For the danger months—

NYAL CREOPHOS

5 tonics in one

It is not a tonic alone, nor is it a cough remedy alone. It is BOTH.

Nyal Creophos will give you new strength and stamina to ward off disease.

Nyal Creophos will relieve the most stubborn and lingering cough, cold, bronchitis or asthmatic condition.

Nyal Creophos has the tissue-building excellence of Cod Liver Oil, Hypophosphites and Wild Cherry combined with the antiseptic properties of Creosote to combat germs.

Guaranteed. Sold only by the

DRUG NYAL STORE

"Once a trial—always Nyal" 1-7-22

THE MARKETS

MONTREAL, Que., Jan. 17. — The foreign demand for Canadian grain continued quiet here today and the volume of business was small. Outside of a little inquiry from local buyers for oats for direct shipment, from Fort William and a small trade passing on spot with country merchants the domestic grain market was without any new feature to note. Prices were steady. The trade in spring wheat grades of flour was dull but prices were firm. On the other hand the winter market was moderately active and prices were unchanged. A feature of the millfeed trade was the further inquiry from United States buyers but owing to the limited quantities available the volume of business was curtailed. The local demand was fair and the undertone was firm. The demand for standard grades of rolled oats was fair and prices were unchanged. An unsettled feeling again prevailed in the egg situation and it was reported today that some dealers were cutting prices for fresh extras one cent per dozen, and storage extras one to two cents per dozen. This was attributed to the large receipts and the limited demand. The receipts were 1,943 cases. Only a small volume of business was done in potatoes and prices were unchanged. Car lots of Prince Edward Island Green Mountains were quoted at $1.10 per bag of 90 lbs.; Prince Edward Island Whites at $1.05 per bag of 90 lbs.; New Brunswick Green Mountains at $1 per bag of 90 lbs. in bulk and New Brunswick white potatoes at 95 cents per bag of 90 lbs. in bulk ex track. A very firm feeling prevailed in the market for imported beans at the late advance noticed but the volume of business was small. Car lots of choice white handpicked sold at $2.80 per bushel ex-track and broken lots at $2.90 per bushel ex-store. The demand for butter was confined to small lots and there was no change in prices. The receipts were 42 packages. The trade in cheese continued slow but the undertone remained steady. The receipts were 308 boxes.

OTTAWA, Ont., Jan. 17. — (Eggs)—The situation on Canadian egg markets is still unchanged, today.

TORONTO — This egg market is much firmer with receipts light. dealers are quoting country shippers extras 40, firsts 35, seconds 26. B. C. eggs are higher at extras 45; firsts 43; pullet extras 41.

MONTREAL — No change on this market today. B. C. eggs are going at extras 45; firsts 42; seconds 39. Dealers are cautious in buying for daily requirements.

For the analysis of metals a scientist has developed a devise in which electricity is used to melt, boil and finally evaporate steel, its gases being isolated for examination.

No child should be allowed to suffer an hour from worms when prompt relief can be got in a simple but strong remedy—Mother Graves' Worm Exterminator.

Central Guardian

BAND AT ARENA TONIGHT. 1919.

SKATING WITH BAND — ARENA TONIGHT. 1919.

"MY FRIEND FROM INDIA" — Another capacity audience greeted "My Friend From India" in its final performance at the Prince Edward Theatre last night. As on the previous night, each and every player in the cast portrayed excellently the different parts alloted to them. The musical numbers were also very much enjoyed.

AT THE CURLING RINK — Two excellent sheets of ice are now available at the Charlottetown Curling Rink and needless to say each and every member is taking full advantage of the great and healthful sport of curling. The third rink will be ready in a day or two and then things will get going in earnest. A big bonspiel between the "East" and "West" is now pending, after which a number of visiting curlers are expected to perform here.

