Washington Senators, Shut-out By Detroit Tigers, Drop Into Second Position

(A. P. By Guardian's Special Wire)

NEW YORK, May 14—The champion Washington Senators slid into the second division today when rain swamped the playing field at Griffith Stadium in the seventh and clinched a 5-0 victory for Detroit Tigers.

Washington bogged down in Victor Sorrell's two-hit pitching long before the storm broke. Myer touched him for a double and Bluege tripled with two out in the second, but that was the total damage done to the righthander's offerings.

The Tigers gave Al Crowder a beating in the second. An error by Buddy Myer, two singles, a double and a pass accounted for the scoring before Ray Prim was rushed to the mound.

BOSTON LOSES TO CHICAGO

Lefty Robert Moses Grove brought relief in large quantities to Boston and the Red Sox—too late to save a ball game with Chicago but soon enough to revive the prayer of the faithful for a genuine American League pennant contender.

Grove, bought for $100,000 from Philadelphia by Tom Yawkey and almost immediately taken down with a sore arm, pitched effective relief ball against the White Sox for 6 2-3 innings today although Boston lost 8-2 against George Earnshaw's four-hit tossing.

The lanky Lefty, hammered out by St. Louis Browns in his first relief effort several days ago, replaced Henry Johnson with the bases full, one out, and Chicago leading 5-0 in the third inning. He walked Muddy Ruel, forcing in a run, and a forceout play scored another before Uhalt grounded out, ending the inning.

For the next three innings the White Sox went out in order and only one fly ball was hit out of the infield. Chicago scored again in the seventh when Al Simmons, Grove's old team mate, doubled with two out and scored when Lefty, covering first, dropped Morgan's throw for the third putout on Luke Appling's grounder. Grove got the Sox in order again in the ninth.

FINISHES WITH LONG LEAD

(A. P. by Guardian's Special Wire)

NEW YORK, May 13—C. H. ("Chart") Johnson, 23-year-old draftsman from Cranberry Lake, N. J., today drove his midget motor boat, Dorchart III, to victory in the annual Albany to New York outboard race.

Sending his Class C boat, which had a handicap of 22 minutes and 55 seconds, down the 132 miles in two hours, 59 minutes and 38 seconds, Johnson finished the long grind nearly 10 minutes before Ted Roberts, New York professional driving a smaller class A craft. Roberts' had an elapsed time of 3:46:12. Sixteen-year-old Gar Wood Jr., son of the famous speed boat driver from Algonac, Mich., was ninth in the field of 66.

S'SIDE, 1; NEW ANNAN, 0

The Summerside and New Annan football teams met in their initial encounter of the season Friday evening. The game, an exhibition affair, was productive of good play with the New Annan boys displaying mid-season form, but were unable to score. L. Caldwell made the only tally.

The Thoroughbred Stallion

ST. SYLVESTRE, Reg. 2047,

Grade A Premium Weight 1250 lbs.

Sire ..... Nouvelan. Imp.
Dam ..... Yolande, Imp.

Will stand in Charlottetown for the season of 1934. This handsome stallion is rated as one of the finest of his breed in Canada to-day. He should produce saddle and utility horses of the very highest quality.

Only a limited number of mares will be bred this season. Terms: $10.00 for the season, $5.00 cash payment to be made at time of service.

For further particulars apply to
WM. BATEMAN,
Agricultural Hall,
Charlottetown, in Charge.

L-3025.

IN THE STUD

BELLINI SCOTT 2.09 1-2
Standard Bred, Reg. No. 5585

By Peter Scott 2.05, sire of three in the two minute list and forty in the 2.10 list. Dam Eva Bellini by Bellini. Eva Bellini is the dam of Selka Worthy 2.02, Lord Jim (2) 2.05 1-4, Vitality 2.08 1-4, Calumet Daffy 2.07, etc., etc.,

RAINVILLE DOWNS MUNNS IN COMEBACK

Montrealer Defeats Last Year Conqueror In Convincing Display of Tennis.

By Elmer Dulmage,
Canadian Press Staff Writer.
(By Guardian's Special Wire)

TORONTO, May 14. — Marcel Rainville hammered out the victory he has sought a year to gain today. In straight sets he humbled Gilbert Nunns of Toronto, his conqueror a year ago, for as satisfying a revenge as any tennis player could expect to win.

