Canadian Issues Close Strong On N. Y. Market

By Victor Eshank
 Associated Press Financial Writer
 NEW YORK, Nov. 1—(AP)—
 Buying of rails and industrials today enabled the stock market to start November with another substantial rallying push despite the handicap of considerable profit cashing on Thursday's bulge.
 Most Canadian issues, weak in early dealings, strengthened toward the close. Dome Mines finished with a net gain of 1-8 after being off 3-8 early. Hiram Walker pushed up smartly, gaining 3-8 after losing 1-2 in the forenoon. Distillers Seagrams was up 1-8. Canadian Pacific was off 3-8 and Giant Yellowknife 1-4. Lake Shore, on the other hand, was up 1-4.
 Wide jumpers on relatively few sales included Coo-coola up 11 points at 147; International Business Machine 6 at 215; Dow Chemical 6 at 108. Allied Chemical 6 at 162. Du Pont 5 1-2 at 177 1-2. Eastman Kodak 4 at 212. Union Pacific 3 at 128 and U. S. Gypsum 3 at 107.
 In the morning Telephone hit a new 1946 low in the morning but met support and ended with a net gain of 1 3-4 at 167 1-2. Bethlehem Steel opened a bit late on a 1,500-share block off 2 1-4 and finished with a net loss of 1 1-2 at 96. Wall Street suggested that the company's third quarter earnings were below expectations.
 Ahead were U.S. Steel, Youngtown Sheet, Chrysler, General Motors, Goodyear, U. S. Rubber, Montgomery Ward, Douglas Aircraft, Eastern Air Lines, Transcontinental and Western Air, North American, American Water Works, International Nickel, Standard Oil (N. J.) on another 51 extra disbursement, Santa Fe, Pennsylvania Railroad, Southern Railroad, Great Northern and N. Y. Central.