POLICE COURT — At the police court yesteray morning, the young man who was charged with assault causing bodily harm to his wife, was sentenced to $30.00 or thirty days. The charge of assault and battery, which lay against him was drawn. An owner of a gambling device was fined $100.00 or three months. Two more owners had several machines of a suspicious nature removed from their premises to the station by the police. These were examined. In all fifteen were seized but only two were retained as being gambling devices. Doubtless their wives will appear in court this morning to explain.

Western Guardian

—VISITING AUCTION SALES— Mr. E. W. Manson of Summerside, has left for London, England, where he will attend fur action sales in interest of the Canadian National Silver Fox Breeders Association.

—SENT TO SUPREME COURT —Three Indians charged with breaking into and stealing from the store of Austin A. Ramsay, Conway and into the store of Rankin Wallace Coleman were before Mr. Alexander Campbell, J. P. in Summerside yesterday and were sent up for hearing before the Supreme Court.

—HOME FOR VACATION —Mr. Montgomery, son of Mr. and Mrs. R.H. Montgomery, Summerside, arrived home from Havana, Cuba, on Monday night and will spend a mid-winter vacation at his home. Mr. Montgomery is employed in the Havana branch of the Royal Bank of Canada and has been in the Cuba capitol for the last four years.

—ISLAND GOODS IN DEMAND FAR AWAY —One of the Summerside stores this week received an order for smelt nets from a man in Prince Rupert, British Columbia. Though orders for other goods are often received from various parts of Canada this is the first case known where the Island fishing supplies have been in demand on the Pacific coast.

—THE GAME TONIGHT — The Summerside Crystals have been putting in some strenuous practice and will go on the ice tonight with the strongest team they have had this season. The regular line up being in the pink of condition and Montgomery, the fast wing man again able to take his place with the black and white. With the report that the Abbies are bringing up Diamond for the nets and Sugar Gordon on the wing the Crystals are keyed up to give the best battle of their history and the game should be a fast one with the ice in excellent condition and both teams tied for the Island title.

—FUR AUCTION SALES — Montreal fur auction sales opened yesterday afternoon. The following were in attendance from the Island: Mr. Peter G. Clark, President of the Canadian National Silver Fox Breeders Association, Mr. Walter Grant, Mr. G. Shelton Sharp, Bediford, Mr. W.R. Tinney, Summerside.

—DAIRY MEETING.— The annual meeting of the Grand River Dairying Company was held in Maple Leaf hall on Tuesday, Jan. 10th with a large and representative number of stock holders and others interested present. The past year has been a most disastrous one for this company, their excellent plant and equipment having been totally destroyed by fire the latter part of August. Up to that time an unusually large amount of milk had been supplied and it looked as though the company was to have a record year. In spite of the heavy financial loss sustained and the great inconvenience to which they had been put the stock-holders were not in a critical mood and all spoke optimistically of the dairy industry and the promising future which it held in these districts. The secretary, Mr. Joseph D. McLellan, reported that very satisfactory progress was being made on the construction of a new factory and expressed the hope that in about ten days time it would be completed. The work which was under the supervision of Mr. Maurice Fitzgerald was being done in a first class manner. New equipment is being ordered and everything will be in readiness for the opening of the season. It was decided to sell additional shares and to charge all patrons who were not shareholders three cents per hundred pounds of milk in addition to the manufacturing charge. The board of directors was reappointed with the exception of Mr. Cyril Doble, retired, who was succeeded by Mr. Robert Yeo, the board as now constituted is made up as follows: Messrs Fred McDonald, Joseph R. McIntyre, Marshall McLellan, Artemas McArthur, James A. McIntyre, Frank Gillis and Robert Yeo. The officers are: Pres., Mr. Frank Gillis; Vice Pres., Mr. James A. McIntyre; Secretary, Mr. Joseph D. McLellan; Auditor, the Rev. J. A. McDonald.—N.