Before a small gallery that seemed to realize the drama in the situation, the mighty little Frenchman from Montreal sent Nunns spinning to defeat by scores of 6-3, 6-3, 7-5. It was the fourth straight triumph without loss of a set for Rainville in the trials for the Canadian Davis Cup team.

Great Comeback

Primed for this contest ever since Nunns defeated him in the 1933 trials and was awarded a singles berth on the Canadian team, Rainville made no mistake about his comeback. Weeks of competitive play in the south, a campaign designed to bring him to peak form for the trials, made the job comparatively easy.

The slender veteran of the Davis Cup squad started as though he were prepared for a fierce five-set struggle. He held his big guns in reserve until it became evident that Nunns was in no position to challenge. Then he cut loose and ran out the match with scarcely an interruption.

Watt Downs Leclerc

Laird Watt of Montreal, brilliant youngster who yesterday handed Nunns his first defeat of the season, kept up the pace today by defeating George Leclerc of Ottawa, 6-3, 6-4, 6-2. Bob Murray, Montreal, former Canadian junior champion, upset Ossie Ryall, Vancouver, by scores of 4-6, 7-5, 6-1, 6-3.

The half-dozen aspirants seemed to have fired most of their heavy artillery when Murray successfully staved off Ryall's challenge. Murray will have to defeat Rainville tomorrow to show as good a record as the three most likely to be selected to accompany Walter Martin to Wilmington, Del., for the Canada-United States matches.

The United States team, announced today, is made up of Frank Shields, Lester Stoefen, George Lott and John Van Ryn. It seemed altogether probable that the Canadian team would include Martin, Rainville, Watt and Nunns, Martin being the only certainty until definite announcement is made tomorrow.

CHALLENGE

We the Canadian National Hotel Bowling team, hereby challenge the Y's Men team to a series of three games, one game to be rolled on each of the three city alleys, total pinfall to count. Winners to be banquetted by the losers to a chicken supper.

Signed
C. N. HOTEL BOWLING TEAM

Will Attempt Atlantic Hop

(A. P. By Guardian's Special Wire)

NEW YORK, May 13.—Thor Holberg, who made an unsuccessful attempt to fly across the Atlantic two years ago, brought a red, white and blue amphibian plane to Floyd Bennett field today in preparation for a projected flight this summer to Bergen, Norway.

Holberg said he planned a 5,000-mile trip, making 10 stops from Chicago to Bergen. His route, he said, will lie across Labrador, Greenland, Iceland, and the Shetland Islands.

Blue Bus Service

The "BLUE BUS" Will Resume Operation MONDAY, MAY 14th
FROM
Murray Harbor North
TO
Charlottetown
VIA
Gaspereaux, Sturgeon, Lower Montague, Montague and Vernon River

Bus stops at Revere Hotel. Schedule same as last year, daily except Sunday.

Stoefen Only New Member Of The United States International Tennis Team

(A. P. By Guardian's Special Wire)

NEW YORK, May 14. — Frank Xavier Shields, George Martin Lott, Jr., and John Van Ryn, all veterans of the international tennis wars, and big Lester Stoeffen of Los Angeles, making his debut as a cup player, today were named by the United States as the team to meet Canada in the first round of North American zone Davis Cup competition.

The matches will be played on the grass courts of the Wilmington, Del., Country Club May 24, 25 and 26. The winner will meet Mexico, only other team in the zone, at Baltimore May 30, 31 and June 2 for the right to play in the interzone final at Wimbledon.

Asked to Report

Sidney B. Wood, Jr., of New York and Wilmer Allison of Austin, Tex., other members of the squad asked to report for training under the direction of Captain R. Norris Williams at the Merion Cricket Club, Philadelphia, were not considered for the first round of play. Wood has had no tournament competition this spring and Allison is nursing a sprained ankle, injured in practice at Washington.

The official announcement from the U. S. L. T. A. made no mention of Bryan ("Bitsy") Grant, diminutive Atlantan, No. seven in the United States ranking, who has whipped Shields, Stoeffen and Lott in recent tournaments and thereby projected his candidacy for the international team. Holcombe Ward, chairman of the Davis Cup committee, declared no changes in the personnel of the squad were contemplated. Several weeks ago Ward requested Stoeffen to "take things easy" for the balance of the spring season.

Royals And Leafs Chalk Up Wins

(C. P. By Guardian's Special Wire)

MONTREAL, May 14—Orilin Collier, Tiger farm hand, pitched shutout ball for seven innings after the Orioles had cuffed John Pomorski for five hits and two runs in two innings and the Royals rallied for a 6-2 victory to open their four-game series against Baltimore here today.

