STOCK QUOTATIONS

Stock Markets At A Glance

WINNIPEG, Feb. 16 — (CP) — Advances at Chicago which stimulated fair buying here pushed May and July rye futures to new seasonal highs today on the Winnipeg Grain Exchange. No domestic or export grain business was reported.

CHICAGO, Feb. 16 — (AP) — Gain futures were firm to strong today with wheat and rye gaining two cents or more at times and the remainder of the list holding sharply higher. Short covering, commission house buying and a scarcity of offerings except on the bulges accounted for the advance.

NEW YORK, Feb. 16 — (AP) — The Stock Market ran into profit cashing troubles today and, while assorted favorites managed to get into new high ground for the past seven years, many recent climbers stumbled.

The Associated Press 60-stock composite was off 1 of a point at 61.3 after four successive advances

MONTREAL, Feb. 16 — (CP) — Trading on the Stock Exchange and Curb Market today worked out of a mid-day period of hesitation to finish strongly. All pivotal groups were higher in the indices, with papers, which have been moving up steadily recently in anticipation of a favorable decision from Ottawa on a standard profits case, up 2.25. Sixty-eight stocks showed gains out of the 158 listed, 39 were lower and 51 stationary. Volume was the largest this year.

TORONTO, Feb. 16 — (CP) — Of the three index groups, two recorded gains and one weakened today on the Toronto Stock Exchange. The golds were the losers although the bulk of the junior issues were buoyant on good volume

Today's market provided several features. In the Base Metal list Mining Corporation came to life and in heavy trading the price moved up to 2.92. It closed at 2.07 for a net gain of 32 cents.

CANADA'S VETERANS
Their Post-War Opportunities
The second of three advertisements explaining the re-establishment credit.

Homes, Businesses, Tools, etc.—
USES OF THE RE-ESTABLISHMENT CREDIT

In the first advertisement in this series it was explained that the re-establishment credit is a grant to which veterans are eligible in an amount equal to the basic War Service Gratuity —that is $7.50 for each thirty days' service in the Western Hemisphere and $15.00 for each thirty days' service overseas. It was pointed out that it is an alternative to training and educational grants and to land settlement benefits under the Veterans' Land Act, and that it may be used at any time within ten years of discharge for certain purposes looking to re-establishment in Canada only. This advertisement is to explain these purposes.

TO PURCHASE A HOUSE

Ex-service men and women may use their re-establishment credit to assist in the purchase or building of a home. In these cases it is necessary for the veteran to have an equity in his home. Reduction of a mortgage on a home already owned is included under this heading. In making application to use the credit to purchase or build a house it is necessary to supply full information as to purchase price, appraisal value, mortgages or any other encumbrance.

TO REPAIR OR MODERNIZE HOMES

If the veteran already owns a home and repairs or modernization are necessary, the re-establishment credit may be used. In making application for use of the credit in this way, proof of ownership and details of the expenditure should accompany the application.

TO BUY FURNITURE

When the re-establishment credit is used for the purchase of furniture or other necessary household equipment for the veteran's home, the veteran must put up one dollar of his own money for each two dollars used from the re-establishment credit. Furniture must be clear of encumbrances or liens on delivery to the veteran.

TO BUY TOOLS, INSTRUMENTS, ETC.

Veterans returning to civilian life may find they need tools of their trade, instruments or equipment for the practice of their profession or equipment for their business. The re-establishment credit may be used to purchase these things.

FOR WORKING CAPITAL

If working capital is needed for a business or professional practice already owned, the re-establishment credit may be used. The purchase of property or other physical assets necessary for the business is regarded as providing working capital.

TO BUY A BUSINESS

When the veteran makes application to use his re-establishment credit for the purchase or establishment of a business, the Department of Veterans Affairs will secure the advice of qualified persons in the community as to whether the proposed business offers sound possibilities of re-establishment. This step is not taken to hinder the veteran, but to avoid advancing his credit for a purpose prejudicial to his re-establishment. When the credit is used for the purchase of a business, the veteran must put up one dollar for every two drawn from the re-establishment credit on the down payment necessary to take over possession.

FOR LIFE INSURANCE

The re-establishment credit may be used to pay premiums on insurance issued by the Dominion of Canada. This insurance includes Returned Soldiers' Insurance, Veterans' Insurance, Civil Service Insurance and Civil Service Superannuation and R.C.M.P. and Militia Pensions.

FOR SPECIAL TRAINING

Veterans taking vocational training or educational courses may need special equipment and this may be purchased from the Re-establishment Credit. Similarly employed veterans wishing to take part time or night classes may apply to have the cost of these classes paid for them from their Re-establishment Credit.

In addition to the above, provision has been made to extend the uses if experience indicates this is necessary.
