A correspondent sends the following additional particulars of a recent wedding:—

On Wednesday evening, Dec. 27, a happy event took place at the home of Archibald and Mrs Brander, Burlington, when their daughter Fannie was united in marriage to Fraser Mann of the same place. The ceremony was performed by Rev. A. Sterling, Kensington in the presence of about one hundred relatives and friends. The bride was exquisitely dressed in white silk mohair, trimmed with all over lace and ruching; and wore a veil fastened with orange blossoms. She was assisted by Miss Virginia Mann, sister of the groom also handsomely dressed in cream voile, trimmed with all over lace. Little Verne Leslie was flower girl, and was dressed in white Swiss with pink silk trimmings. The groom was attended by Russell Oulton, Alberton. The Wedding March was played by Miss Laura Walker as the bridal party entered the drawing room and stood beneath an arch of evergreens and roses. After the ceremony, supper was served in the dining room, which was artistically decorated. The remainder of the evening was happily spent in dancing etc., music being splendidly rendered by Charles Woodside, Malpeque. The presents were numerous and costly prominent among them being a handsome bedroom suit, from several of the bride's cousins in Kensington.

Chamberlain's Cough Remedy the Best Made. "In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker, of Porterville, California. There is no doubt about it being the best. No other will cure a cold so quickly. No other is so sure a preventive of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by all druggists.

Is Silver Cleaning a Bugbear

and does your Silver often go uncleaned because you dread the rub, rub, rub of polishing it, the eyes full of flying powder, and at the end, the Silver each time a little duller than when it came home new?

All this work is now ended. SILVEREASE is a new scientific preparation which cleans the Silver without any trouble on your part. It is in the form of a powder to be dissolved in a pan of hot water. All the silver is placed in the pan at once, and in from five to ten minutes it is ready to put away bright and sparkling as when it left the store.

Silverease is as harmless as soap. Silver, sterling or plate, can remain in it for months without the slightest harm. Price 25c. Sold by