Royals got nine hits off Chief Euel Moore, Indian righthander of the Birds, Walker hitting a homer over right field scoreboard in the third with one on to tie the score and Ripple leading off the fourth with a circuit smash in the same direction to supply Collier with the extra run he needed for his first triumph of the season.

Walter Hilcher held Syracuse Chiefs to three scattered hits in the opening game of the series, Toronto Leafs getting a 2-1 decision.

The lone Syracuse tally came in the sixth without a hit. Errors by Joe Brown and Nolen Richardson, a base on balls and an infield out prevented Hilcher getting a shutout.

Quebec Scene Of Olympic Swim Trials

(C. P. By Guardian's Special Wire)

WINNIPEG, May 13—Re-elected by acclamation, H. E. Herschorn, Montreal, is president of the Canadian Amateur Swimming Association for another year.

In similar manner, Pat Earl, President of the Quebec Section, C.A.S., was selected as secretary treasurer of the parent body at the annual meeting of the C.A.S.A. concluded here yesterday.

He succeeds J. E. Simard, Montreal, whose resignation, due to pressure of private business, was formally accepted at the morning session.

The Quebec section was awarded the Olympic trials for 1936, and Toronto was selected as the venue for the next annual meeting. Winnipeg, as centre of the Manitoba section, was awarded a Canadian championship gala to be held in May, 1935, in which teams from as far East as Quebec and as far West as Vancouver would compete for Dominion titles.

ALONG THE SPORT TRAIL

Nothing definite in the way of forming a City Baseball League was decided upon at last night's baseball meeting held in the Board Rooms of the City Building.

• • •

But after a great deal of discussion relating to players, regulations, etc., it was decided that a second meeting would be held on Friday night next at which the managers of teams wishing to enter the league should hand in the names of the players comprising their rosters.

• • •

However, it is expected that at Friday's meeting at least three managers will have the members of their squads decided upon, namely, the Falcons, Stars and Cubs being regarded as almost certain entries.

• • •

The second of the home and home game series between the Charlottetown and Summerside badminton players for the Lewis trophy, emblematic of the Island championship, will be played on the Armouries Courts this evening starting at 7.30 o'clock. Although going into the final round five matches down the city team is not in the least downhearted and with a slight re-arrangement of the players will endeavor to turn the tables on the Western aggregation. An admission fee of 25 cents is being charged in order to help defray expenses incidental to the holding of the tournament, and a good crowd is expected to sit in on the match which should provide plenty of exciting moments.

• • •

It has been suggested that a Montague to Charlottetown bicycle race be staged this summer, probably about the middle or last of July. Mr. Fred Pickard has generously offered to see that prizes are donated if an entry list of ten cyclists is obtained. Already six riders have definitely promised to take part while several others have not yet reached a decision. It is believed that there must be cycling talent in other parts of the province such as Summerside or Montague. If ayone interested in taking part in such a competition will get in touch with Bill Warren or Fred Pickard they will assist materially in the promotion of the event which is somewhat new in local cycling circles and would be a splendid follow-up to the Holman-Pickard annual ten mile contest.

• • •

The annual meeting of the Wolverines Hockey Club, Halifax, was further postponed until the end of this month, Jack Conn, Manager of the Club, announced last night. He intimated, however, that Ron Hudson, former right winger of the Abbies, would be with the Wolve pack next season.

• • •

While in Charlottetown Ron made a host of friends who will wish him the best of luck in his new sphere.

ANNUAL MEETING

(Continued from Page 1)

previous year. Sheep, hogs and poultry totalled slightly more than the year 1932.

In the Main Building we had increases in exhibits of dairy products, grains and seeds, field roots and vegetables, fruit, flowers, woolen and cotton gods and domestics. The hooked rug display was a splendid one. in fact the best on record. To quote a lady from Upper Canada who purchased some Island rugs—"The rugs shown at Exhibitions by women of Ontario and Quebec do not come up to the high standard of beauty, design and workmanship of those shown here by the women of Prince Edward Island."

The Handicraft Guild Exhibit Booth created great interest and was visited by large numbers who were interested in watching the weaving of numerous articles. The process was displayed and explained by Sister St. Andrew of Ladies College, Antigonish.

The Carnegie Library Booth with Miss Bateson as Demonstrator, drew a great deal of attention from the teachers and others with a leaning towards literary subjects.

