LAST BUT NOT LEAST THE BIG STORE COMES IN

There's always a rattling of dry bones among our competitors when WE go into a discount sale—Why?—Well, when we go in, we do so with our whole stock—we don't advertise big discounts on a little fancy goods and stuff the people don't want—we simply say our whole stock is yours, not a cent's worth reserved here except cotton warp and spools—and we'd discount them too, but if we did the trusts of this country would not sell to us again, 25 per cent is the smallest discount here and 50 per cent is the highest. Here's a few and what you don't see here is being sold at the same discounts.
