He was a carpenter by trade and during the years had built up an enviable reputation in his line owing to his skilled work. His death came as a great shock to a large circle of friends. Youthful Livestock Club Members Hold Successful Show

During the past week four exhibitions were held by the Boys and Girls Livestock Club in various parts of the Province. The clubs were supervised during the year by Mr. L.W. Roper, Federal Dept. of Agriculture. The awards were placed by Mr. S.C. Wright, Dominion Department of Agriculture.

The Meadow Bank Club held their show on Sept. 27. There was a good showing of stock with a fair attendance considering that the harvest was being gathered at the time. Mr. Wright spoke highly of the quality of the exhibits.

The Kinkora Ayrshire Club held their show on Sept. 28. The boys and girls were also well attended although the classes were not filled to the extent of previous years. This was due to scarcity of help. On the whole, the fair was quite successful.

The exhibition by the Holstein Boys and Girls Club of Graham's Road was held on Oct. 1. The boys sent a splendid showing in the calf classes. Mr. Wright expressed his opinion that top calves in this class were of a splendid quality. It is expected that this club will make a bigger and better showing in 1944.

The Pinette Ayrshire Club on Oct. 2, exhibited a splendid line of Ayrshire calves. The quality of stock compared favourably with that of the other four clubs.
