Guaranteed, black

French Taffeta 69c.
Special at

AND WHEN we say "guaranteed" it is not just a trifling figure of speech. It is not a more or less doubtful factory guarantee—it just means that we become personally responsible for every yard that we sell. That is to say—if you buy a dress or waist of this taffeta—and it splits or cracks within three months—we replace the silk free.

As to the silk—it is a fine soft French taffeta—19 inches wide—black only. The finish is bright and lustrous and the quality is equal to anything we have previously been able to offer you at 85c. Many stores—most stores—in fact would regard it as good value at a dollar, our price..... **69c**

Beware of imitations—our name is woven on every yard of the selvedge of the genuine goods.