Springhill.—A large number of members met at the schoolhouse when Roll Call was answered with, "How I spent Christmas." Bills amounting to $1.98 were paid. Miss Ellis and Mrs. McKinnon were appointed to take lunch at the February meeting. Mrs. Wm. Grigg and Mrs. McKinnon to clean the school. It was decided to hold a measuring party at Mrs. Griggs' home on January 17th, to raise funds. This Institute is in favor of the proposed Institute paper published monthly.

Sea View.—Sixteen members and two visitors met at the home of Mrs. John Pickering. An interesting reading—A Song for Chistmas—was given by Miss Jean Donald. Another reading—Christmas at Peters Farm—by Miss Marion McLean. A contest was worked out consisting of jumbled Christmas words. Santa Claus then came and treated everyone to fruit and candy. Plans were made to have the hall cleaned.

Mt. Pleasant. — Twelve members and two visitors met in the school house. The program of meeting consisted of singing, instrumental music and a dialogue. It was decided to send a Christmas to the aged folks of this district. A letter was read from the Supervisor re disturbance. It was decided to give offenders another chance.

Stomach Troubles That Are Dangerous

(CUT THIS OUT)

Some forms of stomach trouble, if neglected, often lead to dangerous conditions—ulcers or cancers—then a surgical operation is about the only hope.

For this reason, even the most simple stomach ailments should be given prompt and careful attention. So, don't neglect acid stomach, sourness gas or bloating! And don't waste time with unknown or unreliable treatments. At the very first signs of distress, go to any good drug store and obtain a few cents' worth of pure Bisurated Magnesia. This special Magnesia Compound is safe and pleasant to take—quickly, almost instantly effective and does not act as a laxative. Be sure and ask for BISURATED Magnesia for stomach troubles only.

CHEVROLET FOR 1928 IS GREATLY ADMIRED

Large Crowds View The New Models In A. Horne And Company's Show Room. Many Improvements Embodied In Its Construction.

The 1928 Chevrolet has made its debut before the Charlottetown public. Rich in design, and with many improvements, the new car created a great sensation in the show rooms of A. Horne and Co., where it was viewed with admiration by the largest crowd, it is said, that has ever turned out in this city to receive a new series of automobiles.

Chevrolet Shows Radical Changes.

Four Wheel Brakes—massive, deep and beautiful radiator.—Extended wheel base and an improved engine are some of the changes which have made the 1928 Chevrolet outstanding in the Motor World in low priced cars. Longer and roomier Fisher Bodies—new Duco color combinations—new models were shown here for the first time on Saturday.

Never before in the history of the Chevrolet Car have such extensive improvements been made as are revealed with the announcement of the 1928 models. They are wonderfully finished and furnished with improvements that would do credit to any of the high priced automobiles.

Probably one of the most important features of the 1928 announcement is that all models are offered at reduced prices.

From the beautifully designed new radiator the lines of the car sweep back to blend into the graceful contours of the bodies. Sharp corners have been entirely eliminated and in the closed models it was noticed that the roof curves into the rear quarters in a unique manner.

A complete new line of cars is included in the announcement of the 1928 series, which follows immediately on the close of Chevrolets greatest year when its volume of a million units made it the world's largest builder of automobiles for 1927.

Its many new features include an extended wheel base an improved engine that gives 34.6 percent more power and five miles an hour more speed. Longer and roomier Fisher Bodies, new Duco color combinations themostat control of cooling—shock obsorber springs—motor enclosure, and indirectly lighted instrument board.

While the wheelbase is increased four inches the coach body has been increased five inches in length and the Sedan body two and three quarter inches.

New features apparent in the engine includes a completely enclosed motor, which makes for quieter running and cleaner engine—new crank case breathing system which eliminates the leakage of engine fumes throughout the body of the car—a new two port exhaust—new Bahnalite constant clearance "Invar-Strut", pistons, new hydro laminated crankshaft gears, mushroom valve tappets and larger camshaft—A. C. oil filter, and A. C. air cleaner are fitted as standard equipment.

