GREAT

CLEARING OUT SALE

Continues From Day to Day

This is a clean sweep sale from attic to cellar, from corner to corner of our big store, everything must be sold, only six more weeks in which to do it as the contractors take charge of the interior on January 15th, take out the old ceilings, put in new stairway, shelving, etc. So rather than pack away any of our stock we are going to clear it all out at from 25 to 50 per cent discount. Our stock is now so well known that it is unnecessary for us to enumerate the different lines we carry, but everything goes. This is a rare opportunity of securing high class goods at nearly one half their value. As we have been requested from time to time during the past two weeks by the working men of this city to keep our store open until 8 o'clock to enable them to do their buying at night, we have conceded to their request and will keep our store open till 8 o'clock for the next four weeks and would ask them to call as early as possible to enable us to close at the above time.

S. A. McDonald

P. S. We have been asked from time to time during this big sale if it is our intention to retire from business permanently. We might here state that it is not. We will retire from business for a few weeks only last of January and first of February and will be open for business in the new store but the same old stand March 1st next, and will open up on a much larger scale. An important announcement in this connection will be made public shortly, but in the meantime we are too busy with our big sale.

Sincerely Yours
S. A. McDONALD.

A BOSTON

BARITONE

Who Has Won Great Success
Abroad is Now in Charlottetown

HE WILL SING TONIGHT IN FAIRYLAND

Ralph Madison, the celebrated Boston baritone arrived in the city yesterday, by the Stanley.

Mr. Madison has been engaged as vocalist by the Management of "Fairyland", and will make his first appearance in the Opera House, tonight.

He comes to Charlottetown with the highest testimonials and "Fairyland" is to be congratulated on securing his services.

He has sung with great success in many of the large cities in the United States, and was for some time on the Pacific Coast where he has been heard in San Francisco, Seattle, Washington, and other cities.

He is a young man of splendid physique, and possesses a rich baritone voice of great range. He will make the theatre fairly ring with melody. He is certainly a musical star.

Tonight, his opening number will be, "When the blue sky turns to gold."

Those who have heard him, speak in the most enthusiastic terms of his ability as a vocalist, and the public are cordially invited to come to "Fairyland" tonight and endorse the good things that have been said of him.

The pictorial program is given on another page of this morning's Guardian.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
