

The Island's First Cable

In 1852, the first cable was laid between Prince Edward Island and the mainland. Previously, even the most urgent messages were subject to the hazards of fogs and storms as boats were the only means of communication with other parts of Canada.

Only four years after this outstanding event, the Canada Life, even then in its ninth year, issued its first policy to a resident of the Maritime Provinces.

Over a period of ninety-one years, the Canada Life has established a reputation for sane, conservative management. And the enterprise of pioneer days still prevails. Sales of new insurance in 1937 were over twenty per cent greater than in the previous year.

The people took advantage of the occasion by presenting the honored guest with a substantial purse and the following address: "Realizing, George, that you will soon be away from our community and from the home where you have spent the many happy hours of youth, we felt that we should gather for this social evening. We are not unmindful of the place you have occupied in the life of the village nor of the fine example you have always set for others. We will also miss you in the Church of which you have been a member for the last few years. We have indeed valued your labors there. We hope that, though living farther away, you will still be able to continue your labors with us.

"By our presence here this evening we are endeavoring to express our deep appreciation of the above mentioned merits. We assure you of our very best wishes for future happiness, as a further token of our respect and esteem we present this small gift in the hope that it will prove useful in many ways, and there suggest repeatedly our interest in your welfare.

We know you won't forget us Or the happy old time days Or the hours we've spent together In friendships pleasant ways. But because we love to tell you That we hold those memories dear. We're giving you this token Of friendliness and cheer.

In Memoriam

MRS. ELIZABETH LANDRIGAN

There passed to her eternal reward on March 16, 1938, at the home of her daughter, Mrs. Wm. Condon, Charlottetown, Elizabeth Landrigan at the advanced age of 86 years.

Born at Cambridge, P. E. Island, daughter of the late Mr. and Mrs. P. Landrigan, the earlier years of her young womanhood were spent in Charlottetown. Later returning to Cambridge she afterwards became the wife of Mr. John Landrigan, a prosperous farmer of that vicinity where she spent the greater part of her life.

Of a quiet and amiable disposition she endeavored all those to whom she came in contact. Never failing to lend a helping hand to those in need.

She was a stern and upright Catholic and always displayed the true characteristics of a Christian mother.

During her illness she was frequently visited by Rev. Louis Dougan and died strongly fortified by the rites of the Roman Catholic Church of which she was a devoted member.

She leaves to mourn the loss of a loving mother the following: four daughters and two sons. Mrs. Alan Fraser, Vernon; Mrs. Terence Murphy, Souris; Mrs. Lemmie Kenny, Morrell; Wm. Condon, Charlottetown, Leo of Concord, Thomas of Montague, and one son, William of Charlottetown.

Her husband, having predeceased her 35 years ago.

Her remains were forwarded on March 17 to her old home in St. Mary's Road and her funeral place on March 18 to St. Paul's Church, Sturgeon, Requiem High Mass was celebrated by Rev. Finley Mullyally who also officiated at the grave and at the site of a mortal body was laid to rest to await a glorious resurrection.

The pall-bearers were: Messrs. Wm. Murphy, Wm. H. Lannigan, Leo Daley, James Landrigan, Wm. Steele and Lewis Condon. Requiescat in Peace
