

Chase & Sanborn's

HIGH GRADE COFFEE

With its topaz-like clearness and aromatic fragrance—a cup of Chase & Sanborn's Coffee holds out a promise of deliciousness that is more than fulfilled in the drinking.

For unqualified perfection in coffee, be sure to order Chase & Sanborn's.

ALABASTINE

as well as sanitary results are obtained from the use of Alabastine. Instead of deteriorating with age, it actually becomes harder, until at last it forms part of the wall itself.

with its plain tints, supplies a luxurious wall-covering for the most handsome rooms, leaving your walls free from the dullness of wall papers. We will be glad to tell you more about Alabastine, if you will ask us. Let us show you a tint card and cutting of wood with 55 coats on.

SUNDAY SCHOOL LESSON

MARCH 22.

REVIEW.

GOLDEN TEXT.—"In him was life; and the life was the light of men." John 1: 4.

The purpose of John's gospel is given in John 20:31: "But these are written, that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name." It was to prove that Jesus is the Christ, the Son of God, and to prove it in such a way that men might believe it in their hearts and thus obtain life through His name. Therefore the best review of the lessons of the Quarter will be to go through the lessons one by one and find out how this great truth that brings life is illustrated in each lesson.

In Lesson I. this central truth of this Gospel is brought out in many ways. We see the pre-existence of Jesus Christ as the eternal Word, "In the beginning with God," and thus plainly declared that He was God. We see Him as the Creator of all things, the One in Whom was life and Who was the Light of men. In Jesus of Nazareth this eternal Word became flesh and the apostles beheld His glory, glory as the only Begotten Son of God, who fully revealed God in His own person as well as in His words.

In Lesson II. we have John's testimony received from God and certified by the visible descent of the Holy Spirit that Jesus was the Lamb of God, eternally pre-existent, the One who baptized with the Holy Ghost, the Son of God.

In Lesson III. we have Andrew and Philip's discovery of Jesus as the Messiah, Him of whom Moses in the law and prophets did write; and Nathaniel's discovery that Jesus was the Son of God, the King of Israel.

In Lesson IV. we have Jesus manifesting Himself as Son of God and Ruler of God's house by driving out from it those who were defiling it by making the Father's house a house of merchandise. And also Jesus testifying to His own deity by claiming that if they destroyed the temple of His body He would raise it up again.

In Lesson V. we see Jesus as the only begotten Son of God giving eternal life to those who believe in Him.

In Lesson VI. we see Jesus declaring Himself to the woman as the Christ, "I that speak unto thee am He," and the woman of Samaria recognized Him as the Christ because "He told me all things that ever I did."

In Lesson VII. we see Jesus manifesting His divine glory by healing sickness by His word.

In Lesson VIII. we see Jesus manifesting His divine power by healing simply by His word a man who had been in his infirmity thirty and eight years and who was utterly helpless and hopeless.

In Lesson IX. we see Jesus manifesting His divine power and glory by feeding 5,000 men—with five small loaves and two small fishes, twelve basketfuls of fragments being left over after all were filled. This was a creative act and a decisive proof of Jesus' deity.

In Lesson X. we hear Jesus declaring Himself to be the One who giveth everlasting life, the One whom God the Father hath sealed, the One through belief in Whom eternal life is obtained, as the Bread of Life which cometh down from heaven, the One to Whom coming we shall never hunger and upon Whom believing we shall never thirst.

In Lesson XI. we see Jesus manifesting His deity in healing a man born blind and declaring Himself the Light of the world.

In each lesson Jesus shines out as the Christ, the Son of God. True faith is built upon facts. Here are facts upon which faith can build and believing obtain life through His name.

Invalid Ladies This Is For You.

There are thousands of females who suffer untold miseries common to their sex.

This is largely due to the peculiar habit of life and fashion, and the improper training of girlhood. Then, too, the physical changes that mark the three eras of womanhood (the maiden, the wife, and the mother) have much to do with her sufferings, most of which are endured in silence, unknown by even the family physician and most intimate friends.

To all such whose hollow cheeks, pale faces, sunken eyes and feeble footsteps, indicate nervousness, palpitation of the heart, weak, faint and dizzy spells, we would earnestly recommend a course of Milburn's Heart and Nerve Pills.

