Sunshine

INEXPENSIVE HEAT

Furnace

It is not the price you pay for a furnace that makes it cheap or expensive, but the fuel it afterwards consumes.

A common furnace may cost you $5 or $10 less than a "Sunshine," but if it eats this up the first winter in extra fuel, what do you gain? Nothing, but all the annoyance and extra work that go with a poor furnace.

The **"Sunshine"** is in use from Halifax to Vancouver, and we have hundreds of testimonials from pleased users.

Sold by enterprising dealers everywhere. Booklet free.

DR. ANDERSON paid his annual visit to the St. Eleanor's High School on Friday last. The examination in both departments was exceedingly satisfactory, and at its conclusion Dr. Anderson stated that on no previous occasion had he found the work of so high an order. This school has made marked progress since Principal Bennett took charge three years ago, and is now considered one of the best in the province. Two of its pupils, Miss Beatrice Sullivan and Miss Edna Tanton, were this years successful in securing first class licenses after only one years work in college, while another, Fred Tanton, also secured a first class. There facts bear testimony to the thorough character of the instruction imparted at their home school. Mr. Bennett's career as a teacher has been a decided success, and his early departure from the profession to prosecute his own studies will be much regretted.

THERE were 6 horses and several hundred bags of potatoes shipped by the Northumberland yesterday morning.

Skirts and Shirt Waists

We have been saying nothing to you lately about our stock of Ready-made Skirts and Shirt Waists—not because they are not here in abundance and of the best—but because we had not a chance to get a word in edgeways about them, we had so many other good things to tell you of. Besides our reputation for selling stylish and up-to-date garments in these lines, is well established, and ladies naturally turn their steps to this department when in need of anything specially nice. Never before, however, have we shown such extremely pretty styles at such moderate prices, and the demand for them is so brisk, we are continually ordering and so have always something new and pretty.

In skirts we can show you every stylish color and material, including a nice line of light and medium greys, which will be so fashionable during the coming summer with white or light shirt waists.

Of the latter we have a very lovely display, dainty and stylish and withal cheap, commencing with dainty white waists at 49c each, on up through the various grades in lawn, embroidered linen, swiss muslin and white silk.

We have also all fashionable colors in silk waists, which you should certainly see before you decide on anything, as they are as trim and dressy as you could wish for, at a much smaller price than you could have the same goods made up for.

A line of beautiful high class black silk underskirts, is also worthy of your attention and is a luxury you will be tempted to possess once you see them.

Only a few left of those elegant silk coats for ladies, which came to hand this week. Come quickly if you want one.

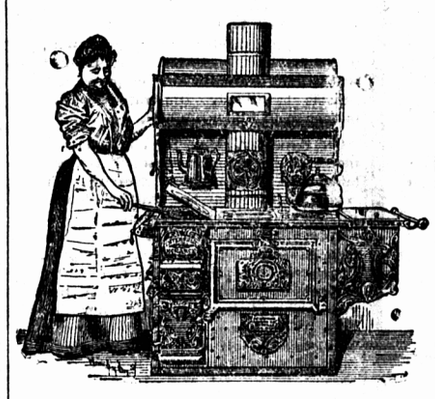
A POPULAR RANGE



Why has the Enterprise Monarch proved so popular?

Because it has merit!

It is made to wear!

It is made to bake!

Care and thoroughness in construction are the features that have been kept in view and no expense is spared to have each one perfect in Fit, Finish and Operation before it leaves the works.

Those who need a new stove should see this one.

Sold by reliable dealers in all leading centres throughout Nova Scotia, who will take pleasure in showing it.

If no one in your vicinity is selling the "Monarch" write us direct for illustrated circular and full description, and name of your nearest dealer.
