This contains information relative to the principal local financial and industrial institutions, with a calendar of dividend payments, and dates to which stock transfers for books, etc. It also contains the financial standing population in our Nova Scotia cities and towns. An accurate interest and stock yield tables makes this a most valuable book.

Also, our April List of Investment Offerings.

Both of the above can be had on application.

# THE PRINCE COUNTY GUARDIAN

Offices in Summerside, J. Frank Latery,  
Manager and in Alberton, Herbert Clark, Manager

—The latest news, list of all.

—Capt. Jos. Read, Summerside, returned from Charlottetown Tuesday.

—D. Montgomery of Alberton will take charge of the Georgetown railway station about the first of May.

—Dr. Anderson, Supt. of Education, Charlottetown was in Summerside yesterday, on his annual inspection of the public schools.

—An error in transmission by telephone made the birth notice in yesterday's issue of Russel and Mrs. Howatt, Tryon, read incorrectly.

—One of the first signs of summer was noticeable on Water Street, Summerside yesterday, when the boot-black stand, with the "Dago" in charge, commenced work.

—Albert Gaudet, Summerside has tendered to the town council his resignation as Street Commissioner for the town of Summerside. Resignation to take place on Saturday next.

—W. S. Newsom, Summerside, left yesterday afternoon via Charlottetown for New Brunswick, taking with him a carload of fine heavy draft horses for the New Brunswick market.

—Wm. Curtis and Wm. Rattee, of the grocery department of R. T. Holman, Ltd., Summerside, have resigned their positions with that firm they having purchased from Woodland Simmons the meat business lately conducted by him in the market building. The new firm expect to open their quarters on Saturday next.

—The firemen were called out about 10.30 yesterday morning, for a slight blaze caused by a spark from a chimney on the roof of the dwelling house on North Market Street, occupied by Dr. McInnis. Their services however were not needed, as the blaze was put out with a few buckets of water.

—Charles McAlduff, a man of about 35 years of age, who is in a demoralized condition, was captured in O'Leary last night by officers Pate and Jolly. He is a native of Alberton and arrived there about six weeks ago from St. John. Yesterday afternoon he left Alberton, walking by the railway track, saying he was bound for St. John. When passing Mill River his hand was seen to be all cut and bleeding and in it he held a razor. The officers at O'Leary were warned of his coming, and it was only by a hard chase on a railway hand-car that he was captured. He will be taken to Summerside, this morning by Constable White and lodged in jail.

**Loss of Appetite**  
Is common when the blood needs purifying and enriching, for then the blood fails to give the digestive organs the stimulus necessary for the proper performance of their functions. Hood's Sarsaparilla is pre-eminently the medicine to take. It makes the blood pure and rich, and strengthens all the digestive organs.

"I have used Hood's Sarsaparilla as a spring medicine and find it excellent. My brother-in-law used it for blotches on his face and was perfectly cured. He has not been troubled since." HAROLD PARKER, Peterborough, Ont.

**Hood's Sarsaparilla**  
Is the world's great blood purifier and tonic. 100 doses one dollar.

# Great Reduction Sale Of Elegant New Skirts 25 p c off

These are without doubt, the finest and most up to date skirts on the market today. Stylish in cut, faultless in finish and superior in quality—but through the manufacturers' mistake, a double quantity was sent us. We, of course, held the second lot here subject to their order, but the reply came back that if we could handle the quantity they would give us a big price concession as they kept no stock on hand, manufacturing only from order.

We accepted their offer, and now place not only the second shipment but the whole elegant lot on sale at a uniform reduction of 25 p c off until further notice.

The skirts are of cloth, lustre, venetian, panama, cashmere and voile; in black, navy, brown, myrtle and grey, are handsomely trimmed with satin bandings, buttons &c in the very newest designs.

See our window for samples, then come in and select your color and size, as from among such a splendid range you are sure of getting suited. There are skirts neat and stylish for every day wear, and skirts suitable for dressy occasions, at from \$4.50 to \$12.00—less 25 p c off.

We have other skirts ranging in price from \$2.95 to \$4.00 which are not included in this, but are nevertheless splendid values at their present prices. Come in and let us show you these beautiful garments.