Mrs. J. M. Sharp, Brighton, Ont., writes: "I was troubled with palpitation of the heart, weak spells and nervous trouble, and found no relief until advised to try Milburn's Heart and Nerve Pills. I got one box and that helped me so much I sent and got five more. I am now cured completely."

Milburn's Heart and Nerve Pills are 50c. per box or three boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

AUTOMATIC COUPLER FOR AIR-BRAKE PIPES

\$1,000,000 CORPORATION

The Marshall's Automatic Brake Pipe Coupler Company has just been incorporated under the laws of Arizona, with Charles Albert Marshall, President, Hon. C. W. Bitterworth, Vice President and Judge Ernest A. Robitaille, Secretary and Treasurer, with the principal office at Tulsa, Oklahoma.

The object of this company is to perfect and place upon the market patent No. 689,003, granted to Charles Albert Marshall, October 22nd, 1907, and known as the Marshall's Automatic Brake Pipe Coupler, a device to replace the rubber hose in use upon air breaks on all railroad cars.

The Marshall's Automatic Brake Pipe Coupler is practical it is endorsed and recommended by railroad men of long experience.

There are three million cars in use, alone in the United States, to say nothing of those in use in foreign countries; one third of the old style rubber hose must be overhauled each year and a new person must take the place of the old worn out ones, at an expense of over \$2.50 thus making an annual needless expense of over two million five hundred thousand dollars, whereas with the Marshall's Automatic Brake Pipe Coupler, once installed will last, as long as the car itself, besides there is no risk to the lives of men going between the cars to make coupling as with the Marshall's automatic Brake Coupler, there are no such couplings to be made.

The old style rubber hose couplings will not stand more than 70 pounds air pressure, whereas the Marshall's Automatic Brake Pipe Coupler being made of metal, will stand all the pressure the engineer has under his control.

The shares of stock of this company are now being offered at one dollar each per value, fully paid up and non-assessable, although they have had their stocks on the market but a few weeks, the sales have exceeded their most sanguine expectations.

Parties wishing to avail themselves of this proposition, can do so by making remittance to any bank of Tulsa, or taking the matter up direct with the Marshall's Automatic Brake Pipe Coupler Company at its principal office in Tulsa, Oklahoma. 3-10d3w.

The EDISON PHONOGRAPH

THE young folks wander away from the home circle in search of music and entertainment. It is so easy to entertain them at home, better than they can be entertained anywhere else, and it is such innocent amusement, by means of an Edison Phonograph, which **furnishes music for dancing** gives all the new popular songs of the theatre and selections from the grand operas and concerts, and reproduces band music, the old ballads and love songs so perfectly that it is hard to believe that it is not the real music or voice to which they are listening. Parents owe it to their children to investigate the merits of the Edison Phonograph, and not confound it with any other kind of talking machine they may have heard.

Go to your nearest dealer and hear the new Edison model with the big horn, or write today for a catalogue describing it.

We Desire Good, Live Dealers to sell Edison Phonographs in every town where we are not now well represented. Dealers having established stores should write at once to

National Phonograph Company, 100 Lakeside Ave., Orange, N. J., U. S. A.

QUEEN CITY FLOUR

is a sweet wholesome blend of pure white winter wheat with the best hard Manitoba wheat. Nutty flavored bread, creamy biscuits, flaky pastry, delicious cake, can be baked all equally as well by the careful housewife with "Queen City." It's an "all purposes" flour.

Your grocer sells it.

EASY TO PUT ON

Just add cold water to Alabastine and apply with a brush. Sounds easy, doesn't it? And it is easy. With Alabastine any woman can be her own decorator and readily accomplish most dainty and artistic effects.

Many new and beautiful ideas for home decorations are illustrated and explained in our handsome book, "Floral, Healthful and Beautiful." Former price, 10c. On request mailed free to readers of this publication.

Alabastine is a hygienic cement, made from white gypsum rock. Quickly hardens and becomes part of the wall. Most indestructible as well as the most healthful and artistic wall covering in existence.

Alabastine is sold by hardware and paint dealers everywhere—a 5-pound package for 50 cents. Ask your dealer for tint card. Never sold in bulk.

THE Alabastine Co. LTD.
42 WILLOW STREET, PARIS, ONT.
