

**Beauty Thru the Years**

Brantford Big Butts are beautiful, heavy asphalt shingles made in numerous mellowed tones. They give a shagreened finish and are greatly superior to a home's ordinary asphalt shingles. Big Butts are extra thick and weight are exposed to sun, wind and rain. They provide double thickness over all the roof and triple thickness over part of the roof. Size 16 inches by 10 inches, laid 5 inches to the weather.

**NOTICE "ONE WHO HAS THE INTERESTS OF THE CHURCH AT HEART"**—Our correspondence columns today are unusually crowded indicating the tremendous interest being evinced in the election. We would draw special attention to the letter of "One who has the interests of the church at heart" as it clearly summarizes some of the effects of mixing politics with religion.

**SIX BEAUTIES.**—In the window of Roops Ltd, Grafton Street there is on display a fine exhibition of an evening's trout fishing by Mr. Ralph Jenkins of this city. The six trout average three lbs each and were hooked at Keefe's Lake. Three years ago there was not a trout to be seen in this Lake, it was then that spawn from the Dominion Hatchery at British Columbia was placed in the Lake with the above results. Many anglers cast admiring looks at this fine catch yesterday and it is safe to say as many envied Ralph his big evening's fun.

**A WASHOUT**—The meeting held in the Prince Edward Theatre under the auspices of the Temperance Alliance proved to be a disastrous failure and did not live up to the expectations of its promoters. Only about one hundred and fifty people turned out to hear the views of Mr. Bentley and Rev. Mr. Coburn on the question which is now agitating the minds of the people of Prince Edward Island and although the speakers were vociferously applauded by a few of their hearers the tone of the meeting was very unenthusiastic. Dr. J. C. Houston presided.

**Fraser's Island Products**

Since March 1st, 1927, Fraser & Company have sold on Prince Edward Island over one thousand cases Fraser's Home Style Pork and Beans, and have also sold one thousand cases in Nova Scotia and New Brunswick.

The Fraser's have made arrangements with local vegetable growers for supply of fifty thousand pounds of Golden Wax Beans, the Dominion Government having advised the Hudson's Bay Company that the best variety for our climate. The beans were planted last week and Fraser's will be canning Golden Wax Beans in the month of August. If the Fraser's Company can make a success of selling Island Grown Wax Beans they will enlarge their plant and endeavor to can all the wax beans that farmers wish to grow.

This firm has also made arrangements for the growing of beets. The small beets will be canned in whole, and the large ones will be sliced.

The Dominion Government has this year supplied the farmers with five different varieties of peas to find out which variety is the best suited for our climate. Fraser's intend canning a few of these peas, and if we can grow them here the Fraser Company will install the necessary equipment for shelling and canning peas.

Fraser's are putting up the following canned products:

- Fraser's Pork & Beans in three sizes.
- Fraser's Yellow eyed beans in 1 size.
- Fraser's Boneless Chicken
- Fraser's Choice Craven Chicken
- Fraser's Chicken Soup

**ACKNOWLEDGEMENT.**—Ladies Aid of P.E. Island Hospital acknowledge with thanks cases of fresh eggs for winter use at Hospital, from Georgetown, Vernon River and Albert Plains, Murray Harbor and East Royalty, and would be pleased to receive some from other sections of King's and Queen's Counties.

**PLEASANT MOTOR TRIP.**—Dr. and Mrs. C. G. Archibald, son and daughter, Manning and Muriel and Miss Catherine Sutherland have returned from a very pleasant motor trip through the Annapolis Valley and around Southern Shore of Nova Scotia, visiting friends in Bear River, Digby, Yarmouth, Liverpool and other points. They spent three days in Halifax leaving there last Monday evening. They had a very enjoyable drive, the Annapolis Valley being especially beautiful with its wealth of apple blossoms. They covered over a thousand miles and returned home refreshed and ready for duty.
