Industries that Are Passing Away

Just as spinning and knitting has been displaced many years ago by machine made goods, so modern methods are doing away with home baking and other old fashioned industries. Many good women tell us that our large ice cream loaf is better than any they ever ate.

THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block—Charlottetown.

The latest news, first of all.

There were no cases before the Police Court in this City Thursday.

Miss Sadie McPherson, Brookfield, is spending the week with her sister, Mrs. Hammond Younker, Kingston.

Fred H. Trainor returned to the city Thursday morning from Vernon River, after installing plumbing and heating for Rev Dr Morrison.

The St James Church picnic on Monday next promises to be the event of the season. Train leaves for Murray River at nine a. m. Return fare fifty cents.

This morning Alley & Co. are placing on tables odd lines of shoes of all styles and leathers and are offering them at exceptional savings. See their ad. in this issue.

Rev J. F. Floyd will take for his subject tomorrow evening in the Central Christian Church, "Who Holds the Keys of the Kingdom of Heaven? Does the Pope hold them?"

In a recent issue The Guardian stated that the Cape Traverse train arriving in Summerside on Mondays, Wednesdays and Fridays at 9.25 a.m. left on return at 7.40 p. m. This was incorrect and should have read 2.15 p. m.

There will be offered for sale at the Government House Coach house at one o'clock on July 8th, carriages, harness, sleighs and other articles, the property of Ex-Gov. McKinnon. The ad giving particulars appears elsewhere in this paper.

The beautiful scenery at Murray River and the splendid visitors table always provided by the ladies of St James Church should induce a large number to attend the S. S. picnic there next Monday, July 4th. Return fare only fifty cents.

At the annual meeting of Westmoreland School District No. 145, G. A. Canfield was re-elected trustee, \$30.00 was voted for teacher's supplements, \$50.00 for fuel and repairs and other expenses. Miss Janie Bradley, teacher, was re-engaged. The trustees are G. A. Canfield, Hugh Campbell and Crisp Moore.

The Vernon River Methodist church which has been closed for some weeks undergoing repairs, under the skillful hands of Albert Ross, will be reopened July 3rd. Evangelist J. S. McKay will preach in the morning at 10.30. Rev D. B. McLeod of Orwell is expected to preach in the evening at 7.30. Miss Margaret Furness will sing a solo at both occasions. Collections in aid of repairs.

In the enjoyable organ recital given in Summerside, and referred to in Thursday's Guardian, special mention might be made to one piece in particular played by Prof. Stuart, Truro, who is Prof Wright's guest while in this City. It was "Beauce" an original composition of Mr Stuart's which is now being published—and which has been most favorably received.—The composition is respectfully dedicated to Miss Madona Hyde, the seven year old daughter of Charles Hyde, City Chamberlain of New York, with whom Mr Stuart has recently encored and proved a genuine favorite to the Summerside music lovers.

The annual examination of Winsloe North School was held on June 27th and was well attended, some thirty visitors being present. Amongst them was Mr. Hurst, lately from England, who, being a teacher himself, was quite interested in the event, and gave valuable assistance in examining classes; also W. S. Smith, who at one time did much credit to the profession. The program of recitations and singing was highly satisfactory, reflecting much credit on both teacher and pupils. Splendid progress was noticeable since the examinations in December last. Most excellent order and highly creditable discipline was observed. The teacher, Miss M.M. Brown, who is a teacher of more than average ability, having nine years' experience in this Province and two years in a deaf and dumb institute in Boston. It is most unfortunate that, owing to the inducements to teachers to go West, the connection with such a teacher as Miss Brown is thus to be cut short, no amount of supplement being an inducement to her to stay. As a result of the acquaintance and kindly feeling displayed toward the stranger, Mr. Hurst, he very generously consented to take a photo of the classes, which entitles him to the thanks of the people of the school district.

Soda Water. Our big soda fountain is booming these days, and an ever increasing trade speaks well for the quality of our drinks. We serve ice cream in connection, and by prompt attention and cleanliness hope to merit your patronage. E.A. Foster, successor to A.W. Reddin.

Unsigned news has been received from York which awaits the sender's name.

D. C. Harvie, Cape Traverse, came to the city Thursday and registered at the Revere.

Mrs. Edison Rollings and little daughter Stella Jane of Rusticoville are visiting friends at Linkletter.

Dr Moore and Mrs George E. Moore, Crapaud, were among those registered at the Revere Hotel Thursday.

On account of the absence of the proprietor of one of the leading boot-stores the weekly half holiday which was expected to start next Monday has been postponed.

The Star Steam Laundry wants every young man to give their laundry one trial order of collars and cuffs and notice the difference in the class of work. See ad.

In Grace Church on Sabbath evening Rev W. Harrison will speak on the proposed Organic Union of the Presbyterian, Methodist and Congregational churches of Canada.

The ladies are preparing all the seasons' delicacies for the visitors' table at the St James picnic to Murray River next Monday. The train leaves at nine o'clock. Return fare fifty cents.

Today's Guardian contains sixteen pages of local and foreign news matter, including the last sermon written and delivered in this City by the late Rev G. R. White, the weekly sermon from Shakespeare, sermon by a leading American divine and a fine Sunday School lesson.

On Thursday The Guardian was shown some of the longest and largest stalks of rhubarb ever brought to this city. The stalks measured in length almost four feet and girthed over five inches. It was taken from the garden by Mrs John Darke, Orchard Hill, Brookfield, and is certainly a credit to the owner.