The new four wheel brakes which are designed by General Motors and Chevrolet engineers are of the non-locking type, with positive brake linkage. The total braking surface amounts to 189 square inches. In addition to the four wheel brakes the new cars have an emergency brake with an additional braking surface of 70 square inches. This operates entirely independent from the four wheel service brakes.

The springs represent another innovation pioneered by Chevrolet engineers. They provide 50% better riding qualities than the old type of spring, according to observers.

The Chassis in addition to its four inch increase in length has a frame of channel steel 4 3-4 inches in depth with five rigid steel cross members.

In a statement made public by Mr Ross McKinnon, Sales Manager for the Chevrolet Motor Co., of Canada, he says of the new car, "The New Chevrolet which is heralded as "Bigger and Better" owes its outstanding virtues to the manifold facilities at the disposal of the Chevrolet Motor Co., including the General Motors proving ground, the General Motors Research Laboratories, the Chevrolet Experimental Laboratory, the Chevrolet Engineering Department and the skill and resources of the Fisher Body Corporation.

MONTHLY MEETING OF THE WOMEN'S INSTITUTES

SOUTH BEDEQUE. Nineteen members and four visitors met at the home of Mrs. Dan McLure. It was decided to appoint two members to find out how many members would support the proposed Institute paper. It was also decided to purchase two of the I. O. D. E. Calendars one for each school. A letter was read from Miss Deer ackjam sent by the Institute. A comjam sent b ythe Institute. A committee was appointed to discuss a play, and to decide on the characters for the play.

QUEEN MARY—MURRAY HARBOUR. Thirty-six members and one visitor met at the home of Mrs. F. W. LeLahheur. Roll Call was answered by naming "My Favorite Work". A miscellaneous programme was carried out. Plans were made for raising funds. It was decided to have a miscellaneous Concert sometime in February.

GREENVALE. A large number of members met at the home of Mrs. George Sentner's. A Health programme was carried out, consisting of Reading:—"Prevention of Pneumonia", and "A million dollars worth of Hope", an item re Red Cross work, and a discussion. It was decided to hold a concert and a Social in the near future to increase the funds. The Roll Call is to be answered at the next meeting with Valentine Verses.

MONTAGUE. Forty-three members and ten visitors met at the new Memorial School. The first part of the evening a very sumptuous Banquet was given for a social time, when Toasts were proposed and responded to by the different members and two Solos were given by Mrs Wm. Garrick and Mrs. Walter Dalziel, which was very much appreciated, after this part of the programme. Plans are being made to put a new Flag on the very fine school. The basement of the school has been all covered with new flooring, the Institute is paying $100.00 on this bill.

EAST ROYALTY. The members met at the home of Mrs. George Harper, when Roll Call was answered with New Years Resolutions. The young people provided the Entertainment for the evening and a vote of thanks was extended to them. Roll Call for the next meeting to be answered with "Dont's for the Kitchen."

SOUTHAMPTON held their meeting in the schoolhouse. The members responded to Roll Call by paying a nickel. A letter of thanks was read from the Sisters of St. Vincent de Paul Orphanage for the box sent by the Institute Ladies. Lunch was then served and a social hour was enjoyed.

BEAR RIVER NORTH. This Branch held their meeting at the home of Mrs. Peter Moriarty. Roll Call was answered by the members paying a nickel. Reports of Committees were heard, after which a general discussion took place. It was decided to pay five dollars to St. Vincent's Orphanage. $33.45 was realized from a Social.

RED POINT. Seventeen members and four visitors met at the home of Mrs. William Ching. The programme consisted of a Reading by Mrs. E. Rose; a Recitation by Miss Ena Garett and Miss Mary Campbell; another Reading by Miss Muriel Bruce. Plans are being made in holding a Basket Social for the Institute.

