Lorraine Abbe Wins Junior Free-For-All At Covehead Meeting

Heading the field in each heat Lorraine Abbe yesterday won the junior free for all, feature event of the Covehead race meeting as 1500 racing fans again witnessed racing on a par with the great meets that have been held on the Island circuit all season long.

Just Betty was 2-1-1 in capturing the No. 1 classified trot and pace; Lucky Number took a new record of 2.16 in winning the No. 2 classified trot and pace, while McNeill's Pick, making his first start of the year was a straight heat winner in the No. 3 classified trot and pace.

Junior Free For All

Right after they got the word *O. U. Volo* took the rail to lead the field around to the halfway mark but here Lorraine Abbe took over to make every post a winning one from there on. In the second and thid heats Lorraine, scoring at the pole, was never headed although being forced to pace the third heat in 2.12, same time as chalked up in the opening mile.

No. 1 Classified Trot and Pace

Beaten by an eyelash in the first heat by Billy Kalmuck, Just Betty came on to win the next two heats and race. Just Betty looked to have the heat won only to have Billy Kalmuck come very fast in the stretch to nip her at the wire. The Seaman-owned mare reversed matters in the second mile, coming through in a stretch drive to win by a length and then lead from wire to wire all during the final mile.

No. 2 Classified Trot and Pace

Coming with a great burst of speed in the home stretch from fourth horse position Lucky Number copped the opening heat by half a length from Just Flicka. The mile was in 2.16, a new record for the winner. Lucky Number led all the way in the second heat to again equal her record with Just Flicka turning the tables on the Willard Kelly-driven horse in capturing the third heat.

No. 3 Classified Trot and Pace

Making his first start of the season McNeill's Pick had too much trotting speed for the other seven horses in the class as he chalked up a straight heat victory in the final class on the card. In the first heat he took over the lead at the half to trot under the wire half a length to the good over Valley Long. Valley Long furnished the competition for the first half of the second mile only to go to a disastrous break that dropped him far back, the Pick winning with Guy Spencer moving up to second place after finishing sixth in the first mile, while in the final mile McNeill's Pick led all the way, winning by a length in a battle with Maudene Budlong.

Local Girls Win Opener From S'side

A sensational one-hand stab by *short stop* K. White off Blanchard's line drive in the last half of the ninth inning cut off a promising rally by the home forces and Charlottetown K. of C. All-Stars finished ahead of the S.Y.C.I. All-Stars in Summerside last night by the score of 13 to 10. They are now one game to nil in a best two out of three series for the girl's softball championship of Prince Edward Island.

The visiting team hit much harder than their rivals and it was only the fine fielding display put up by the S.Y.C.I. girls that made the game so close. The home girls showed up particularly well in the outfield, Dorothy Arsenault, in left field getting three hits for five and making two fine catches. McNeill toted the heavy bat for *the visitors* clouting 3 hits in 6 trips.

The K. of C. got 13 hits, SYCI accounting for ten safeties.

It is believed the series will be continued in Charlottetown on Saturday.

Lineups:

Ch'town: McNeill 3b., Lund and Currie c., Landrigan lf., Henningan rf., Coyle and J. McDonald p., Griffin cf., S. McDonald 1b. Bernard and McMaron 2b., White ss.

S.Y.C.I.: Arsenault lf., Gaudet 2b., Compton ss., Blanchard 1b., E. Smith cf., McPhee c., Deighan p., Baker rf., C. Smith 3b.

Rovers And Anchors Clash This Evening

Rovers and Anchors clash tonight in a postponed game of the City Baseball league and fans are looking forward to an exciting, hard fought tussle all the way. It is the final game of the league schedule with the Anchors having a chance of copping the third section title and the Rovers being given the opportunity of handing the section to the Legion who are at present half a game in front of the Westend crew.

The game will get underway at 6.15 sharp. Starting hurlers were not announced last night.

All Star Practice

There will be a practice for the K. of C. All Stars at 6.30 p.m. tonight. All players are asked to attend.

