STOCK QUOTATIONS

Stock Markets At A Glance

CHICAGO, June 22 — (AP) — Grains rallied after an early selloff today but prices dropped sharply after noon, rye tumbling as much as three cents and most of the remainder of the futures list showing losses exceeding a cent.

WINNIPEG, June 22 — (CP) — Export business in Canadian Grain on the Winnipeg Grain Exchange today appeared confined to disposal of a small lot of oats to the United States. There was evidence of overseas inquiry for wheat and sales are expected to be negotiated shortly.

Outside interest in the market was light. There was a little American buying in connection with intermarket operation.

TORONTO, June 22 — (CP) — In today's Toronto Exchange market the Western Oils moved in volume and at price gains to show a new high level since 1941. Mining groups displayed moderate weakness.

Some of the junior golds were on the soft side along with a few of the medium - price issues. Declines of 10 cents or more came out for Campbell, Cochenour, Donalda, Hasaga, Madsen, Pickle Crow, Quemont, Ruoyn, Sullivan and Teck Hughes.

MONTREAL, June 22 — (CP) — Leaders among papers, carriers, industrials and utilities gave buoyant displays in transactions today on the Stock Exchange and Curb Market. Papers, which had a setback on Wednesday, bounded up 15 in the indices and touched a new five-year high.

C.P.R. was the outstanding individual performer, rising a point to a new top since 1933. Canada Steamship was also at a new peak.

Trading box score: total sales: 225,200 shares: mines 123,400; industrials 102,800; stocks higher 79; lower 43; unchanged 57.

NEW YORK, June 22 — (AP) — While assorted specialties stocks turned in a strong performance today, selling elsewhere caused the market to suffer its first average loss since June 11 after hitting a new peak for the past eight years or longer in the forenoon.

The ticker tape speeded up before midday, with blocks of low quoted issues running to 10,000 shares. Recently buoyant rails then began to slip and liquidation spread to other departments. Recessions of fractions to two or more points predominated at the close.

The Associated Press 60-stock composite was off .2 of a point at 67.6. The utility avarage touched a top since 1937 by a shade.

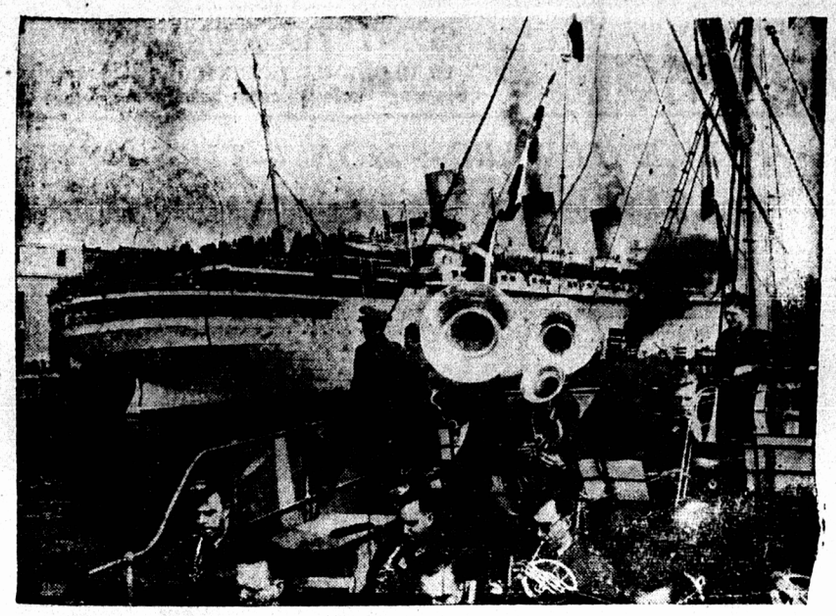
ILE DE FRANCE ARRIVES



Crowds, bands, church bells and boat whistles welcomed the Ile de France to Halifax this week. Pictured here as the great three-funnel French liner slipped into her pier are a few of the 8,000 Canadian service men aboard including the 1st Canadian Parachute Battalion which later received the keys of the city and a welcome from the government and military officials. The band in the foreground played the liner into dock from outside the harbor gates. — (Canadian Army Photo).
