

THURSDAY.
The death occurred at her home, Leominster, Mass., after an illness of only two days. Gertrude, the beloved wife of Joseph Soucy, at the early age of 33 years. All that loving friends and medical skill could do was done but the gentle spirit took its flight to the God Who gave it. The deceased was the eldest daughter of William and Margaret Sherren of Charlotterton. She leaves to mourn besides her sorrowing husband, her father, mother, one sister, Beattie, and five brothers. The remains accompanied by Mr. Soucy and brother were brought to her old home in Charlotterton and was interred in the People's Cemetery. The funeral services were conducted by Rev. D. McLean and was very largely attended. The pall-bearers were Mr. J. P. Hood, Dr. Reid, Messrs Hy. Callbeck, Samuel Craig, Watson Higgins, and Robert McCannel. (Patriot and Examiner please copy)

The death occurred very suddenly at Georgetown Tuesday of Thomas Heenan, a well known and highly respected resident. He was working in the harvest field and while in the act of throwing a sheaf of grain on the load he fell to the ground. The man who was working with him hastened to his side but was shocked to find that Mr. Heenan was unconscious. He was taken to his home and medical aid summoned

but on examination, it was found that life was extinct, death being due to heart failure. The deceased was born 80 years ago, in Ireland but at an early age emigrated with his father, the late Gilbert Heenan, to Georgetown where he has ever since resided. For about thirty-five years he was in the customs service at that port, but retired from office about the year 1899, and since then has been mainly engaged in farming. He was a man of splendid physique and had always enjoyed the best of health. He leaves to mourn five sons, and one daughter. The sons are: John, of the Nova Scotia Steel Co., New Glasgow, who is at present visiting in Georgetown, Edmond, a director in the militia at Halifax, who has seen active service in South Africa, Emmet in Milwaukee; James, of the P. E. I. R., now in Georgetown, and Stephen, law student with McLeod & Bentley, Charlotterton. The daughter is Miss Gertrude residing with her brother in Milwaukee. There were formerly seven sons in the family, the other two being William, who died some years ago, and Fred, who was drowned in the Cardigan River. His wife died about ten years ago, and his sister, Mrs. Bolger, of Charlotterton, about a month ago. An elder brother, Michael Heenan, of Georgetown, survives him. The late Mr. Heenan was a Justice of the Peace, and took an active interest in the affairs of the town. He was a man of sterling character and the bereaved family will have the sympathy of the whole community in their sorrow.

The death occurred in Calgary on Aug. 21st, of Charlotte Geddie Montgomery, wife of the late Duncan Ferguson, who predeceased her seven years, and daughter of the late Hon. Donald Montgomery, Park Corner. The deceased was born in New London and for a number of years was a resident of Summerside. Two years prior to her death she moved to Calgary where she resided with her son Harold. She leaves to mourn two daughters and one son, namely: Mrs. David Walker, New Annap; Mrs. Edwin Taylor, Regina, and Harold of Calgary, besides five sisters and one brother—Mrs. David Johnson, Long River; Mrs. MacEwen, North River; Mrs. G. McKenzie, Montague; Mrs. J. Montgomery, Park Corner; Miss Helen and J. H., New London. The funeral which was largely attended, took place, Aug. 27th from the home of Mr. Archibald Ferguson, Summerside, brother-in-law of the deceased. The remains were laid to rest in the Summerfield Cemetery. The pall-bearers were Messrs D. Walker, D. Johnstone, J. E. Sinclair, J. Johnstone, W. S. MacNeill and T. Carruthers. The funeral services were conducted by the Rev. G. W. Irvine, New London.

MISSIONARY FROM INDIA.—The anniversary meeting of the Women's Missionary Society of Grace Methodist Church was held there last night, when a large number were present. The principal feature of the proceedings was an interesting address that was delivered by Miss Holman, a lady missionary returned from India, who held the attention of her audience while she discoursed upon that strange and fascinating land. She prefaced her remarks by making fitting reference to the splendid assistance which India has given to the Mother Country in the present crisis. Referring to the mission work of the past year in India, she stated that as regards the Methodist Church alone in that country 70,000 had been admitted into the Church. She gave several striking and touching instances of the many urgent and powerful appeals by the people for missionaries and for reception into the church of Christ. But in almost every case, said Miss Holman, the reply that had to be given was that they would have to wait as they were very short of workers. "The harvest truly is great; the labourers are few." Miss Holman thrilled the audience with her narrative of the noble manner in which Christians had borne the terrible persecutions to which they had been subjected in India, and she showed the advantages the natives derived from Christianity over the native religions. Especially, she said, was Christianity a blessing to the outcast. In urging the cause of India, Miss Holman pleaded not so much for money as for prayer.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies and by constantly failing to cure, with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. Take Hall's Family Pills for constipation.

LAST BAND CONCERT.—The 4th Regiment Band concluded the series of public concerts for the season last evening in the Gardens. It was certainly an ideal night, and a large crowd of the most important battles and extra band. It was also the band's extra concert, and a splendid program had been prepared for the occasion, but, owing to a Red Cross benefit being given in the People's Theatre, only half of the program was played, thus giving the large audience an opportunity to take in the theatre and see the boys at Valcartier.