LONG CREEK. A large number of members met at the home of Mrs Ernest Turner. A report of the Bazaar was given by the Secretary. A number of bills were requested to be paid. It was decided that $20.00 be given Hall Committee, also $20.00 be given the buying Committee to buy a curtain for the new Hall. A vote of thanks was tendered Mrs. Walter MacPhee for assistance given at the bazaar. Miss Jean MacArthur, Mrs. Dan MacEwen and Miss Mary Stretch were appointed on a Committee to take charge of the programme of a Basket Social, to be held at a future date. Mrs. James MacKenzie sent a note of thanks for fruit sent her at Christmas.

NEW PERTH. Twelve members and two visitors met at the home of Mrs. Wm. Cain. A short paper was given. The list of names was completed for the school days Library Contributions.

TYNE VALLEY held their meeting at the home of Mrs. Daniel McLean. The committees reports were then heard. It was decided to hold a social evening on the 17th of January. One new member was added to the Roll.

Mt. Albion.—Fifteen members and eigh visitors met at the home of Mrs. Robert Jenkins, sr. It was decided to buy a treat for the school children to be given at the half-yearly examination. $5.00 was voted for the Mt. Herbert Orphanage. School committee reported the school had been thoroughly cleaned during the holidays. It was decided to send fruit to a member who is ill. A program committee was appointed to prepare an interesting program for the next meeting. It was agreed to answer roll call next night with Jokes. After the meeting a delightful lunch was served. $5.00 was voted at the December meeting to the Protestant Hospital, and $5.00 to the Orphanage, instead of $10.00 as before published.

True Blue. — A large number of members met at the home of Mrs. Wm. McMillan. Several bills in connection with Bazaar were presented and ordered paid. Proceeds from the Bazaar amounted to $74.95. It was decided to get a patriotic picture for the school. All the members are in favor of the proposed Institute paper published monthly.

Victoria held their meeting in the hall. The treasurer reported the money realized from a bazaar and a bean supper. This money to go towards lighting the village. It was decided to buy two patriotic calendars for the school. This Institute is in favor of the proposed Institute paper.

MADE AT NIAGARA FALLS

Kensington United Church

The annual congregational meeting of the Kensington United Church was held on January 11th. The Moderator, Rev. Dr. Saint was elected chairman and Dr. A. A. Lockhart secretary. In spite of the fact that the past church year consisted of only nine months, that it had been broken by the smallpox epidemic and that this congregation suffered much inconvenience on account of a shift in place of worship, the reports were all of an enthusiastic and highly encouraging nature. The pastor expressed much gratification over the treasurer's report which showed that this congregation had in the nine months raised the full twelve months allocation to the Maintenance and Extension Fund, twelve hundred dollars besides meeting all other expenses.

The Session report revealed a total increase in membership of seventeen, with nine removals by death and certificate. Fitting reference was made to the loss sustained by session and congregation through the death of Wm. Brown in his ninetieth year, who was for so many years such a tower of strength to the cause in Kensington. Regret was also expressed over the removal of Mrs. J. M. Laird, Mrs. Jas. Essory and Mrs. Elizabeth Doughart by the Grim Reaper and in tribute to these departed members the congregation rose and sang a verse of "In the Sweet Bye and Bye."

A resolution emanating from the session suggesting that three new elders be elected this year and that in future, three elders voluntarily retire for re-election each year was endorsed by the meeting and announcement made that the voting would take place on the two successive Sundays.

The Board of Stewards brought in a somewhat similar resolution to the effect that all the present board should vacate their office and that a new board of nine representing the different parts of the circuit be elected. This was also adopted and a nominating committee appointed to draw up a new slate of stewards.

