PERMITTED GERMAN TO KEEP HIS SWORD. HAVRE—The Belgian Minister of Colonies has issued the following communication:

"The commander of the Belgian troops operating in German East Africa has authorized Major Wittgens, who was captured during the night of May 22-23, to retain his sword, desiring thereby to do honor to a vanquished enemy, who, throughout the struggle, proved himself honorable, loyal and courteous, contrasting by this attitude the actions of a majority of the German chiefs with whom the Belgians have fought in Europe and Africa."

LETTER OF SYMPATHY

Among the many beautiful letters of sympathy received by Mrs. Lucy Ferguson, of New London, on the death of her son, was the following: It might also be mentioned that among the many floral tributes received was a beautiful pyramid from the official staff of the T. & N. O. Railway, Redwater, Ont. June 5, 1917. Mrs. Lucy Ferguson, New London, P.E.I. Dear Madam,—On behalf of the members of the Order of Railroad Telegraphers, I beg to extend to you our deepest sympathy in your sad bereavement. Your son Lynn was known and loved by all, and was a member of our association up to the time of his promotion to the ranks of the officials, some months ago, and I can scarcely say more than this, every one who knew him always found him a friend and a brother, and one who proved himself in every sense of the word a man. And we trust that He Who doeth all things well and Who knoweth the reasons, which our poor finite minds can not grasp; that He will give you strength and courage to bear your burden with fortitude, faith and resignation. F. J. BAKER, Sec. Treas.

CHILD'S SEVERE STOMACH TROUBLE

Harrison (Ont.) Father says Dr. Cassell's Tablets saved his Child's Life. Mr. Corby, Harrison, P. O., Ont., writes: "Our little girl was weak from birth, and though we tried doctors' medicine and other things she got no better. She just lay in her cot and cried, and neighbours all said she had stomach trouble, and that her chances were small, yet Dr. Cassell's Tablets cured her. They have been worth their weight in gold to us, for we were just giving up hope of saving our little daughter. I don't think there is any other medicine for children like Dr. Cassell's Tablets. Publish this letter if you like; it may help others as the Tablets helped us." A free sample of Dr. Cassell's Tablets will be sent to you on receipt of 5 cents for mailing and packing. IN MEMORIAM

MRS. MARY WAUGHAN. The death occurred at her home, 192 Cumberland street, Charlottetown, yesterday morning of an aged and respected lady in the person of Mrs. Mary Waughan, widow of the late Mr. George Waughan of this city. She was eighty-two years of age and is survived by one daughter Mrs. George McInnis, City. The funeral takes place on Sunday at 3.30 p.m. from her late home to the People's Cemetery.

MR. ALBERT MCKINNON. It was with deepest regret that the many friends heard of the death of Albert McKinnon of Mt. Stewart, who passed peacefully away on June 10th, in the 67th year of his age. He leaves to mourn, besides a sorrowing widow, four sons and one daughter, viz: John William, Walter and Arthur, of Boston, Mrs. Bleiler, of Lowell, Mass.; also five sisters. The funeral took place on the 12th inst., to St. Andrew's Cemetery. Requiem mass was sung by the Rev. A. P. McLeellan, who also performed the last sad rites at the grave. The pallbearers were, John McDonald, George Jay, James McDonald, Stewart McEachern, John McIntyre and Patrick McKinnon. The Guardian extends deepest sympathy.

MR. THOMAS MURPHY

With deep regret many friends in this province will learn of the death of Mr. Thomas Murphy, which took place at his home in Ashland, Wis., on the 7th June inst. Mr. Murphy was born in Kinkora in 1859, where he attended school in his youth, afterwards graduating from the Normal School in Charlottetown. He spent a few years teaching in the different schools of the island, when he decided to go West and try his luck. About thirty years ago he became connected with the Chicago and Northwestern Railway Co in Ashland, and by perseverance and business tact he soon won his way to one of their most valued officials, and a highly respected citizen of the town. About seven years ago he visited his friends here, who were all glad to welcome him as a successful Islander. He leaves a widow and two sons, who have the sympathy of many old friends and acquaintances here. Mr. F. P. Murphy, postmaster, Emerald Jet, and Mr. A. S. Murphy, Summerside, are brothers of the deceased.