James Walker, Quarter Master of the North Field Ambulance, Charlotterton, leaves this morning for Valcartier where he will be attached as Quarter Master of the Clearing Hospital for overseas service. It may be remarked here that Capt. Walker is a veteran of the Boer War, he having been associated with the first and third P. E. Island contingents. He was in several campaigns in the Boer War, and wears a medal awarded to the Canadians engaged in that war.

WOMEN'S T. UNION.—Delegates from Prince Edward Island and different parts of New Brunswick were present at the eight annual convention of the Women's Christian Temperance Union which was held in St. John, N. B. this week, closing on Wednesday night after a most successful series of meetings. In the election of new officers, Mrs. J. S. Perry, of Summerside, was appointed Vice President in the person of Mrs. J. S. Perry, St. John, N. B., was re-elected President.

BADLY INJURED.—Mr Alec McCannel, keeper of the drill-shed, met with a painful and serious accident yesterday afternoon, when the heavy door of the entrance to the shed fell on his back. Mr McCannel was in a wagon, which he was driving through the entrance, when the wheel of the vehicle struck the door, bringing it down with considerable force. It was thought that Mr McCannel had been killed, but Dr. S. R. Jenkins, who attended to him, last evening denied this, admitting, however, that the accident was grave. At ten o'clock it was ascertained that the patient was resting easily. Mr McCannel is a genial and very popular man, and his death will be mourned with regret by his many friends.

WEDDING BELLS.—The marriage of Miss Cecelia G. Walsh, daughter of Mr. P. W. Walsh, Summerside, P. E. I., to Mr. Ambrose Cairns, of Outlook, Ontario, formerly of the great P. E. I. took place at Holy Cross Cathedral, Regina, on August 26th. The ceremony was performed by Rev. Dr. Gillis, assisted by Rev. Father Darling, Rector of Holy Cross Cathedral. The bride was daintily attired in tulle silk with hat, and carried a large bouquet of bridal roses. The bridesmaid, Miss Josephine Walsh wore white silk with lace overdress and white hat. Mr. Daniel Brennan, of Regina, supported the groom. After the ceremony the bridal party partook of a sumptuous wedding breakfast at the home of Mr. and Mrs. Frank Brennan, formerly of Montague, P. E. I. The bride, who was a very popular young lady, was the recipient of many valuable presents. The groom's gift to the bride was a gold bracelet and to the bridesmaid a pearl brooch. After a short honeymoon trip the couple arrived in Outlook, where a reception was held for them at the home of the groom's brother, Mr. Joseph Cairns, of Outlook.

MEALS AT EXHIBITION.—The Directors of the Driving Park Association have arranged for the children attending the public schools and Notre Dame Convent to carry out on Tuesday, at the opening of the Exhibition a part of the programme which had been prepared for the celebration of the Confederation Centennial. The children will assemble at the corner of Prince and Fitzroy streets, headed by the 82nd Regiment Band, and at 11 o'clock will proceed by way of Fitzroy street to the Exhibition grounds. Arrived there, they will take their places in the gallery of the main building where, under the direction of Judge Blanchard, they will contribute a series of patriotic songs. Later they will be presented with Confederation commemoration medals. The medal is of aluminum, with a design of the Provincial Building, surrounded by the inscription, "Grades of Canadian Confederation, Charlotterton, Prince Edward Island," and on the reverse side is the Dominion Coat of Arms with the inscription "1864-1914, Confederation Golden Jubilee, Canada."

SCOTCHFORTH REPRESENTED.—Among the different parts of the Island which have given men for active overseas service may be mentioned Scotchfort, which has given one of her sturdy sons in the person of Mr. Daniel J. McDonald, to fight for the glory and welfare of the Empire. Mr McDonald had for some time past been residing in Winnipeg, but when the call for volunteers for overseas service came he bravely sacrificed his position to enlist, realising that on great P. E. I. that England expects every man to do his duty.—S.

AT THE PEOPLE'S.—Five excellent reels of pictures and a set of slides showing camp life at Valcartier comprised a lip-top programme at the People's Theatre last night. The search of horses in all of the now beligerent countries. P. E. Island farmers should make use of this advice and endeavour to breed as many horses as they can within the next few years.

TEACHERS' CONVENTION.—Mr Gerald McCarthy, B.A., Principal Georgetown High School, will read a paper at the Teachers' Convention to be held in this city next week. McCarthy has chosen for his subject, "The Attitude of the Teacher to His World."

A SAFE RETURN.—A letter received by Mrs. Walter Hazzard of Murray Harbour from her sister, Mrs. J. J. Craig, states that Mrs. Craig and party have arrived all well at Quebec on the 12th instant from London. They will proceed to Vancouver en route to their home in Auckland, New Zealand. Their many friends here will wish them a safe return home, but will regret their visit on the Continent has been postponed on account of the war. Mrs. Craig expects to come to Prince Edward Island again at some future time accompanied by her husband.

DEMAND FOR HORSES.—The trade reports of September 15th, issued by the Department of Agriculture of Washington, advise the farmers of the United States to give more attention to the raising of horses, as there will doubtless be a big demand for them in future. The British War Office is buying a great many horses in Canada and even if the war should end very soon, there will be a great dearth of horses in all of the now beligerent countries. P. E. Island farmers should make use of this advice and endeavour to breed as many horses as they can within the next few years.