Game Officials Visit Here

Last night three migratory birds men arrived in the city from the mainland. Mr. Harold S. Peters, Atlantic Flyway Biologist, Charleston, S.C., and Bruce Wright, Eastern representative of Ducks Unlimited and his assistant Andrew Skead, Fredericton, N.B., are here on a two day check on the duck situation. Messrs. Peters and Wright have just returned from a two week tour of the St. Lawrence River area of Quebec and while not expressing any official statement admitted that the duck situation generally over eastern Canada "has them worried". The men are in the province for the express purpose of ascertaining, as accurately as possible, the status of the black duck on the Island. It is understood that the men will be assisted in the check by a member of the Royal Canadian Mounted Police.

Boxing Commission Is Not Filing Financial Statement

(By The Canadian Press)

GLACE BAY, N. S., Aug. 21—Russell Cunningham, Provincial C.C.F. leader, said in an interview today that the Cape Breton boxing commission has not been filing an annual financial statement with the government as had been directed in the Act which formed it in 1930.

This "indicates that there is something very wrong somewhere," Mr. Cunningham said.

While in Halifax recently he was in touch with the provincial secretary's department with a view to examining the reports and was told that the yearly reports were not available. Since then he received a letter from assistant secretary Arthur S. Barnstead informing him that the provincial secretary's department had never received a financial report from the Cape Breton boxing commission. This was directly contrary to the Act by which the body was formulated.

Mr. Cunningham revealed that the commissioners do not receive any remuneration but are allowed consideration for any legitimate expenses. They collect five per cent of each boxing bout take besides licence fees after expenses are paid. The net proceeds are supposed to be divided equally between the Little Flower Orphanage and the Bairncroft Orphanage.

The let-down that usually follows Old Home Week is not quite so evident this year. In fact there doesn't seem to be any such feeling. What with baseball, tennis, golf and the odd Wednesday racing card thrown in there is plenty of entertainment for the average sports-minded citizen.

• • •

Play is already underway in the Charlottetown Tennis Club Championship and entries closed today for the tournament to be staged by the Holy Redeemer Club. Next week the annual championship meet of the Maritime Branch of the Canadian Ladies Golf Union will be played over the Charlottetown Club course.

• • •

Entries for the ladies golf tournament are reported slow coming in, but it is believed that by the end of the week the list will be greatly augmented and a large number of competitors will tee off in the renewal of the ladies golf classic.

✚ ✚ ✚ ✚

The program opens on Monday and will continue through until Friday. The meet was cancelled during the war years and it is expected its resumption will see many new players. Surprises and upsets may be in the offing, and the ladies of the Belvedere club are looking forward to an interesting and entertaining five days.

✚ ✚ ✚ ✚

Tennis at the Charlottetown courts is still in the early stages with few if any upsets to record. Bill Moreside is standing by as other club members battle it out for the right to meet him in the finals for the singles title. Interest in the various matches is high and the hopes of many earlier in the season that tennis was due for a comeback in this post-war period have been borne out. There should be some real good matches played when the field narrows down for the championships.

✚ ✚

Halted Tuesday night because of weather conditions Rovers and Anchors will clash tonight in the final game of the third section of the City Baseball League and ball followers are expecting a red-hot struggle as the west end team endeavours to clinch the section title and the northend crew aims at blocking them reaching their objective despite the fact that a victory or defeat means nothing to the Rover team.

• • •

The encounter has all the earmarks of being one of the most bitterly fought of the entire schedule. There has been a lot of rivalry generated between the two squads ever since the baseball season got underway and it would be right up the Rovers alley if they could foil the Anchors attempt at a section title. They did it in the second section by gaining a tie with the Anchors and are anxious to repeat the dose if at all possible.

Deacon Allen who finds it hard to adjust his schedules has just missed the bus for Berthierville so as usual he found himself in a telephone booth, says Baz O'Meara in the Montreal Star.

• • •

Naturally his subject of conversation was Dave Castilloux. He had rustled Ralph Walton to act as sparring partner. Walton is a tough cookie who will give Castilloux plenty of the sort of thing that Greco will be dishing out.

