ORPHANAGE MEETING — The P. E. I. Protestant Orphanage Trustees met on Tuesday at the Orphanage. An excellent lunch was served by Miss Beers, assisted by members of the staff following which the Board set out to inspect the building and see what was most needed in preparation for winter. At the regular meeting reports were received from the several committees when Mrs. H.S. Henderson, for the Finance, informed the trustees that collections so far this year were several hundred below last and it would require much extra work to increase this fall's collections sufficient to meet necessary expenditures, especially since the institution had such a large number to care for. The members felt the public should know the facts and so prepared to give better assistance. The trustees were pleased to see Mrs. H. H. Horne and Mr. James Jardine present and apparently restored to health. Before returning home Miss Beers was complimented on the spick-span condition of the Home and the healthy appearance of the children.
