The subject was: "Resolved that it would be in the best interests of P. W. C. that the students should get two days holidays during Exhibition week." The resolution carried by a magnificent majority, the vote being 53 to 17 in favor of the affirmative.

On the evening of the 15th, a large gathering of the relatives and friends of Arthur and Mrs. Owen took place at their residence in Lower Malpeque. The occasion which brought together so many was the celebration of the 70th birthday of the honored husband and father, together with the entry into, and occupation of a splendid new house, recently erected. One of the pleasing features of the evening was the presentation by John and Keir of a number of valuable envelopes containing substantial expressions of good will. After a very enjoyable evening had been spent, and supper served in the Miss Owens' capacious manner, had been partaken of, Pastor Rattee spoke a few words for the assembled guests, expressing their hearty good wishes toward Mr and Mrs Owen and the evening closed with prayer and singing, "God be with you till we meet again."