• • •

"How is your meal ticket, and do you think he will be punched full of holes?" we asked the Deacon who retorted more in sorrow than in anger.

• • •

"I am prepaerd to bet on this fight and I think the odds should be three to one for Greco, not because they are the right odds, but based on New York prices.

• • •

"If they held this fight in New York the other fellow would be 4-1 against my man. Here it should be three to one but so many want to take Castilloux I fear it will be about twelve to five on fight day, and even at these odds I will get myself quite a slice.

• • •

"There is the question of weight which should give Greco some help only Castilloux doesn't worry about giving away ten or twelve pounds and he won't be above one thirty five and a half because he would lose in speed what he would gain in weight, and speed is his forte as you know," said John going a bit lofty on us.

• • •

Allen is living in Berthierville and is keeping a sharp eye on Casty.

• • •

"This is a very tough fight, and I'm still stringing with Casty because it represents the biggest fight of his life, and if you think he doesn't hate that Greco who got all the plums around New York that Castilloux might have had, then you are very much out of line."

• • •

Asked how the fight was drawing so far the Deacon declared he had heard the advance bookings were something like $13,000 which seemed to please him no end as the more Casty gets the more the Deacon gets.

• • •

"Just think when Castilloux beats this fellow how much he will be in demand. They will even want him in Madison Square Garden." Which will be a very good trick if the Deacon can turn it.

Ferriss Chalks Up 22nd Victory As Red Sox Outslug Browns 12-9

(Canadian Press)

Dave Ferriss went to the head of American League pitchers yesterday, winning his 22nd game against four losses as Boston Red Sox outslugged St. Louis Browns 12-9.

Ferriss needed help, however, to move one victory ahead of Detroit's Hal Newhouser, when the Browns shelled the Sox' ace to the showers in the sixth inning after piling up 14 hits. Bob Klinger relieved Ferriss, who had been charged with seven runs, and stilled the Browns' bats.

The victory was Ferriss' 10th in a row, but when he left in the sixth inning, his streak of complete games was broken at 14.

New York Yankees swept a doubleheader from Chicago White Sox, eking out a 12-inning 5-4 decision in the nightcap after winning the opener 10-1.

Pinchhitter Nick Etten drove in the winning run in the 12th after Johnny Lindell had opened with a triple and relief pitcher Earl Caldwell purposely passed the next two men to load the bases.

A homer by Joe DiMaggio, his 22nd, tied the score in the seventh and stretched his consecutive hitting streak to 13 straight games. DiMaggio also homered in the opener as did Charlie Keller and Aaren Robinson, to enable Spud Chandler to coast to his 16th victory—his first win in four weeks.

Philadelphia Athletics knocked Virgil Trucks out of the box in the sixth inning to defeat Detroit Tigers 4-1. Trucks had beaten the A's five times this year.

Phil Marchildon allowed only seven hits and became the first Mack pitcher to win 10 games this season against 12 defeats.

SAINT JOHN, N.B., Aug. 21 — (CP) — St. Peter's, of Saint John, squeezed out a 1-0 win tonight over a fighting Grand Manan Island team, the Seal Cove Atoms, and eliminated the islanders from the second round of the New Brunswick senior baseball playdowns. St. Peter's, provincial champions last year, won the opening game last night 4-2.

Their next opponents depend upon a decision on a protest by St. Martins, who lost to Hampton in another playdown series.

John Cobb covered a measured mile in the fastest time man had ever travelled on wheels when he covered the distance in 368.85 miles per hour at Bonneville, Utah, seven years ago today. The Briton failed to set a new land speed record when motor trouble prevented him from making the return run required by racing rules.

Short-Enders Knocking Off Favorites

PORTLAND, Ore., Aug. 21 — (AP) — Led by the battling Bassler brothers of California, short-enders knocked out favorites right and left today in first round matches of the National Professional Golfers' Association championship.

