FISHING FLEET'S EARLY START

Staunch Vessels Sailed For the Fishing Grounds on Early Trip.

LUNenburg, March 25.—The first fishing schooner sailed for the banks today on the early spring trip, and the water front was gay with bunting in the honor. The vessels to get away were the Lila B. Hirtle, Captain James Hirtle; Palatia, Captain Silver; Alexandra, Captain Winters; Glenwood, Captain Thomas Beckman; Alma Nelson; Captain David Blackman; the Shamrock, Captain George Winters; and the Acadia, Captain Mosher.

When these splendid vessels, the crack ones of the Lunenburg fleet, sailed from the harbor they presented a fine sight. The weather was perfect, and the departure of these precursors of the famous Lunenburg fleet was marked with every prospect of success. With every stitch of canvas drawing, the vessels raced away as though off for an ocean race. In fact, this is quite true, as there is much friendly rivalry among the skippers and men, and each is determined to reach the ground first. All these vessels' baited herring with frozen herring from the Atlantic Fish companies freezer.

A SHREWD MOVE IN DIPLOMACY

Japan's Invitation to the United States Fleet Has a Touch of Picturesque in it

ST. PETERSBURG, March 24.—The invitation extended to the American fleet by Japan is applauded as a shrewd move in diplomacy. The Bourse Gazette, speaking of this says: "America naturally could not refuse to accept the invitation, yet its acceptance will serve as a public attestation of the peaceful intentions of Japan, of which she is especially in need in view of her tottering finance and loan credit. The invitation has a touch of the picturesque—tomorrow we may fight; today be our guests."

TOKIO, March 24.—The press without exception is enthusiastic over the announcement of the visit of the American fleet and the government is receiving considerable praise for extending the invitation. The consensus of newspaper opinion is that the prompt acceptance of the invitation shows the friendship of America for Japan, while the visit of the fleet will suffice to show the world the impossibility of a breach of the friendship existing between the two countries.

CHINAMEN MAD OVER TATSU MARU

Fifty Thousand Attended Mass Meeting at Canton—Japan Denounced.

CANTON, March 25.—The greatest indignation prevails here against the Government for yielding to the Japanese demands in the Tatsu Maru case, it being considered that the Government's action in this matter has brought disgrace upon the Province. The Self Government Society of Canton has organized several monster indignation meetings, at which resolutions were adopted that the anniversary of the release of the Tatsu Maru be observed as a day of public mourning. The resolutions also declared a boycott against Japanese goods.

More than 50,000 persons attended the mass meetings held yesterday; buildings were draped in mourning, and twenty or more orators delivered denunciatory speeches. A great number among those who had assembled thereupon divested themselves of Japanese made garments including caps and handkerchiefs and made a huge bonfire of them. One dealer in Japanese goods offered to sacrifice his entire stock. The meetings recommended the impeachment of Yuan Shi Kai of the Board of Foreign Affairs for weakness in yielding to the Japanese.