MR. MARTIN WEST.

After a serious illness of a few weeks Mr. Martin West, one of the aged and most highly respected citizens of Charlottetown, passed peacefully to rest Friday at the advanced age of eighty-five years, leaving, besides his sorrowing widow the following sons and daughters who will mourn the loss of a truly devoted Christian father: Amos, York; George, ex-Mayor of Innisfail; W. C. merchant, York; John, City; Mrs. Isaac Saunders, City; Mrs. Richard Inch, Winnipeg; Mrs. Murphy, Kingston, Ont.; and Mrs. Ambrose Mallett of Union. The late Mr. West was born at York, Queens Co., in 1832, being the youngest son of the late Mr. George West of that place, who immigrated to this province from York, England in 1817 and who gave its name York to this thriving old settlement. The deceased was a prosperous farmer, having retired some twenty years ago and taken up his residence in Charlottetown. He was one of nature's noblemen, honest and upright and always interested in the welfare of the community and the province. His death removes one of the old landmarks and a noted representative of the sterling pioneers who laid the foundations of the province. He was a life long member of the Methodist Church and during his residence in Charlottetown an active member of the First Methodist Church. The funeral took place yesterday from his late residence, 66 School St., and was very largely attended. The services were conducted by Rev. Mr. Gough in the absence of the pastor, Rev. R. G. Fulton. The pall bearers were his sons, Amos, W. C. and Jonathan, and James Essory, David Hooper and Ambrose Mallett.

RACE WITHOUT THE SPECTATORS

MONTREAL.—While there is very little chance that Blue Bonnets will conduct its second race meeting of the season, now that the discontinuance of betting on Canadian tracks is definitely assured, it is possible that one race will be run after that date at Blue Bonnets, but without betting or spectators. The race is the Breeders' Stake, was tendered the Governor-General one of the three big stake events at the Parliament Buildings.

Wounded Islander Is Recovering

Mrs. John W. Whitlock, of Hunter River, has received the following letter from the Hospital in England: 14-5-17 Dear Madam—I beg to inform you shortly after the war broke out and is now at 1st Birmingham War Hospital, Kednal, Birmingham, England, is suffering from pleurisy. He has quite recently been visited by one of our Red Cross visitors, who reports that he has effusion from the pleurisy and they find that his heart is misplaced about five inches. The Doctor is not yet quite sure of the cause, but thinks it may be caused by the effusion, or by a fall from a horse. If the former it will only be temporary. He is allowed up for a time every day now and looks much better. So we sincerely trust he may make rapid progress towards a complete recovery. You may rest assured he is receiving the best of care and attention and any small comforts, other than those supplied by Hospital, which he may desire, we are always pleased to send from here. As long as he remains in the hospital he will be visited regularly, and reports of his condition forwarded from time to time. Yours truly, CONSTANCE SCOTT.

Dear Sister:—I received your post card this evening and was awfully glad to hear from you and also to know that you are well, as that finds me the same and feeling pretty good. We are having some very nice weather over here now and it sure feels good after the cold winter of snow and mud we have had. I guess you will be surprised to know that my Batt. has been broken up, and I am now in the 102th Batt. another Victoria Batt. We have not been doing very much for a week or so but guess it will start soon, was broken up on the first of May.

I guess you will see by the papers about most of what is going on over here. Its going to be a hot summer for us over here, but guess it can not be much worse than it has been anyhow. Have no idea in the least when it is going to finish but I certainly hope it ends soon. I have had all I want of it anyhow. I got a Christmas box yesterday from the Malpeque P. S., should have been here for Xmas, but better late than never. Everything was in good shape, with a nice big fruit cake. It sure was good too. I am going to try and write them a few lines tonight in thanks. Well as usual, I have not very much to write, everything looks so pretty and green back of the lines now it makes a person wish to be back again in Canada, but let's hope it won't be many months before the time come for us all to come back again. Tell Grace I will write her soon I have not run across any of the boys from P. E. I. yet, sent Jack a P. C. but never got any answer guess he is still in England and hope he stays there as long as possible, give my regards to all the folks at home will now say good night. Your loving brother.
