THE REPORT OF S. O. T. GRAND WORTHY PATRIACH

(Continued.)

It is gratifying to us to know that generally speaking our Subordinate Divisions are in a prosperous condition. I have had during the preparation of this report the privilage of reading over quite a number of the G. S. will give you figures to brief reports from Sub-Divisions. As the increase or decrease of the un- the G. S. will give figures to show the increase or decrease of the unmercial strength of our Divisions, I shall merely quote a word or two four reports tohand.

"Harvest" Division's deputy reports "interesting meetings.....

Special attention is directed to the ad of the Lefurgey & Company, Ltd. 430 Homer St., Vancouver, B. C., which appears in this issue.

deep interest in the work."

New Glasgow Division—"Good attendance. 46th anniversary celebrated on April 3rd" by holding a "grand entertainment."

"Harmony" Div. "is in a very prosperous condition." "Contributed $5.00 to the Prince Co., Alliance."

Pearley Stream Div.—"holding our own." "Celebrated anniversary in Feby.—good time."

Brookfield Div. "is in a very prosperous condition." Meetings regularly held and good programs.

20th Century Div. "is flourishing." Have held a series of debates with good profit.

Highland Div. "Holds regular meetings—lively interest taken."

Star of Hope Div. "very good attendance." good interest, "best entertainment for a long time."

Refuge Div. "in good condition—financially and otherwise."

Victoria Div. "in good condition" "paid fraternal visit to Cornwall Div.—visit returned"

Whitley Div. "Division meets regularly, interesting program." "harmony and good order obtain.

Try Again Div.—"holds large and interesting meetings, the best of feeling exists."

Prince William Div. "Doing nicely"

Stirling Div. is progressing well—it is the newest Division on our roll organized early in the winter."

Evening Star Div. "is flourishing."

Cornwall Div. "in a healthy condition." "meetings well attended."

Eclipse Div. "in splendid condition."

New Hope Div. "is doing well."

Casnegie Div. "in good condition."

I think we may safely say that throughout the Province our divisions are in a flourishing condition. All our subordinate Divisions have not reported but reports to hand are very representative coming from all over our jurisdiction.

DISTRICT DIVISIONS.

During the past quarter four district Divisions have held sessions. In Feby. District No. 5 met at Tyne Valley, and in the same month No. 2 met at Clinton. At this session eight out of nine Divisions in the District were represented. Your G. W. P. attended and gave an address at the public meeting in the evening. This District Division is aggressive and is doing good work.

District Division No. 4. held a good session in March.

No. 1. met at Fredericton with Refuge Division on March 27th. The roads were very bad, consequently the representation was not large but the public meeting in the evening was a pronounced success, with large attendance.

TEMPERANCE ALLIANCE MEETINGS.

On Feb. 9th a meeting of the Prince County Alliance was held in Summerside at which meeting a committee was chosen to prepare a letter to be sent to the subordinate Divisions in Prince County and part of Queens. The prayer of the letter was for financial aid towards the work of the Alliance. I was a member of that committee and as I believe the time has come when successful temperance work requires the united efforts of all temperance forces, I trust the appeal may meet with a hearty response—I might suggest also that this Grand Division give the matter of lending assistance to the Alliance in Prince County, careful consideration.

The doings of the Provincial Alliance in this City, early in March, are well known to you all. Resolutions of great importance were passed while the Local Government was cordially thanked for complying with the wishes of the Alliance in not reappointing the vendor for Prince County.

THE SEARCHLIGHT.

Much credit is due Rev. R. G. Sinclair, for his interest in the cause of temperance and good government, which has led him to launch the Searchlight. I believe it is just what we needed among our divisions throughout the country. I trust that it will prove a valuable ally with the Charlottetown Guardian in standing out against the rum traffic and in bringing into light the hidden doings of our politicians in election campaigns. As far as I can see election trials are mere shams. The present law is a disgrace to the enlightened intelligence of our Province and in the words of the "Searchlight" it's "but a premium on successful bribery." We may expect much good from the circulation and perusal of this journal.

THE PROHIBITION LAW.

I am informed from a reliable source that temperance sentiment in this city "continues good" and that the law "is fairly well enforced, and the illicit dealers are dropping out one by one"—this being due chiefly to the efforts of "our efficient and fearless prosecutor Robert Jenkins."

In Prince County I may say that Inspector B. M. Gough informed me that from Jany. 1st 1909 up to April 25th he had in all seven Prohibition cases. Five of these were in Summerside and resulted in four convictions—three for first offence and one for second; and one conviction outside of Summerside—that against a drugstore for not keeping a proper register. I do not think the press received any notice of this last case—just why I would like to know. The only way by which the public, generally, can learn of what the Inspector is doing is through the medium of the Press.

OBITUARY.

Our cause in particular and the Province in general has sustained a serious loss in the death of Hon. Matthew Smith, speaker in the Local House. His death took place on March 1st and is deeply lamented not only by his near of kin but by all lovers of righteousness and good citizenship.

I trust that this gathering may promote the highest interests of our Order and prove enjoyable to each one of us