We cannot close without giving a word of praise to all booth holders for the taste they displayed in decorating and the care they took to keep their booths attractive throughout the entire Exhibition.

The race program with ten events, attracted one of the largest entry list in years and furnished the spectators with the keenest competition. The track record pacing of 2.07 3-4 was equalled in the Free For All by Calumet Brownie 2.01 3-4. A record crowd attended on Wednesday and Thursday's gate was also a very large one.

The Vaudeville Program was without doubt the best ever shown here. The high wire thriller performance by the Hustrei Family was the highliner and an act that will be talked about for years. Carlos Comedy Circus, Captain Charles' Leaping Hounds and the Acton Four, together with an excellent program by the Canadian Legion Band, assisted in making the afternoons most enjoyable to the big crowds of pleasure seekers. In the evenings the Vaudeville programs in front of the Grandstand brought out large audiences. Thursday evening surpassing any previous night, due to the combination of Vaudeville and the exhibition by the saddlers and jumpers from the Halifax Riding Club and the Charlottetown Riding Club. Their horses were almost faultlessly ridden by the ladies and gentlemen of the two organizations. Not only were the horses beautiful but they were thoroughly groomed and polished and the ladies and gentlemen all looked the part. Their turnouts on the afternoon of Thursday and that evening for judging added color and variety.

Bill Lynch with his Midway filled up the outside grounds in front of the Main Building and catered to many thousands of old and young who took a great delight in testing the rides, visiting the side shows and generally enjoying themselves.

Reporting on our Provincial Exhibition it is difficult to include all of the matters we would like to touch on, but we trust that we have brought out the salient features.

Our hearty thanks are due to the Hon. Robert Weir, M. P., Minister of Agriculture, for generous assistance from his branch and a grant from the Dominion Government and our Provincial Government for every possible assistance, to our City Council for their grant and assistance, to the Charlottetown Guardian, the Charlottetown Patriot, the Summerside Journal and Agriculturist and the Pioneer and Island Farmer, for generous press publicity, to our bankers the Canadian Bank of Commerce and to each and every person who in any way assisted in helping the Provincial Exhibition.

Our shareholders report will show that after all expenses have been paid a small balance remains to credit, which means that the deficit remaining from 1932 has been paid off. However, as there is no reserve fund and the amount is not sufficient to pay a dividend even if there was a reserve fund, we must as in the past nine years declare no dividend. This is disappointing of course, but by this time our shareholders have surely come to accept the fact that they are carrying on a labor of love. They will have to take their dividends out in the satisfaction of having continued year after year to be the means of providing a place where the leaders in agriculture and stock riasing as well as Silver Fox Farming, can exhibit their craftsmanship, and also provide a meeting ground for countless thousands who enjoy coming together once a year for a few days sport and recreation.

In the early fall a suggestion was made to our Federal representative Mr. W. Chester S. McLure, M.P. and Premier W.J.P. McMillan by our Directors, that the removal of the clay from the centre field and the filling in of Government land on the rifle range, would give a lot of employment to local labor under the relief scheme and also serve a useful purpose in improving Government land. These gentlemen took the matter up with the authorities at Ottawa and as a result the sum of $20,000 was voted for the project, our Association giving the clay free of charge. Upwards of 80,000 loads of clay were removed before the early setting in of extreme cold and frost prevented the completion of the project. There still remains some work to be done and our representatives are at present endeavoring to secure the unexpended portion of the grant to be employed for this purpose.

Within a short time we hope to be advertising our Exhibition for 1934, and if present plans mature we can confidently promise and you can expect that it will be the biggest and best yet.

Respectfully submitted.
JAMES PATON,
President
GEORGE E. HUGHES
Vice-President
S. A. McLeod, W.C.S. McLure, T.W.L. Prowse, J. W. Boulter, Sec. Treas., James Roper, John B. Andrew, V. Smallwood, D. A. MacKinnon, Lt. Colonel, Directors.

The above report was passed unanimously as was also the financial statement, complimentary remarks being made in reference to both.

Secretary Boulter read letters of resignation from the President, James Paton, Vice-President Hon. George E. Hughes and Director S. A. McLeod, all of whom expressed regret at having to sever their official relations which they had so long maintained with the Association.

