

FRUIT—THE GREAT PHYSICIAN

Wonderful Medicinal Value of Apples, Oranges, Figs and Prunes.

How many people realize what remarkable curative principles are contained in fruit juices. There are two—the bitter and the sweet. There is about ten times as much of the sweet as of the bitter, though the bitter principle is the one which has the curative effect on disease. Apples, oranges, figs and prunes contain the highest percentage of bitter principle and thus are the most beneficial.

After many tests this physician succeeded in forcing into the combined fruit juices an additional atom of bitter principle, and in doing so formed an entirely new compound. To the combined juices were added valuable tonics and antiseptics and the whole made into tablets.

These are "Fruit-actives"—the only remedy known to relieve that which is called "fruit-actives" in cases of Stomach Trouble, Bilelessness, Constipation, Rheumatism, Chronic Headaches and Neuritis, Kidney, Liver and Skin Diseases are the only to the fact that "Fruit-actives" contain the medicinal properties of fruit. For a box of 1250, or trial box, 25, at all dealers or from Fruit-actives Limited, Ottawa.

Effect Always Follows Cause

It needs no great philosopher to tell you that there can be no effect without a cause. The effect is sometimes more apparent than the cause, but the cause is there just the same.

ARE GLAD TO CHANGE THEIR ALLEGIANCE

LONDON, July 3.—Earl Grey, governor general of Canada, in an address at the Dominion Day banquet in London tonight, said that far from being apprehensive that American immigration would injure Canadian loyalty, he cherished and welcomed every American immigrant, but experience convinced him that the social, political and industrial systems of the dominion were such as to induce every American, after a short residence in Canada, to become an enthusiastic and patriotic Canadian.

ENGLAND IS STIRRED.

LONDON, July 3.—The murder of Col. Wylie and Dr. Laloeaca has stirred all England in a manner unknown since the Phoenix Park murders.

It had been a subject for self-congratulation that Britain was immune from political crimes, and it is a great shock to feel that public men are no longer safe from assassins. Great sympathy is felt for Viscount Morley, the difficulties of whose position will be greatly increased by the murders.

A strong feeling has been aroused against members of the Commons and others who have been encouraging Indian agitation against the Government.
