection.—Com.

WHY REMAIN THIN AND PALE?

Pale people have pale blood. The stomach is wrong, assimilation is poor and food is not changed into blood. The system lacks vitality and reconstructive power which can be supplied by Ferrozone. It braces the appetite, digestion is stimulated, what you eat is transformed into the kind of nutriment your system requires. Vital life-going blood that makes rosy cheeks, strength that defies weariness, spirit and ambition all come from Ferrozone. Nothing in the annals of medicine so sure to build up and strengthen as Ferrozone. Try a 50c. box. Sold everywhere.