Harry Bassler Los Angeles, downed the United States open champion, Lloyd Mangrum of Chicago 1 up. His brother, Newton Bassler of Carmel, Ore., picked big game in the person of Melvin (Chick) Harbert, Northville, Mich., 3 and 1.

Dick Shoemaker, Pittsburgh Pa., sidelined Sam Byrd of Redford, Mich., runner-up in this tournament a year ago, 3 and 2.

However, defending champion Byron Nelson, Toledo, O., ailing back and all, swamped his first opponent, Frank Rodia, La Mesa, Calif., 8 and 7.

Other favorites defeated included Clayton Haefner, Charlotte N.C., who lost to unknown Al Nelson Ponte Vedra, Fla., 2 and 1; veteran Jimmy Hines Chicago, beaten by Lew Worsham, Wasnington, D.C., 3 and 1; Herman Keiser, Akron, O., eliminated by Fay Coleman, Los Angeles, 1 up on the 20th.

Vic Ghezzi, 1941 P.G.A. champion from Knoxville, Tenn., had a close call before gaining a 1 up victory over James Gantz of Detroit, Mich. They were even at the turn.

Ben Hogan, Hershey, Pa., had unexpectedly tough opposition in Charles Weisner of Muskogee, Okla., the little slugger finally winning, 2 and 1.

Feller Fires Ball At 98.6 Miles Per Hour

WASHINGTON, Aug. 21—(AP)—Science has proved what American League batsmen have known for a long time—that Cleveland's Bob Feller has a whale of a fast ball.

A United States army chronograph, a device used to measure the speed of a rifle bullet, timed Bob's fast one in a test last night at 145 feet a second, or 98.6 miles an hour.

According to the army, this is a new world record. In 1939, Atley Donald of New York Yankees threw a ball 139 feet a second, or 94 miles an hour.

Middleton Team Jumps To First Place

MIDDLETON, N.S., Aug. 21 — (CP)—Middleton Cardinals jumped into first place in the Halifax-Middleton baseball league today by capturing both ends of a double-header from Halifax Arrows 2-1 and 8-1.

The opener went 12 innings before Bernie Parent scored all the way from first on Danny Seaman's long single to centre field. Lefty Leteri was the winning hurler, giving up seven hits, while Neil Staples dropped a three-hit heartbreaker.

Middleton rolled all their runs across in the sixth and seventh innings of the nightcap as Johnny Harvey, new recruit from Saint John, N.B., held Arrows to five bingles.

Dodgers Clout Three Pittsburgh Hurlers For 8-2 Victory

(Canadian Press)

Clouting three Pittsburgh hurlers for 11 hits, Brooklyn Dodgers defeated Pirates 8-2 yesterday to retain their slim National League league.

Held to four hits and shut out by Pittsburgh's Nick Strincevich Tuesday night, the rebounding Dodgers hopped on starter Ken Heintzelman for three runs and six hits in five innings and continued their attack on Jack Hallett and Fritz Ostermueller, scoring five markers in the last two frames off Fritz.

Manager Frank Frisch of the Pirates was tossed out of the game in the eighth by umpire Al Barlick for vehemently arguing about Cookie Lavagetto of the Dodgers on a ball and strike decision.

Del Ennis, rookie outfield star used his home run bat to produce a 1-0 victory for Philadelphia Phillies over Chicago Cubs. Ennis smashed his no. 11 round tripper with two out in the top half of the ninth for the only run of the game.

Ennis' hit enabled Dick Mauney to gain his third victory with a three inning one-hit relief stint. Hugh Mulcahy started and went six innings. Between them, Mulcahy and Mauney limited the Cubs to four scattered singles.

Johnn Hetki pitched and batted Cincinnati to a 7-2 victory over New York Giants to strengthen the Reds' hold on fifth place.

The 24-year-old rookie right-hander limited the Giants to six hits while collecting three of 13 safeties yielded by a trio of New York hurlers.

Hetki started the Reds on their way to victory by doubling home two runs in a three-run Cincinnati second inning off starter Johnny Gee.