Col. D. A. MacKinnon spoke feelingly of the great loss the Association would sustain through Mr. Paton's decision to retire and also Mr. McLeod's retirement. He said Mr. Paton was a real tower of strength and it will be impossible to fill his shoes. He assured the meeting that Mr. Boulter and he had used every argument and endeavor to try and persuade Mr. Paton and Mr. McLeod to remain on the Directorate. Mr. Paton, however, pleaded ill health and the fact that he is going away on a trip and would not be back in time for the Exhibition this year, and Mr. McLeod, various other trying responsibilities, but both assured the meeting that they would give every possible help they could. Hon. George E. Hughes has been ill for some time and therefore unable to take an active part but at the same time will be greatly missed.

Col. MacKinnon moved that the position of Honorary President be created and in view of the great services given by Mr. Paton that he be appointed Honorary President for life. This was carried unanimously. Mr. Paton was deeply affected by the mark of esteem shown him and thanked the shareholders very warmly. He then made the following interesting remarks regarding the past history of the Association.

"Col. MacKinnon on Saturday last requested me to say a few words re Presidents of the Charlottetown Driving Park and Provincial Association.

Charles C. Gardiner, elected October 15th, 1888, resigned May 22nd, 1890.

Hon. Benjamin Rogers, elected June 3rd, 1890, resigned February 8th, 1898.

Hon. F. L. Haszard, elected December 16th, 1898, resigned February 17th, 1908.

Hon. Rowan R. Fitzgerald, elected February 17th, 1908, resigned April 29th, 1913.

Hon. Frank R. Heartz, elected May 3rd, 1913, resigned May 20th, 1919.

John J. Davis, elected May 20th, 1919, served this Association faithfully till he was called to the better land in the year 1927.

Your President who is now retiring was elected a member of the Board April 11th, 1910, became Vice-President May 20th, 1919, and in 1927 President. During those twenty-four years the relations between the President and the members of the Board have been most friendly. I assure you, your kindness and help in making our Provincial Exhibition the success that it has attained is appreciated by me and should be more so by the general public, and specially the agriculturists of this Province, for whom you have given and are giving your time and talents without one cent of remuneration.

May I express a hope that you will continue your labor of love with a still greater effort to make and keep our Exhibition up to its motto, "Education and Recreation" promoting practical and scientific Agricultural pursuits in its various branches, and may the three General Commanders attend you, Peace, Plenty and Prosperity."

Director S. A. McLeod said that he had always taken a great interest in the work of the Association and only for the fact that his responsibilities were really too great and were affecting his health, he would have carried on as a Director. "However," said Mr. MacLeod, "I will always be ready to assist."

The election of Directors then took place and the following new Directors were added to the board. H. J. Kennedy, Southport, Gordon Hughes, Charlottetown, Willard Kelly, Southport, replacing Messrs. Paton, McLeod and Hughes. The remaining members of the old board of Directors, namely, W. Chester S. McLure, M. P., T. W. L. Prowse, Col. D. A. MacKinnon, J. B. Andrew, James Roper, J. W. Boulter, V. Smallwood being re-elected.

The following Advisory Board for 1934 was approved of. Provincial Government, Premier W. J. P. McMillan, Hon. T. McNutt, M. L. A., Minister of Agriculture, Walter Shaw, Department of Agriculture, Charlottetown City Council, Councillor B. Roy Holman and Councillor A. A. Hennessey, Charlottetown Riding Club, President C. N. Bissett, Vice-President G. H. Buntain, and Frank Tinney, Assistant Director Experimental Farm. Auditor Percy Williams.

Remarks were made by the new Directors, H. J. Kennedy, Gordon Hughes and Willard Kelly, assuring the meeting of their intention to do all in their power to further the Exhibition's interests.

A vote of thanks was moved by Gordon Hughes to the retiring Directors, Messrs. Paton, Hughes and McLeod, which was replied to by Mr. S. A. McLeod on behalf of Messrs. Paton and Hughes.

Remarks were also made by Mr. J. Walter Jones of Bunbury, expressing sincere regret at Mr. Paton's retirement.

The following also spoke briefly, Mr. T. W. L. Prowse, J. B. Andrew, V. Smallwood and James Roper.

Before adjourning the decision of the Directors made some time ago to hold the Exhibition on the dates August 20th to 24th was approved.

Following the annual meeting a meeting of Directors was held at which the officers for 1934 were appointed. President, Lt.-Col. D. A. MacKinnon, D. S. O. Vice-President, T. W. L. Prowse. Secretary-Treasurer, J. W. Boulter.

BRINGING UP FATHER —BY GEORGE McMAN
