A single chunk of coal, 6½ feet long, 5 feet wide, and about 3 feet thick, arrived recently from the Central Coal Company of Higbee, Mo., en route to San Francisco, where it will be placed on exhibit in the Missouri mining display.

The specimen was received by Otto Rhul, who is preparing the exhibit. It weighs 4,250 pounds, and is securely crated in a framework made of 4x8 timbers.

St Vitus Dance

ANOTHER SEVERE CASE CURED THROUGH THE USE OF DR. WILLIAMS' PINK PILLS.

St. Vitus dance is a common form of nervous trouble, which affects not only young children but men and women as well. The only cure lies in plenty of pure blood, because good blood is the life food of the nerves. Dr. Williams' Pink Pills cure the most severe cases of St. Vitus dance, because they actually make the rich, red blood that feeds and restores the starving, shatered nerves. This has been proved in hundreds of cases, among them that of Mrs. John Duncon, London, Ont., who says: "About a year ago I found myself becoming very nervous. At the outset I did not pay much attention to it as I thought the trouble would pass away. In this I was disappointed, for I soon found myself repidly growing worse. My right arm and leg began to jerk and twitch all the time, even when I was in bed, and I found great difficulty in walking or doing any work. Finally the trouble affected my speech and it was with difficulty I made myself understood. Of course I was doctoring for the trouble, but was not being helped, and finally the doctor wanted me to go to the hospital for treatment. This I did not care to do, and it was at this stage that I decided to try Dr. Williams' Pink Pills. By the time I had used four boxes I felt much better, and in a short time longer I was quite well and strong. My neighbors look upon my cure as quite wonderful, and indeed I think it is, and shall always be grateful for what Dr. Williams' Pink Pills did for me."

These Pills are sold by all medicine dealers or can be had by mail at 50 cents a box or six boxes for $2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

Recruits Wanted for Artillery Unit

for Oversea Service

It is proposed to offer a composite battery of Heavy Artilery from Prince Edward Island for service in Europe—the Battery to be composed of members of the P.E. Island Heavy Brigade, Charlottetown, and the Thirty-seventh Field Battery of Montague and Souris. A number of officers, non-commissioned officers and gunners have already volunteered, but to bring the batteries up to war strength and to also form an ammunition column it will be necessary to secure upwards of one hundred recruits in addition to those who have already volunteered. Applications will be taken from recruits with or without military experience, as it is the expectation that sufficient drill will be given the Battery before proceedng to the front to make each member efficient. As soon as sufficient volunteers have handed in their names the proposed Battery will be submitted to headquarters for approval. It is hoped that the required number of men will come forward quickly.

Volunteers will please hand in their names to any of the folowing officers:—

Lieut.-Col. A. G. PEAKE, Charlottetown.
Major C. LEIGH, Charlottetown.
Major C. L. McKAY, Charlottetown.
Major A. T. McKAY, Montague.
Captain A. F. McQUAID, Souris.
Captain D. A. MacKINNON, Charlottetown.
