

## CATARH GURED

**Canadian Manager Praises Psychine.**  
Mr. W. Stahlschmidt, the well-known head of the Canadian School and Office Furniture Co., of Preston, says: "I was afflicted with Catarrh of the Throat for thirty-five years, and although I have at different times been treated by many doctors, including some of the best throat specialists on the continent, they gave me little, if any, relief and certainly did nothing towards curing me of this distressing and oftentimes painful malady."  
"About three years ago I began using PSYCHINE and it did for me in a few months what all the medicine and the best medical skill had failed to touch in 35 years. It has completely restored me and I have not had the slightest trouble with my throat since."  
"It has built up my vocal chords so that I can now sing again as well as in my youth, and so thoroughly strengthened my throat that it is not, in the least affected by changes in temperature. It is safe to be before taking PSYCHINE."  
"PSYCHINE has toned me up altogether. It invigorates the whole system, and I can truly say that at the present time I am feeling better than I have for years." PSYCHINE is undoubtedly the best tonic I have ever used. Indeed, I do not think any other medicine could have done as much for me, and I am strongly recommending it wherever I can. No singer should be without it."  
PSYCHINE is the only specific tonic to medical science that will cure Chronic Weakness, Catarrh, Decline, etc. A wonderful tonic and infallible remedy for all disorders of the Throat, Lungs, Chest and Stomach. PSYCHINE restores the Digestive and Blood-making organs to perform their proper functions. All druggists and stores sell PSYCHINE. See and 21 bottles.

### MANY DON'T KNOW HEART AFFECTED.

More People than Aware of It Have Heart Disease.

"If examinations were made of every one, people would be surprised at the number of persons walking about suffering from heart disease."  
This startling statement was made by a doctor at a recent inquest. "I should not like to say that heart disease is as common as this would imply," said the expert, "but I am sure that the number of persons going about with weak hearts must be very large."  
"Hundreds of people go about their daily work on the verge of death, and yet do not know it. It is only when the shock comes that kills them that the unsuspected weakness of the heart is made apparent."  
"But undoubtedly heart weakness, not disease, is more prevalent nowadays. I should think that the stress of living, the wear and rush of modern business life, have a lot to do with heart trouble."  
There is no doubt but that this is correct, and we would strongly advise any one suffering in any way from heart trouble to try a course of Milburn's Heart and Nerve Pills.  
Price 50 cts. per box or 3 boxes for \$1.25, at all dealers or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

### FLUTTERING OF THE HEART.

Mrs. G. M. White, Williamstown, N.B., writes: "I was troubled with weak spells and fluttering of the heart. I was so bad I could scarcely lie down in bed. I procured a box of Milburn's Heart and Nerve Pills, and it helped me so much I got another box and it has made a final cure. I cannot speak too highly of them. I think they are worth double weight in gold."

### "Bronchitis"

Is generally the result of a cold caused by exposure to wet and inclement weather, and is a very dangerous inflammatory affection of the bronchial tubes.

The Symptoms are: tightness across the chest, sharp pains and a difficulty in breathing, and a secretion of thick phlegm at first white, but later of a greenish or yellowish color.

Neglected Bronchitis is one of the most general causes of Consumption.

Cure it at once by the use of Dr. Wood's Norway Pine Syrup.

Mrs. D. D. Miller, Allandale, Ont., writes: "My husband got a bottle of Dr. Wood's Norway Pine Syrup for my little girl who had Bronchitis. She wheezed so badly you could hear her from the room to the other, but it was not long until we could see the effect your medicine had on her. That was last winter when we lived in Toronto."

"She had a bad cold this winter, but instead of getting another bottle of Dr. Wood's Norway Pine Syrup, I tried a homemade recipe which I got from a neighbor. But found that her cold lasted about twice as long. My husband highly praises 'Dr. Wood's,' and says he will see that a bottle of it is always kept in the house."

It is put up in a yellow wrapper, three pine trees the trade mark, the price 25 cts. Be sure and accept none of the many substitutes.

### Marine Gasoline Engines.

For the past six years we have been endeavoring to put a thorough knowledge of the various conditions under which a fisherman often finds himself placed, on the exposed coast waters of the Maritime Provinces, to consider the requirements of their business, what style of engine will best meet all demands put upon it, and still not take up too much room or interfere with the handling of sails, trawls, etc., in boats. These engines which we are now offering is the result of these years of study and is for general use in all parts of the world. Our marine engines require little space, no delicate pieces to get in the way of swinging in one's sails; they are entirely free from mechanical complications that require mechanical training or special engineering skill to operate. Our engine has been built to withstand the severest test of constant usage, and we believe that our design in this regard have been entirely successful. Now we have a perfect engine to offer to the fishermen of the Maritime Provinces.

We will be pleased to send a catalogue and further particulars on request.
