Millions of Women use Cuticura Soap exclusively for preserving, purifying, and beautifying the skin, for cleansing the scalp, for stopping the falling hair, for softening, for soothing red, rough, and sore spots, in the form of baths for annoying irritations, inflammations, and chafings, too free of offensive perspiration, in the form of washes for ulcerative weakness, and for many other antiseptic purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet, bath, and surgery.

The Blue and the Gray.

Both men and women are apt to feel blue when the gray hairs begin to show. It's a very natural feeling. As a matter of fact the hair turns gray regardless of age. Sometimes it is whitened by sickness, but often by lack of care. When the hair fades or turns gray, there's no need to resort to hair dyes. The natural color of the hair is restored and retained by the use of our Peerless Hair Restorer which is perfectly harmless.

"OUR Boys" and the Boys' Brigade. Were I setting the copy for a writing lesson for all the members of the Boys' Brigade it would certainly be "Palman qui meruit ferat." Trust their bright little wits for the proper application. They are to do honor to those who went out bearing a maple leaf to which they may now add a laurel. Bravely, and as became men have our Boys comported themselves in Africa and the object lesson of the Province doing honor to its returning volunteers is one well worthy of our Brigades' participation and will be for their edification for all time. The Island men come to us invested with a new dignity, they have looked into the jaws of death, not alone the swift leaden messenger but the more stealthy disease. They have undergone hardships severe even to tried veterans, they have cheerfully subscribed to discipline that was necessarily rigid, have shown an adaptability that speaks volumes for their intellectual status. Alike in the excitement of the battle-field and and tedium of the long night watches they have proved themselves brave and patient. Boys of the Brigade you are of the same calibre! Take kindly and well to heart the discipline you are working under. Look on the men who return and say "These have acquitted themselves like men and (to us the mandate also applies "Quit ye like men." Let the order of your drill be the rule for your room and belongings, let your obedience to the commands on the drill ground be only an earnest of your obedience at home, in the school or in employment. Be brave under mishaps. Let the stern esprit du corps be translated by you as brotherliness. As these noble men, whom we shall soon so proudly "Present arms" to, stand shoulder to shoulder and aided each other so let us try and emulate their noble example.—COM.

ANOTHER VICTORY. Mr. R. Morrow Cured of Lumbago by Dodd's Kidney Pills. TORONTO, Oct. 29.—The vast majority of Torontonians know and esteem Mr. R. "Two years I was attacked by Lumbago and Urinary trouble which caused me intense suffering. I took several different remedies without any benefit. Then I began using Dodd's Dyspepsia Pills, and was completely cured by them. Lumbago is unusually prevalent this fall. All sufferers should know that Dodd's Kidney Pills are the only known cure for it. They never fail.
