

— don't rack your brain they'll all like EVERSHARP and WAHL PEN

How many Christmas presents are you going to give? Check over the names. Do you know that you can give every one of them Eversharp or Wahl Pen, or both, and stay well within your allowance?

Eversharp and Wahl Pen simplify your Christmas shopping. They make a delightful gift. For who wouldn't be proud to own the world's favorite pen and pencil? And who wouldn't be proud to give a gift of such exquisite beauty?

Remember, no other pencil can be like Eversharp. Its features can't be copied. The rifed tip that grips the lead and prevents it from wobbling is exclusively Eversharp's. Ask to be shown the automatic index. Look for the eraser under the cap—and the supply of extra leads.

The all-metal Wahl Pen is another great writing achievement. Here is a pen that can never split. It is made in durable gold and silver. It is beautiful. It is distinctive. It will last a lifetime. And it holds more ink.

Give Eversharp, Wahl Pen or both in the velvet-lined gift box. Eversharp, \$1 to \$50; Wahl Pen, \$4 to \$50. Look for the name on each.
