I took five bottles of CUTICURA RESOLVENT, washed with CUTICURA SOAP, put on CUTICURA (ointment), and found great relief instantly, and got a clean face again, thanks to CUTICURA.

Pronounced Incurable by Doctors, But Made Strong and Well by Paine's Celery Compound.

WELLS & RICHARDSON CO. GENTLEMEN:—Having been given up to die some time ago by some of the best doctors of the United States, I came to Canada last Autumn terribly ill, and had lost all hope. Suffering agonies from inflammatory rheumatism, I was strongly urged to use Paine's Celery Compound. I gave it a trial as recommended, and the first bottle did me much good I continued with the medicine until I had used seven bottles, when I found myself perfectly cured; indeed, I never felt better in all my life than at the present.

I use every possible means to tell others of Paine's Celery Compound, and will always recommend it to those troubled with rheumatism. Yours very truly, WM. MORRISSETTE, Roxton Pond, P. Q.

A NOVA SCOTIA CASE

Significant Praise of Dodd's Kidney Pills, by a Meteghan Citizen.

Meteghan, N. S. Aug. 22.—No man is better known to the travelling and commercial classes, in this province than is Mr. William German, proprietor of the Bay View Hotel here.

An interesting statement is made by Mr. German, and reads thus: "I take pleasure in testifying to the merits of Dodd's Kidney Pills. Two years ago, I was suffering from severe pains in my back caused by Kidney Trouble.

"I got two boxes of Dodd's Kidney Pills and used them, and my complaint was completely cured. I have not had the slightest pain since."

To all victims of Kidney Complaint there is one way of escape from their suffering. That is by using Dodd's Kidney Pills. They always cure.

SUCCESSFUL

MANY OF THEM ARE HAD BY DOCTORS.

Dr. A. W. CHAMBERLAIN

COMES TO THEIR AID

Success in life is almost impossible for a man with bad breath. He wants to do business with his body wants to associate with his body is handicapped everywhere. His live breath comes from catarrh of the head, nose, and throat. It is catarrh somewhere, and catarrh is another name for uncleanness.

Many men understand this and do every effort to cure it, but it is beyond the reach of ordinary medicine. No self-respecting man can be catarrh. If he has it in any form makes constant effort to be rid of it.

There is something about the inner of life and the climate of the nose that seems to breed diseases of mucous membrane. Medical men ordinarily don't try to cure it. It is curing catarrh for over 10 years, and his name is known to thousands who have shaken the grasp of this insidious disease.

An Ex-U. S. Consul Tribute

To Dr. Fowler's Extract Wild Strawberry.

There is scarcely any remedy where that has received such high praise from all over the land as Dr. Fowler's Extract of Wild Strawberry.

Steadily, year by year, for over 20 years now, it has grown in public esteem solely on its merits and is today used on a peer for the cure of Dysentery, Summer Complaint, Cholera, Colic, Cholera, and all bowel troubles of children or adults.

The following letter from Mr. Edward Young, formerly Consul at Washington, D. C., Jan. 1898.

207 Maryland Ave., N. E. Washington, D. C., Jan. 1898. MESSRS. T. MILBURN & CO. TORONTO.

GENTLEMEN:—Since my return to this city from Windsor, N. S., where I was U. S. Consul for eleven years, I was unable to obtain from my druggist Fowler's Extract of Wild Strawberry, which myself and family prize so highly. I always kept it in the house, and Windsor ready to use when I had occasion anything that disagreed with me.

Please advise me where I can obtain it here, as I do not know of any other place as useful as this.

Respectfully yours, (Signed) Edward Young.