The reports of the various missionary societies were also very satisfactory, the allocation of five hundred and twenty-five dollars being surpassed. Mrs. Lea Moase reported over $40.00 raised by the Mission Band, Mrs. Peter White over $310.00 by the W. M. S., and Mrs. Harold Laird almost $200.00 by the Y. P. M. S. In addition to these amounts Mrs. Preston Kennedy reported $128.00 raised by the Ladies' Aid and David Murphy for the Sunday School $85.00. The heads of these various departments for the coming year are as follows:

Superintendent of the Sunday School—J. Bruce Paynter

Assistant Superintendent of the Sunday School—J. A. MacKenzie

Sup't. of the Cradle Roll Dept.—Mrs. Ella Lowther

President of the W. M. S. —Mrs. Wm. Cotton

President of the Y. P. M. S.—Miss Gertrude Buntain

President of the Ladies' Aid—Miss Tillie Simpson

Leaders of the Mission Band—Mrs. Lea Moase and Mrs. D. MacKenzie

The new Board of Stewards consists of:—W. D. Profitt, Jas. H. Sheen and Stewart Moase for three years; Wm. Caseley, Edward MacMurdo and H. C. Bowness for two years and Dr. A. A. Lockhart, J. E. Inglis and Stanley Caseley, all re-elected for one year.

A strong Finance Committee under the chairmanship of Wm. L. Johnson, and a committee to prepare plans for the renovation and enlargement of the church to give adequate accommodation for Sunday School and Young People's work were also appointed, the latter committee to report to the congregation in six week's time.

Before adjourning a resolution expressing the satisfaction of the congregation in the work of the pastor and leaders, the gratification felt by all in the success of the past year, and confidence for the future was unanimously passed. A further expression of this gratification was given at the Christmas season when Dr. Saint was presented with a fur coat and gloves by his people.

After adjournment a pleasant social hour was spent in the vestry where the ladies served substantial refreshments.

ROSE VALLEY SCHOOL

The semi-annual examination of Rose Valley school which was held on Thursday afternoon, December 22nd was well attended by parents and visitors. The school was tastefully decorated for the occasion with evergreen, garlands and bells. The pupils who were examined in the various subjects by their teacher, Miss Jennie Muttart, assisted by J. W. MacKenzie and Miss Stella French, showed by their correct answers that Miss Muttart is doing work in the school that is worthy of praise. Mr. Dan Todd was appointed chairman and the following program was excellently well rendered by the pupils:

Chorus "Merry Christmas"—School

Recitation, "Never Give Up"—Jessie Clow

Song by three little girls

Recitation, "Johnny Sands"—Benj Cousins

Dialogue, "Jelly for the Minister"—Marion Clow, Katie MacDonald, and Evelyne Graham

Recitation, "Arithmetic" — Grace MacInnis

Song by Mary MacKinnon (encored)

Recitation—Marion Clow

Dialogue "Christmas" — Annie Todd and Jessie Clow

Recitation, "The Twins"—Johnnie Munroe

Recitation, "Woman"—Ewen Todd

Recitation—Jean Graham

Dialogue, "Farm for Sale"—Margaret Todd, Benj. Cousins and Joseph Graham

Recitation, "None of our Business"—Evelyne Graham

At the close of the program Marion Clow and Katie MacDonald arose and presented their teacher with a beautiful gift and read the following address:

Miss Jennie Muttart:

Dear Teacher,

As the Christmas season again draws nigh, we feel that we cannot let it pass without trying in some meagre way to show how we appreciate the patience and faithfulness which you have displayed while teaching us from day to day. We know that at times we have been trying, but we will endeavour to attend to our studies better in the future and maybe make your task easier.

And now, dear teacher, as an evidence of our sincerity, we ask you to please accept the accompanying gift. It is but a small proof of our affection which words are inadequate to express.

Although mourning as we are at this time, the untimely passing of one of our classmates we wish you a Merry Christmas.

From the pupils of Rose Valley School

Upset stomach, sluggish liver, and acid condition cause bad breath. Seigel's Syrup gets at the cause. Try it and have a wholesome breath. Any drug store.
